ROYAL FLYING DOCTOR SERVICE  
OF AUSTRALIA

**SHIRE OF BROOMEHILL—TAMBELLUP****GRATUITY AND REDUNDANCY PAYMENTS**

In keeping with the requirements of the *Local Government Act 1995* Council wishes to advise all residents of the Shire of Broomehill-Tambellup that the following policy relating to Gratuity and Redundancy Payments was adopted by the Council at its meeting held on 13 October 2008.

**Purpose**

To describe the circumstances in which gratuity and redundancy payments may be made to staff.

**Policy****1. Gratuities**

Council will consider the payment of a gratuity to any employee of ten years or more standing who is leaving the service of the Shire either for retirement purposes or as a voluntary redundancy.

In considering this matter, Council will give particular regard to:

- (a) the employee's history and length of employment with the Shire
- (b) the employee's sick leave record,
- (c) performance review reports from the previous three years; and
- (d) the employee's personal contribution to the progress of the Shire's objectives and community wellbeing.

Council, after taking into account the above criteria, may agree to the awarding of the following gratuity:

- (a) A payment to the employee of four weeks' pay for every year of service to a maximum of one year's salary, or
- (b) A payment based on unused sick leave entitlements.

Employees leaving to take up another position elsewhere will not be eligible for a gratuity payment but may, at the discretion of the CEO, be eligible for a gift up to the value of \$100 for every year of service.

**2. Voluntary Redundancies**

In the event of council seeking applications for voluntary redundancy from specific staff or classes of staff, council will have regard to the following, when determining a redundancy package:

- (a) the employee's history and length of employment with the Shire
- (b) the employee's sick leave record,
- (c) performance review reports from the previous three years; and
- (d) the employee's personal contribution to the progress of the Shire's objectives and community wellbeing.

Council, after taking into account the above criteria, may agree to the awarding of the following redundancy payment, in addition to award or agreement conditions:

An over-award payment to the employee of up to four weeks' pay for every year of service to a maximum of one year's salary,

CHIEF EXECUTIVE OFFICER

**Shire of Broomehill - Tambellup****Strategic Waste Management Plan  
Stirling Group of Local Governments**

Council invites public comment on the Shire of Broomehill - Tambellup Draft Strategic Waste Management Plan.

The plan has been developed in alignment with the Waste Authority of Western Australia's Zero Waste Plan Development Scheme. The purpose of the plan is to provide strategies and actions to guide the Shire of Broomehill - Tambellup and other local governments in the Stirling Group of Local Governments to improve waste management practices that are consistent with the state's vision of "Towards Zero Waste".

Relevant to the Shire of Broomehill - Tambellup is recommendations on waste minimisation, community education and consultation and the management of the current landfill sites in Tambellup and Broomehill. The plan proposes that the Tambellup and Broomehill landfills be closed and replaced with transfer stations which would be staffed and opened for set times.

The plan also recommends that discussions be held with the Shire of Katanning to ascertain the possibility and feasibility of the Katanning landfill site being developed as a regional site.

A copy of the plan is available for inspection at the Tambellup and Broomehill Offices and can be viewed on council's website [www.shirebt.com.au](http://www.shirebt.com.au)

Written submissions, addressed to:

Chief Executive Officer

Shire of Broomehill - Tambellup

46-48 Norrish Street

Tambellup WA 6320.

will be received up to 12.00 noon on Friday 14 November 2008.

For further information please contact the undersigned.

### FROM THE MEETING

- Draft Strategic Waste Management Plan

In November 2007, the Shires of Broomehill, Tambellup, Kent, Gnowangerup and Jerramungup agreed to work together to develop a Strategic Waste Management Plan for the region. The draft plan outlines existing waste services provided by participating councils, details of current waste generation including recycling data, and recommended strategies to achieve improved outcomes for the region and the individual local governments in the management of waste. A copy of the draft plan is available at the Shire Offices in Broomehill and Tambellup for inspection, and comments from members of the public are invited. Comments should be directed to the Chief Executive Officer, Shire of Broomehill-Tambellup, 46—48 Norrish St Tambellup 6320, by 14th November 2008.

- Draft Policy Manual

Council adopted the new policy manual for the Shire of Broomehill-Tambellup. Council policies provide direction for Councillors and staff to respond to issues and act in accordance with Councils general direction. The Policy manual is reviewed by Council every three years.

## COUNCIL WORKS

With the recent spate of winter-like weather, works staff have attended to a number of after-hours call outs involving mainly trees across roads, and in one case, water.

A couple of major roads projects are in the early stages, with overburden from clearing on Pootenup Rd being removed, and gravel being carted in for the resheeting of the next section prior to sealing.

