I would like to thank everyone for their well wishes, presents and attendance at my retirement function held on the 9th December 2023. I was overwhelmed by the support and feel extremely honoured to have been appointed to Tambellup Primary School, 44 years ago and had the opportunity to become part of a wonderful community.

Special thanks to the Tambellup P and C, School Staff, Pip Newing, Trevor and Aileen Prout, Colleen Brown, Tambellup Pavilion Association, Cindy Veitch, Kerry Smith, Karessa Pickett, Sarah Taylor, Jan Batchelor and my family. (I am now there for you!)

Thank you to the parents, community members, school staff and most importantly the little people who have made my teaching career so enjoyable and rewarding. I hope that I have helped them to reach their potential.

*Thank
You!*

It is with a very sad heart that I leave Tambellup, but I have many memories that I will always treasure.

AUSTRALIA DAY

Congratulations to the Tambellup Bowling Club on hosting another successful Australia Day social bowls afternoon for the community. An enthusiastic crowd witnessed the raising of the Australian flag and provided a rousing rendition of the National Anthem, before the serious business of the bowls 'spider' played out, won by Pauline Roosendaal. The social bowls was won by Pauline Roosendaal and Michael White.

STAFF MOVEMENTS

During January, we farewelled CEO Anthony Middleton, who has left to take a position at the Shire of Plantagenet. We thank Anthony for all that he achieved during his 18 months with the Shire, and wish him well for the future.

We look forward to welcoming new CEO Karen Callaghan who commences in the role early in February.

SHIRE HOSTS WORK EXPERIENCE STUDENTS

The Shire once again hosted local students participating in a work experience program during December 2023.

Devin and Riley, who are studying at the WA College of Agriculture Narrogin, spent two weeks gaining experience in the workshop with Marcelo, our mechanic, and getting hands-on with the huge variety of tasks required to maintain our public spaces, with the parks and gardens team.

The Shire is pleased to support this valuable program that allows our young people to get practical work experience in our community.

Well done Devin and Riley!

2023 CHRISTMAS LIGHTS COMPETITION

Thankyou to everyone who participated in the 2023 Christmas Lights Competition and contributed some seasonal brightness and fun to Broomehill and Tambellup. Our senior staff had the task of judging the lights displays, and were impressed by the creativity and commitment shown by residents who participated.

The winners were:

Farm Gate Competition:	Broomehill:	Tambellup:
Terri and Phil Hams	Gary and Deborah Beynon	Leno and Margo Farmer
The Prossers		
The Woithes	Duane and Vicky Vercoe	Allan and Belinda Hankinson
Jayden Brown		

A Special Mention went to the residents of the Sandalwood Villas in Tambellup for their enthusiastic and colourful display! To view the Christmas Lights compilation online go to <https://bit.ly/4829DFn>

THANK YOU, TAMBELLUP COMMUNITY CROPPING GROUP!

The Tambellup Community Cropping Group (TCCG) has since inception, contributed financially to many community groups and projects, and in December 2023, approached the Council with two proposals which will have long term community benefits.

For many years the value (and non-availability) of a community bus has been discussed in many forums. The TCCG was aware of this, and late in 2023 resolved to place an order for a twelve-seater bus to be equipped with wheelchair access and a luggage trailer, proposing that it be used as a community bus. The TCCG has requested that the Council consider undertaking the management of this service. At the December Ordinary Council meeting the Council agreed to this proposal, and while delivery of the bus is a way off yet, staff will work on the processes and policies required to ensure the service operates efficiently and effectively.

In a second, most generous proposal, the TCCG has offered to purchase and donate two cabins to be installed at the new Tambellup Caravan Park. The TCCG presented several cabin designs for those attending the December harvest day to view and vote on. The preferred design is a one bedroom, self-contained cabin that will suit both visitors to the community and people looking for accommodation in Tambellup for seasonal work requirements.

While the Shire continues to work with consultants on the design requirements for the Caravan Park (sewer, water, power, electrical, civil services) which includes a sewer extension off Crowden St, the TCCG will liaise with the supplier to place an order for two cabins, at a cost of \$276,000. The aim is that all civil works will be complete by the time the cabins are ready for delivery and installation.

On behalf of our community – thank you to all involved with the Tambellup Community Cropping Group for your generosity and community spirit!