Preparations have also started for the widening of Gnowangerup-Tambellup Rd, with extensions to culverts in this section to be completed in the near future. Maintenance grading has continued on the following roads: Crosby Rd, North West Rd, Johnston Rd, Birt Rd, Sorrento Rd, Paul Valley Rd, Brown Rd, Watergarrup Rd, Chillicup Rd, Brassey Rd, Nardlah Rd, Moulyerup Rd, Norrish Rd, Pindellup Rd, Bignell Rd, McGuire Rd.

The maintenance crew has been working across the shire carrying out maintenance to signs where required, and replacing guide posts and reflectors. Bitumen patching has been carried out on Tie Line Rd, Tambellup West Rd, Flat Rocks Rd, Johnston Rd floodway, Watergarrup Rd and Pallinup Rd.

## DIPROSE PARK

We have just received advice that our submission to the Community Facilities Grants Program for almost \$22,000 has been successful. These funds will allow for two shelters, tables and seating to be purchased and installed at Diprose Park. These items will be

ordered and installed as soon as the funds are

available. This will also allow the BBQ to be

reinstalled in its new location at the northern tip of the park. In the meantime, the next project is the

installation of the fencing and the outdoor gym equipment. We will be seeking assistance from the community with these tasks, so watch this space!

## DOG OWNERS – HAVE YOU REGISTERED YOUR DOG???

All dog registrations are due for renewal at

**31<sup>st</sup> October** each year. If you own a dog then your dog **MUST** be registered and **MUST** be contained on your property. If you are in a public place your dog **MUST** be on a leash unless it is in a designated dog exercise area.

Under the Dog Act 1976 if you look after someone else's dog, you are responsible for its actions. Dogs found wandering that are not wearing a registration tag and your name and address will be impounded and fines will be charged.

**\*\* Be a responsible dog owner \*\***

## MOSQUITOES

Mosquito numbers within our Shire are always an issue. Council baits pools of water and undertakes regular fogging of the Tambellup townsite in an effort to reduce the mosquito numbers.

**It is proposed to commence fogging in the Broomehill townsite during the week commencing 10 November. Fogging is only undertaken when weather conditions are suitable, ie calm evenings. If you have any queries regarding this process, please contact the Shire on 98253555.**

Rainwater tanks can become breeding sites for mosquitoes that can cause severe nuisance and carry serious diseases. The Department of Health have advised that the most common mosquito found to breed in rainwater tanks is a proven carrier of Ross River virus. To prevent mosquito breeding, guttering and piping should be self draining or fitted with drainage points. Water should not be allowed to pool under the overflow outlet or tap as these can become mosquito breeding sites. The tank should be a sealed unit to prevent mosquitoes entering. The inlet and overflow should incorporate a mesh cover to prevent access by the mosquito.

To stop mosquitoes breeding add a teaspoon of food grade paraffin oil (in small tanks up to 1,000 litres) to the water. (The amount needed will vary depending upon the surface area of the water. A sufficient quantity to produce a thin film over the water surface is all that is required.)

## PROHIBITED BURNING PERIOD

**All residents of the Shire are reminded that the**

**PROHIBITED burning period commences on**

**1 NOVEMBER 2008 and continues through until**

**14 FEBRUARY 2009 inclusive.**

For more information please contact your

Brigade Fire Control Officer, Chief Fire Control Officer, or the Shire.

## COUNCIL MINUTES

Minister for Emergency services, Rob Johnson and Tambellup Volunteer Emergency Service member, Bryan Trezona receiving the award for outstanding services.

## Tambellup V.E.S.U CONGRATULATIONS

Tambellup V.E.S.U has been rewarded for its courage and dedication to their community.

At the awards ceremony in Perth on October 3, Bryan Trezona accepted the award on behalf of the Tambellup V.E.S.U for being a consistently outstanding unit and valuable contributor to the local community.

Emergency services minister Rob Johnson said all nominees should be proud of their efforts and the winners reflected the high calibre of service the volunteers provided. "Their ongoing commitment and willingness to answer calls for help day and night is an invaluable asset to local communities"

A huge thankyou and congratulations is extended from the Shire of Broomehill—Tambellup and the residents to all of the volunteers who participate in the V.E.S.U. your dedication to the community does not go unnoticed.

### *Marie Burges*

Marie Agnes McEncroe was born on 11<sup>th</sup> January 1919 in Perth where she grew up and later completed an Arts Degree from the University of Western Australia. With the advent of World War II, she embarked on a nursing career which later brought her to Katanning. as the Matron of Katanning Hospital, together with Dr Doug Pope, she established the first Maternity Ward. Following her marriage to Bert Burges in February 1954, Marie became an enterprising farmer's wife and mother to three at "Burlands" in West Broomehill. She loved the land and its flora and birdlife. Her keen interest in farming matters continued after even Bert's death in 1978 (and the lease and eventual sale of the farm)

You may not have known Marie personally, but you would have recognized her in the stylish hats (and gloves) she wore to church and town – often her own creations, as were the clothes worn by the family. Marie was committed to her faith and church as well as other involvements over the years. She enjoyed people as well as reading extensively and listening to her favourite ABC National programs. Her funeral service was conducted in St Patrick's Church, Katanning.

## Landholder Opportunities – Carbon Capture

The Forest Products Commission – Synergy partnership was launched at the Forest Products Commission property in West Arthur in October. This partnership which will see the FPC grow trees to offset the carbon produced by Synergy in the production of electricity. Planting will start next year and the FPC is currently looking for landholders who wish to be involved.

Their 2009 targets are for plantings of 1400H in the greater Albany region and 1000H in the Katanning area. Both block and belt plantings are planned with a number of species being used.

They indicated that farmers could expect to be paid approximate land value for being involved in this enterprise. And this may not be the only avenue for making money from these plantings. For further details contact the Forest Products Commission Katanning office. (Ph 9821 3208)

## CURTIN VOLUNTEERS IN BROOMEHILL

Fourteen volunteers from Curtin University visited Broomehill for their annual John Curtin Weekend on 18<sup>th</sup>-19<sup>th</sup> October. They were enthusiastic and helped the Broomehill Community Liaison Group erect signs and fences along the Holland Track Heritage and Nature Trail which starts at the Holland Track memorial on Great Southern Highway and passes through town to the start of the Holland Track.

Thanks to the volunteer's efforts, you can now clearly see the 100 year old rose bush which was planted in the station master's garden next to the railway line. Watch out for more signs along the trail which are coming soon. The volunteers also tidied up some of the town's gardens and mulched the shrubs in the Living Guestbook near the Caravan Park.

The BCLG thanks Burt Anderson for his donation of jam posts, Fozzie for hardware supplies, Boot Rock Bobtrack for their bobcat work, Brian Coles for his site preparation, as well as Craig Bignell and Greg Holly for their assistance over the weekend. Thanks too, to the Shire of Broomehill-Tambellup for their continued support of our projects.

We look forward to next year.

### **B.K&D GARDEN CLUB NOTES**

The Club's October meeting was held at Sue Wheatley's home with a good attendance of members.

In response to a letter from the catering committee of the Relay For Life our members are providing table decorations for the survivors afternoon tea using a yellow theme as requested.

Discussion for the Katanning Show took place with some members offering their assistance to set up and act as stewards on the day.

Gerry reminded members of the Secret Garden Trail to be held - hopefully we might have a report on this next month.

As usual at this time of the year our members are called upon to judge at local surrounding shows, Margaret Wise and Hazel Westbrook judged at Tambellup, Sue Wheatley and Ailsa Thomas at Kojonup, The Dumbleyung Bluebird Festival are also requesting judges no doubt we will once again help out.

Competition results for October were : *Floral Art (display only)* Amy Parnell, Pam Garlick and Gerry Watson; *Flowers (sweet peas)* 1. Ailsa Thomas 2. Helen Bignell 3. Bess Parrott. *Tree or Shrub (variegated Foliage)* 1. Bess Parrott 2. Pam Garlick 3. Helen Bignell. *My Best Flower* 1. Sue Wheatley (bearded iris) 2. Ailsa Thomas (perennial status) 3. Sue Wheatley (bearded iris). *Fruit or Veg (rhubarb)* 1. Anne Rees 2. Helen Bignell. Pot Plant, 2. Ailsa Thomas. Daphne Kerin won the raffle.

Jobs for October/November : Liquid feed ferns fortnightly in spring and summer.  
Take fresh chrysanthemum cuttings.  
Plant out tomatoes once the danger of frosts has passed.  
Prune shrubs damaged by earlier frosts.

Late news : Well the show is over for another year and despite the weather leading up to Saturday we still managed to accomplish a reasonable display, Judges from Perth were very impressed with the high standard and quality of floral art and the iris section proved quite a task for the judge. Helen Bignell gained most points in the floral art. Cindy Westbrook won the iris championship and Sue Wheatley scored most points in the iris's.

Other trophy winners were Ailsa Thomas, Judith McDougall, Bess Parrott and Amy Parnell, congratulations all.

The November meeting will be at Broomehill at the Henry Jones building, anyone wishing to car pool, we will be leaving the Katanning Shire car park at 1pm sharp.

We look forward to seeing you in November..... Ailsa.

# TAMBELLUP AGRICULTURAL SOCIETY

The Tambellup Agricultural Society Committee wish to express their sincere thanks to the community of Tambellup and surrounding communities for attending, participating, volunteering, exhibiting, sponsoring, donating, displaying and making the Tambellup Show Day a fabulous day out for the entire family.