FROM THE DECEMBER 2023 COUNCIL MEETING

- Specifications for repairs to the Tambellup Hall and Lesser Hall roof were endorsed.
- The Council adopted the Local Heritage Survey Primary Report, including the Local Heritage Survey and Local Heritage List, subject to amendments as recommended. Thank you to those people who contributed their feedback to this important process.
- The draft Local Planning Policy No. 3 – Heritage Places was adopted for the purposes of public consultation. The policy is available to view at the Shire offices, or on the Shire website www.shirebt.wa.gov.au. Submissions are invited and can be emailed to mail@shirebt.wa.gov.au, or mailed to 46-48 Norrish St, Tambellup WA 6320 by 29 February 2024.
- The Council endorsed the terms of a negotiation between the CEO and Martinus to deposit excess fill from the CBH rapid rail outloading construction project into the old gravel pit west of the Broomehill Recreational Complex. Payment of any funds from either Martinus or CBH for the receipt of fill will be deposited into the Shire's 'Broomehill Recreational Complex Reserve Fund' for future projects.
- A plan for improvements to streetscaping to Crowden St, from Norrish St to East Terrace, was endorsed. The plan includes realigning and widening the section between Taylor St and East Terrace and planting street trees in the centre of Crowden St to create a visual link from the town centre to the sports ground.
- A planning application for a storage shed at the Tambellup Works Depot was approved with conditions.
- A review of the Shire's Housing and Land Strategy was endorsed. The review identified over 30 strategies for treatment of land owned by the Shire in the Broomehill and Tambellup townsites.
- The Council considered and endorsed recommendations from the CEO Selection Panel in relation to the appointment of a new CEO.

RAILWAY PRECINCT TOWNSCAPE PLAN CONSULTATION

The consultation period for the Draft Railway Precinct Townscape Concept Plans ended on 31 January 2024. While the amount of feedback was not as great as we

anticipated, the comments and suggestions that we received were valuable and will be considered by the Council at an upcoming Council meeting. Outcomes of this consultation will be factored in to the next stage of the design process and updated plans will be available to the community.

TRAILS PLANNING GRANT

During 2023 the Shire was fortunate to receive funding from the Department of Local Government, Sport and Cultural Industries to assist with the development of a trails masterplan. The masterplan will provide the Shire with an inventory of existing and planned trails (incorporating mapping, detail of trail surfaces, drainage, directional markers, signage) and a future maintenance implementation plan.

The Shire has appointed Mike Maher (Transplan Pty Ltd) and Mike Halliburton (Halliburton and Associates) to complete this work. The two Mikes are well experienced in trails planning, having assisted many local governments across Australia and overseas to develop trails. To date, two site visits have been conducted with all existing trails assessed and documented. We look forward to receiving the final report and recommendations.

FIRE CONTACTS/HARVEST BANS

*****To report a fire call 000 – this is the most efficient way of getting assistance!**

*****Residents are reminded that as per the Fire Break Order, the Prohibited Burning Period has been extended, now ending 14 March 2024 inclusive. No burning is permitted to be undertaken until after this date.**

From 15 March 2024 to 15 April 2024, the Restricted Burning Period is in effect and permits to burn are required to be obtained from your brigade Fire Control officer.

Brigade contacts for 2023-2024 are as follows:

Our volunteer fire brigade members will concur with the reports that the fire season commenced early in 2023, due to the lack of late winter/spring finishing

rains. Many fires have been experienced in the Shire since the end of spring, and as we enter February, the hot dry conditions that are conducive to fire will continue. Please be vigilant in your outdoor activities and ensure that your actions do not contribute to the starting of a fire.

Have you registered for notification of Harvest Ban and other emergency information by SMS? This is a free service provided by the Shire. If you would like to register please contact the Shire on 9825 3555.

HOW FIREPROOF IS YOUR PLAN?

90% of WA is bushfire prone. Bushfires are dangerous and happen every year. The single biggest killer is indecision.

What will you do if there is a bushfire near you?

A bushfire plan can help keep you and your family safe. Create one now in under 15 minutes – go to <https://mybushfireplan.wa.gov.au/>

EMERGENCY WA

Emergency WA (www.emergency.wa.gov.au) is the State's official website for community warnings and emergency information for bushfires, storms, cyclones, floods and other emergency situations. The site provides real time updates on emergency warnings and incidents across the state, as well as information on preparing and recovering from and emergency situation. One to bookmark!