The Committee wishes to thank "Healthway" – Promoting the Act-Belong-Commit message and the "Bendigo Bank – Tambellup Cranbrook Community Bank" for the substantial financial support to enable the committee to provide great family entertainment being the "Outback Show" and the kids interactive games. Without the support of the whole community either financially or in-kind it would be impossible to provide such a Show. 2009 will see the Tambellup Agricultural Society celebrate its 85<sup>th</sup> Annual Tambellup Show, so to make it happen we hope that the community of Tambellup will rally together and be able to bring to life yet another fabulous Show.

We would love to have your feedback both positive and constructive so that we can take your ideas into consideration for future Shows. Please phone the president Jenni Bradshaw on 9825 1041, Secretary Jenny Cristinelli on 9825 1159 or any of the committee members to let us know what you loved and what you would like to see changed or included for next year or perhaps you would like to attend the Post Show meeting on Tuesday the 11<sup>th</sup> of November, at 8pm at the Telecentre to give us your ideas. All are welcome to attend.

## Trek Visit

Students and staff had a wonderful time yesterday when Doopa Dog, Chris Mills from GWN and their company of decorated cars, character drivers, support staff and cadets from John Septimus Roe College visited the school on their Trek

around the south of the state to raise funds for childhood cancer research. Students enjoyed a variety of novelty games, dancing with Doopa and were given fun gift packs by the participants. The weather could have been a little kinder (especially on the staff)

## Last Assembly of Term 3

The Junior Room hosted another wonderful assembly in Week 10 of last term. The Middle Room showed us aspects of our school focus on the RESPECT attributes ( *R*espect, *R*esponsibility, *E*ngagement,

*S*elf-esteem, *P*ride, *E*nterprise, *C*ompassion, *T*olerance ) in action, the Junior Room rock 'n' rolled us and we enjoyed celebrating a range of student achievements.

Senior Room won Lords of the Uniform for most students in uniform throughout the second half of the term, the Junior Room won the tidiest bags award and the Student Council Student Award went to Toby Batchelor. Merit Certificates were awarded to: Kate Drake-Brockman, Brooke Thornborough, Rebecca Holmes, Jack Batchelor, Miles Barritt and Jess Drake-Brockman. RESPECT Certificates ( Compassion ) were presented to: Siobhan Blackburn-Kane, Kyle Ricetti and Raiha Eveleigh.

Jessica Drake-Brockman and Kellie Altus were recognised for their nominations in the prestigious district-wide Vi Barham awards.

## 2009 Enrolments

We are still hearing of families who are moving to the local area or who are here and have not contacted the school regarding enrolments for next year. If you know of families who will be joining our school next year, please encourage them to contact us. If your children will not be attending next year, please let us know.

## Broomehill P & C News

Many thanks to those who baked supplies for the Wallinar Ram Sale day. A special thankyou to Jo Taylor who ran the day.

Just in case you find any mistakes in this edition, please remember we put them there for a reason.

We try to offer something for everyone. Some people are always looking for mistakes and we aim to please.

## Historical Society

Our next meeting will be held on Thursday 27th November, 9am at the Henry Jones Winery & Café.

Come along and help us preserve our history.

## Katanning Runaway Bus 2008

### School Holiday Fun

The Great Southern Development Commission will again be funding the Katanning Runaway Bus in January 2009. The service to Middleton Beach from Katanning via the Great Southern Highway provides teenagers with the opportunity to go to the beach, or spend time in Albany, particularly if their families are not able to go away on a holiday.

The service will run on Tuesdays 6, 13, 20, 27 and Thursdays 8, 15, 22, 29 January 2009 for the very reasonable price of \$5 per trip. The coach will collect participants from Wagin, Woodanilling, Katanning, Broomehill, Tambellup, Cranbrook, Kendenup and Mt Barker at designated times.

The coach has four drop off points, the cinema, town centre, indoor pool at the Albany Leisure and Aquatic Centre (15 yrs under \$3.30, 16 over \$4.20, an extra \$3 for the use of the pool slide) and Middleton Beach. The coach then collects participants at an arranged time to be taken to an alternative location if desired. For example, participants may want to go to the beach in the morning then to town in the afternoon.

The coach is capable of seating 46 teenagers and boogie-boards or skate boards. The odd bicycle may even be accommodated.

TOWN	LOCATION	PICKUP TIME	DROP OFF TIME
Wagin	Westrail Bus Stop	7:00am	7:00pm
Woodanilling	Caravan Park	7:40am	6:20pm
Katanning	Westrail Bus Stop	8:00am	6:00pm
Broomehill	Westrail Bus Stop	8:15am	5:45pm
Tambellup	Westrail Bus Stop	8:40am	5:25pm
Cranbrook	Back of Shire Office	9:10am	5:00pm
Kendenup	Westrail Bus Stop	On request	
Mt Barker	Westrail Bus Stop	9:40am	4:30pm
Albany	CBD (bus stop at Emelie Way)	10:15am	4:00pm
Albany	Middleton Beach	10:25am	3:45pm

Parents should be aware that the service is provided for 14 -18 year olds and that no supervision will be provided. The teenagers will be responsible for themselves. Upper primary and 13 year olds can participate in the program but MUST be supervised by a parent or guardian. All participants will be required to have their parents/guardians sign a consent form to cover them for all trips and therefore should see the bus driver prior to departure.

All Participants must ensure they are waiting at the departure points on time as no responsibility will be taken for those who miss the bus. Enquiries should be directed to Karina Taylor on 9844 9540.

Sponsored by the Great Southern Development Commission, participating Local Shires and Radio West.

### Broomehill Historical Notes

*Quite a few years ago Shirley MacDonald began to work through the diaries of her Grandfather, Thomas Norrish (TN) which he wrote when he first came to Eticup to take up farming and the diaries of William Henry Graham (WHG) who was also one of the first pioneers of the Eticup district. Shirley collated all the information both in alphabetical and chronological order. There are many wonderful pieces of information and anecdotes in these diaries and we are proud to share them with the community each month.*

**Knight** – Church of England Minister, from Katanning. On 21<sup>st</sup> February 1907 the new Minister called at Sunnyside: he had taken Mr Caton's place as Mr Caton had gone to Beverley. Mr Knight called at Sunnyside twice in July, August and September 1907. On two occasions he was on his way to Birt's (west of Tambellup) for the Church service the next day (Pindellup Church?). On 22<sup>nd</sup> July, TN gave him the Eticup Church accounts, £6.6.6 for Church funds, and his resignation from the Church Committee. On 2<sup>nd</sup> September, Dr Parrish was with him and TN went with them to see old Mr Nelson at Nat's place.

**Knight, William Grylls** – One-time Mayor of Albany. Married Ann Augusta McKail and his son Henry married Louis Van Zuilecom's daughter Caroline. Visited Gobrup with Lady Campbell and also went to Fairfield. In December 1883, TN wanted Green the painter to go with him to see Mr Knight about the painting at Sunnyside badly done, but he refused to go; another painter was organized to re-do the work. In Albany on one occasion in 1884, Lady Campbell complained to TN about the condition in which he had left Gobrup, and said she would take the matter to her lawyers if TN did not meet her at Mr Knight's. Quite unfazed, TN suggested the next day and Mr Knight decided in his favour, saying Gobrup was in good order after five years wear.

**Koch, Alfred** – Married Edith Maud Bishop on 12<sup>th</sup> May 1905 and left (departure place unknown) for Broome Hill the next day, where he built the first town bakehouse. It was a tiny galvanized structure, and several older Broomehill residents thought that it was in Jasper St but cannot pinpoint the location.

Overington's were the first proprietors of the Bakery in the Jones' Building in 1911 and an Overington descendent has an old invoice headed Overington & Koch, with Koch crossed out. This ties in with the knowledge that Overington had a bakery in Jasper St before moving to India St, and also with the possible date of Alfred Koch's death.

On 19<sup>th</sup> February 1907, TN drove to Broome Hill with 30lbs (13.62kg) of peaches for Mr "Cotch".

The Koch children were Doreen, Alfred, and Minna. Alf Koch died from Typhoid fever when his wife was carrying Minna, supposedly in Broome Hill, but there is no record of his having been buried here or Katanning.

**Krakouer** – Family of Theodore Krakouer and Brina Israel. The sons who lived in Kojonup in the 1880s were all known to settlers of Eticup.

**Krakouer, Abraham** – Eldest son who had a store in Kojonup. Called at Gobrup on 2<sup>nd</sup> September 1881 and not mentioned again until 19<sup>th</sup> January 1889 when he and Mrs Newstead called at Sunnyside on their way to catch the train to Albany.

**Krakouer, David** – In partnership with Rudolph in the store at Eticup and then in Broome Hill and a member of John Holland's team cutting the track to the Goldfields in 1893.

**Krakouer, Phillip** (believed to Chub) - On 2<sup>nd</sup> February 1886, Chub Krakouer brought the mail from Kojonup. By 1890 he was living in Broome Hill with his brothers Rudolph and David and on 23<sup>rd</sup> December 1890 he accompanied TN on his inspection of the fencing done at Gobrup, apparently working for Rudolph. If he was left in charge of the Store when Rudolph and David joined John Holland's team and there was, in fact, a fire, then his partnership with David after the expedition carrying goods from Albany to the Goldfields suggests the store had been abandoned.

### Can you help???

Hi my name is Ernie Polis and I am currently researching a project which will result in a publication in the very near future.

The project is related to German and Italian prisoners of war who were captured in North Africa during World War Two. Many of these POWs were sent to Australia in 1941-1943 to be kept under guard in up to 18 POW camps through out Australia.