BANNERS

Do you have an event coming up that you would like to promote? The Shire has recently installed new banner poles in Broomehill and Tambellup, and these are available for community use! For more information on how your community group can access this facility, please contact the Shire on 9825 3555.

FEEDBACK

Coordinator's Corner

The CRC has reopened from the Christmas break and February is looking to be an exciting month!

We will be busy cooking pancakes for **Pancake Day** on the 13th of February from 10am until 1pm, so come in and get your pancake fix for a gold coin donation!

Join us at the Tambellup Oval from 1pm on the 18th of February for the Annual **Family Fun Day**. There will be activities suitable for all ages, including face painting, Jamie the Clown, Aussie reptiles, inflatable obstacle courses (wet and dry so don't forget a towel!), slip n' slides, a play area for little ones and there will also be a range of food and snacks available.

We will be running a **FREE Scams Awareness workshop** followed by 30-minute one-on-one digital support appointments, so if that pesky phone is giving you trouble, bring it down to the CRC and hopefully we can make your phone troubles disappear! This will run from 10am on the 20th of February. If you'd like more information or to register your interest, please call or email the CRC, or pop in.

If you are the proud owner of a small business or are thinking of starting one up, and need some help with the budgeting side of things, then come down to our live stream with the Albany Business Centre from 10am on the 21st of February to get the know-how of small business budgeting basics.

Finally (lots of things are going on – I warned you!), **CarersWA** will be set up across from the Post Office in Tambellup on the 27th of February from 1:30pm-3:30pm. CarersWA are passionate about providing support for family carers and aim to support

the empowerment and wellbeing of carers through their programs, services, and advocacy for carers.

As always, the **Senior's Luncheons** are on the third Thursday of each month, and the Craft Group runs on the second and fourth Mondays of each month.

In March, the CRC will be hosting a **Heavy Vehicle Piloting Course** (full course and refresher – call or pop into the CRC if you'd like to register), but I've already rambled enough so let's leave the details and our other March events for the next issue of the Topics!

If you have an idea for an event, workshop or course, please reach out to myself or Melissa at the CRC – we love to receive community input so that we can provide you with the events you'd like to be a part of.

Are you interested in undertaking a native planting project on your farm?

Over the past couple of years Greening Australia has received a growing number of enquiries from landholders in the Broomehill-Tambellup area seeking support to undertake native plantings with mixed trees and shrubs on their farms.

With this in mind, we are reaching out to the wider community seeking expressions of interest for our 2025 planting program.

Conversations we are having locally suggest some key reasons driving interest in native plantings and how projects can support your land and farming operation include;

- Creating habitat for native wildlife such as black cockatoos
- Tackling salinity
- Biodiverse native forage systems to support livestock
- Diversifying on-farm income by way of carbon credits

If you have a project in mind or are interested in understanding more, please feel free to contact Ruth Cripps – Land and Restoration Lead, on 0428 929 015 or rcripps@greeningaustralia.org.au.

Alternatively, you can register your interest online via the Greening Australia landholder page at www.greeningaustralia.org.au/landholder-registration and we will get back to you to discuss ideas and current available funding.

COVID-19 Updates

With an eighth wave of COVID-19 circulating in Western Australia, many people are being infected with the virus again.

So, if you are finding yourself feeling sick, what should you do?

WA's free RAT program has now concluded. RAT kits are available for purchase from supermarkets, pharmacies, and other selected suppliers. They are no longer available at the health Centre. There is no longer a requirement for the Western Australian community to register positive RAT results.

If your RAT result is positive stay at home for at least 5 days and until symptoms have resolved. Seek medical advice if symptoms become severe.

Australia Day 2024

Australia day was celebrated at the Tambellup bowling club by a small but appreciative crowd. The Australia Day address was given by the Shire President, Michael White, followed by the flag raising and the national anthem.

This was followed by our traditional Spider, which was won by Pauline Roosendaal, who received the \$50 meat pack donated by the bowling club.

Lunch, sponsored by the Broomehill Tambellup Shire was then served.

After lunch teams were drawn to play for the Cancer Foundation Shield .

This was won by Pauline Roosendaal & Michael White with runners up being Eleanor Swinburn and Martin Sadler.

With entry fees, raffles and bar profits a total of \$300 was raised and will be donated to the Cancer Foundation.

Thanks to all who were able to attend and to the sponsors Broomehill Tambellup shire and the Tambellup Bowling Club.