One of these camps was No 16 POW Camp at Marrinup, near Dwellingup it was operational from July 1943 until August 1946 when the Camp was closed and the POWs were repatriated back to their homelands. The 300 German POWs were always kept at Marrinup; however the Italians were allowed to work on farms in the rural regions of WA. Up to a maximum of 3 POWs were allowed to a farmer to help him run the property and they were hired out at a rate of one pound, later two pounds per week.

Most of the 3,500 Italian POWs in WA were allowed to work on farms and they were administered by the Army which set up a HQ in various rural towns. This was allowed under the "Employment of Italian POWs without Guards Scheme" modelled on the operations in Vic, NSW, SA and Tas. The Army occupied vacant premises in various towns and they were called Prisoner of War Control Centres. There were 28 PWCCs throughout WA and one was located at Tambellup, I have very little information on the Tambellup site which was officially known as PWCC No 5. The other closest PWCCs were Nos W4 at Kojonup and W6 at Wagin.

The most northerly PWCC was at Three Springs, the most easterly was at Newdegate, the most southerly was Tambellup and the closest to Perth was at Toodyay. The first was at Bridgetown and the last at Northcliffe. These PWCCs were an important part of rural production during WW2 and many ex POWs returned to WA after the war to settle in the districts in which they were formerly employed.

From my research so far it commenced operations on 11 March 1944 and ceased operations on 30 May 1946 when all 150 Italian POWs employed in the Tambellup district were sent to the Northam Army Camp for repatriation back to Italy in September 1946. The first Commanding Officer of PWCC No 5 was Lt Huffer until 23 July 1944 when he was replaced by Lt HV Mountain who was CO until 14 November 1944; he was replaced by Lt WO Gribble who commanded until 1 September 1945. Capt L Morrish then took over until the PWCC closed, also attached were other Army personnel such as WO 2, 2IC in the opening stages and Cpl DJ Couani the Army interpreter.

I know very little else about the Tambellup PWCC and what I would like to know is where was the PWCC located, what sort of building was it, is it still there, does any one have photos of it taken during WW2, are there any residents of the Tambellup district that recall these events, remember the Army staff, remember any of the POWs and importantly have any photos of anything related to the POW episode of Australian war time history in the Tambellup district.

Many thanks and regards

Ernie Polis

## **BROOMEHILL 2008/09 BOWLS**

The Bowls season is once again with us with Opening Day and the first pennants fixture falling on the 25<sup>th</sup> and 26<sup>th</sup> of October. In recognition of his great service to the club since becoming a member, Bob Vesey was afforded the honour of putting down the first bowl on Saturday as players competed for the Dick & Edna Heron Trophy. It was great to be back into the swing of things with 15 players turning up for this fun event to break the ice. Jim Paganoni was back to some of his best form to win the day with Bob Vesey also putting in a solid performance as runner-up.

Pennants on Sunday was an all in event at Gnowangerup with all league teams playing at the one venue. Broomehill took on Nyabing in a semi finals rematch from last year with Nyabing looking the goods at the break leading on two rinks with only Jim Paganoni's side ahead. Credit to both John Dye's and Ross Thomas's sides for coming back strongly after the break with Broomehill winning all three rinks as Jim's side continuing its earlier good form to also record a strong win with Broomehill taking the points 6/0 for the day.

The hard work put in by the club members during the off season has seen the green come up really well again and although a bit slow on Saturday after a lot of rain last week it is looking like being an absolute pearler again this year. Congratulations to Jim and his band of helpers again for a job well done.

Social bowls will once again be a feature and we are looking forward to good numbers again this year, and hopefully some of you social bowlers may like to step up and play some pennant bowls as well.

Why not come along and have a go, contact Bob Vesey on 9824 – 1405 or John Dye on 9824 – 1329 for more details.

On a sad note the Bowling Club would like to pass on the condolences of all members to the family of Norm Winspear who passed away on Sunday 19<sup>th</sup> October 2008. Norm was a foundation member of the Broomehill Bowling Club which commenced in 1962 and was a regular pennants player until retiring in 2004. Norm was a keen and loyal supporter of the club always attending busy bees and functions, and he was a regular pennants player during more than 40 years of involvement with the club. Our Best wishes to Norm's wife, Iris, daughters Norma and Debbie and sons Bill and Kevin.

## **Broomehill Darts**

All 3 Broomehill teams were in their respective Grand Finals. Unfortunately the Ladies lost theirs as did Broomehill Blue Mens team. The Mens Red team won their Grand Final – well done fellas!

Thank you to every one who supported the Dart teams through the year and we look forward to another great season in 2009.

## BROOMEHILL CRICKET CLUB NEWS

Our season is well underway with training starting two weeks ago. Numbers are very good this year with numerous new players and old heads back again. Charles Russell is our Captain again this season leading the side from the front. Let's hope we can get three flags in a row this year.

*Training is every Thursday night at 6pm at the Complex and every-one is welcome.*

### JUNIOR CRICKET

Junior cricket this year has started with outstanding numbers so far. This season we will be playing an Under 13 side in a competition with Katanning, Cranbrook and Kojonup. With such good numbers it will be great to have a Junior side represent Broomehill again. Gerard Paganoni and Doug Barritt will be running this side and fixtures are still to be finalized. I will be coaching the younger Inter Cricket Kids with help from the Senior side.

*Junior Cricket training is every Thursday from 4.00pm at the BH Complex with everyone welcome to come and join in. Contact details are as follows;*

#### Co-ordinator:

Anne Guazzelli - 98241309

#### Under 13 Cricket:

Gerard Paganoni - 98241338/0428241338

Doug Barritt - 982412261

#### Junior Inter Cricket Kids:

Brant Dennis – 98241214/0409086093

Let's all have an enjoyable and successful year in all levels of the Broomehill Cricket Club.

Community Physical Activity Project

### Water Aerobics Sessions

The Shire of Gnowangerup through its Active 08 program is pleased to offer the community the opportunity to participate in its new Aqua Chi and Deep H<sup>2</sup>O Body Pump Aerobics classes which will take place at the Gnowangerup Swimming Pool this summer.

**Aqua Chi** is a great low-impact alternative to land aerobics and is especially good for people with joint problems or minor injuries. Each class will consist of cardio, muscle strengthening and relaxation elements and will be conducted in shallow water.

**Deep H<sup>2</sup>O Body Pump** is a fast paced, high energy class that will improve participants overall fitness while building muscle strength and tone. Each class will be conducted in shallow and deep water with all flotation and resistance equipment to be provided.

Participants will need to bring bathers, towels and water bottles with them to each water aerobics session and multi session passes will be available.

The first sessions will take place on **Tuesday November 18** and will continue until Christmas and then again in the new year until April. Please contact Kellie Patterson at the Shire of Gnowangerup on 98271007 for more information or email [stro@gnowangerup.wa.gov.au](mailto:stro@gnowangerup.wa.gov.au).

## Congratulations

and well done to our very own **Penny Squibb** who participated as a member of the WA state under 15 's girls hockey side. They won the National championships in Newcastle through the October school holidays. What a great achievement for Penny we are all very proud of her.

## B'hill tit bits !

It was remiss of me last month not to mention 'A job well done and a Thank-you' to **Melanie Turner** for Editing the Broomehill News for the last 5 years. Melanie has been very supportive in helping us with implementing new ideas for the BT Times.

Congratulations to **Scott Thompson, Kym Crosby, David Kempin & Melanie Turner** who were 'Sworn In' as the first Councilors of North Ward last Wednesday. Kym discovered very quickly that the job started straight away, as he & Melanie dashed back for the Complex AGM.

October seems to be the Wedding Month of the year or at least thinking about it. **Robinson—Holzknecht**; Gail, Martin, Norma and John have great pleasure in announcing the engagement of **Kelly and Buddy**, love and best wishes from both families. While **Brant & Treena Dennis**, who were married in April, have just returned from Italy and **Nathan & Mel Haynes** from Queensland, both had a wonderful time on for their respective Honeymoon's. Then with a number of Anniversaries celebrated recently, the milestones were **Peter & Anne Guazzelli** with 15 years, **David & Jo Kempin** having reached 21 years (& still waiting for the Honeymoon).

A gracious lady and long standing member of the Broomehill community was laid to rest in Katanning on October 3<sup>rd</sup>. **Marie Burges** had passed away peacefully on September 30<sup>th</sup> in the Kojonup Hospital. We pass our sympathy on to her family – Peter, Michael, Margaret and Doug and her granddaughters Ella and Claire.

Welcome to **John 'Mitch' & Janette Mitchell** and their daughter **Hayley** to B'hill, moving from Roebourne, they have taken over the Imperial Hotel. Also to Bob & Jan Vesey's daughter, **Sharon Dodd & her partner Steve Oten**, who have moved to B'hill and have bought Nelson's Drycleaning in Katanning.

**Bob Vesey** is very proud of himself, he can now call himself a 'true blue-blood squatter' (his words) as he has delivered (& been paid for) his first Wool Clip..... all 3 bales !!!

**Melbourne Cup Luncheon**- a fundraiser for the *Royal Flying Doctors Service*, at the Broomehill Complex on Nov 4<sup>th</sup> from 11am. \$10 plus a plate of food (savory or sweet) to share with every-one, we did this last year and it worked very well. Blokes are welcome to join in the fun. Tables of 8 will be set up, so make up a table or just came along and join in. We hope to have another very entertaining 'Broomehill Cup' race between the Red Hatters & the Younger Mums, with a special 'Teddy' race for the under 4's. So if you have a 'hobby horse' hiding under a bed or in a cupboard please drag them along. Come along and support the day and if no-thing else we can promise a good laugh. Phone Jo Kempin ph 98241220

The Bowling Club are starting their **Friday Evening Roll-Up** again, every-one is welcome, especially beginners, from 5pm every Friday till Christmas. For more Information contact **John Dye** on 98241329 or **Ross Thomas** on 98241092

The BRCMC invites your nominations for the **Ross F Thompson COMMUNITY PERSON OF THE YEAR AWARD**. Nominations are for individuals who have made a Note-worthy contribution over the past year, and/or Given outstanding service to the community over a number of years. The Nomination Forms are available from the Post Office or the Secretary and need to be submitted to the BRCMC Secretary, Jo Kempin by the 30th December 2008.

### News Just In.....

Congratulations to **Andrew and Donna Woithe** on the birth of their beautiful daughter **Katelin Laura** born October 28 in Katanning, 8lb 2oz and 52 cm. Everyone well and happy.

**Coming soon to Katanning!**

*Take up the challenge and get your team together and start raising funds to fight cancer.*

*Don't miss this opportunity, be part of this unique and inspirational event.*

Relay For Life is not just a fundraiser – it's about being a community that takes up the fight. It is the world's biggest fundraising event for cancer is now held in over 2,500 locations worldwide. In Australia, Relay For Life continues to raise millions of dollars annually for cancer research, education and patient services.

Relay For Life events are now held in Bunbury, Merredin, Perth, Narrogin, Geraldton, Exmouth & Miling, Albany, Mandurah and Karatha staged their inaugural Relays in 2007. In 2008, it will be the launch of Relay for life in Katanning! Since the first Relay in Western Australia in 2001 Relay For Life has raised \$3,700,000 for our loved ones touched by cancer.

**The 24 hour overnight event** was created because cancer never sleeps. The 24 hours of Relay For Life honours Survivors and their caregivers and remembers loved ones lost to cancer. Relay offers fun with the challenge of completing the walk or run style relay with your team members.

**Tell Everyone.** Participants and visitors all enjoy the fantastic carnival atmosphere created by the teams camping out, getting into fancy dress, decorating their tents, the live entertainment, children's games, prizes and the wonderful sense of supporting a worthwhile cause.

**Ceremonies:** The Survivor's Walk is one of camaraderie and celebration, honouring the courage of those who have defeated cancer. The Candlelight Ceremony of Hope and the thousands of candle tributes placed around the track allow people to work through grief and find the power of hope.

**RELAY FOR LIFE is a wonderful 24 hours  
you'll remember for a lifetime!**

# Monthly

## Novembers the month for **MOVEMBER**

Yes its that time of year again when the pink paraphernalia is out the window and men show their stuff.

[www.movember.com.au](http://www.movember.com.au)

Is a not for profit, charitable organisation that raises money for men's health issues with a focus on Prostate Cancer and Depression in men.

The rules to Movember are easy—

1. Register on the above website
2. Clean shave on 1st of November
3. Ask for donations from friends, family or work buddies.
4. At the end of the month, send the donations in.

Check out the website for other ideas on how to host a mo town party, or how would you look with a mo?

Send in your photos to the BT Times for publication in the December 2008 issue.

## Book Review

### 4 ingredients

This recipe book is a must for everyone who needs to save time in the kitchen, money at the grocery store or if you just want to try something different.

Cooks Rachael and Kim have produced this book with all recipes using 4 or less ingredients—now what could be more simpler???

The books are available at all bookstores or you can go online to purchase either the first or second edition at [www.4ingredients.com.au](http://www.4ingredients.com.au).

## EXERCISE ON A BUDGET

“He who has health has hope, and he who has hope has everything.” -Arabian Proverb

If you're on a budget and don't have any room for extra exercise equipment, you're in luck. You don't need any equipment to get a great workout, provided you work hard. A number of exercises require nothing more than your body. Some good music to workout to helps, too: For cardio, you can do jumping jacks, jogging in place, side steps, knee lifts, power squats or anything that gets your heart rate up. For Strength try doing bicep curls using milk bottles filled with sand or try triceps dips using a chair.

## HANDY HOME HITS

**BALOONS**—Party Balloons are easier to blow up if they're submerged in hot water for a few seconds beforehand.

**CASTER SUGAR**—If you run out, ordinary sugar can be ground fine enough in a blender or food processor to substitute.

**FRAGRANT FEET**—Put a pinch of bicarbonate of soda in your shoes each day before you wear them. It's simple, cheap and very effective.

**TO REMOVE A SPLINTER**—From a young child, put a little teething gel around it to numb and soften the skin.

## EASY MACARONI CHEESE

400 G MACARONI

### Worm Egg Counts

Don't resist an integrated parasite management plan.

Give your sheep some hope, put it under the microscope.

Yes its smelly yes its poo, but autumn worm egg counts are the best job to do.

How big is that burden? Measure with a WEC. Count worm eggs, count the savings.
