COMMUNITY NEWS

Thank you

Thankyou to Aileen, Trevor and Vanessa from St John Ambulance for your assistance after Celia's fall suffering a broken hip and arm on September 9th.

Also thanks to Anne-Marie Lockyer for her help before the Ambulance arrival and after, also a big thanks to everyone who has wished her well, she is still in Albany rehab and hoping to be home when you read this.

Thanks again

John and Celia Harmes

I would like to say THANK YOU to those people that contributed to the "**CARE BAGS BECAUSE CHILDREN IN CARE MATTER**" donation drive I recently conducted.

I recently delivered these bags to Perth to Care Bag Headquarters to where these bags will be distributed throughout WA once checked to meet all necessary guidelines before going to children in need. These children are given these bags to have a sense of belonging in their new environment and have the sense that people care about them as they are deal with traumatic experiences.

With the world crazy with everything that is happening these children will be forever grateful! While delivering these goods I also collected 8 care bags to deliver in Albany to help 8 smiley faces as they receive them.

I will continue to be a drop off point for these bags and if you missed out on being able to give then don't worry as they are forever in need. I will continue to be a drop off point if you want to give to this cause. Feel free to message me or contact Betty Hull to get in contact with me.

THANK YOU ONCE AGAIN TAMBELLUP COMMUNITY

A Day Will Come
Poet: Julie Herbart.

A day will come in every life, When appreciation is rendered And this should be taken seriously And given with love and tender Anyone who deserves appreciation Must have done something great. So share with them the way you feel, And always treat them right.	But keep in mind that appreciation, Should be given again and again. If you truly appreciate You'll remind them how great they've been. Do something special to thank the ones, Who made a difference to you But don't forget to thank them again For every thing they do.

Thankyou, Thankyou, Thankyou

We express our gratitude and our highest appreciation
to all our friends who celebrated our special day
Thankyou to those that went above and
beyond

Special thankyou Gloria ,Pip and
Pauline

Special thankyou to all the
Denmark People
A day John and Alice will always
hold close to our hearts.

THANKYOU

We would like to give a huge thankyou to our many wonderful
friends from Tambellup and Denmark who made our Wedding
day at Denmark Surf Club such a relaxed and wonderful day.
So much work went into the event from behind the scenes get-
ting it re-organised after the Covid-19 delay of the first date.
So thank you everyone and hope you all had an amazing day, just
like we did.

The next Ordinary meeting of Council will be held on **Thursday 15 October 2020 commencing at 4.30pm**, at the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings, however social distancing requirements limit the number of people able to be present. If you plan to attend a Council meeting, we encourage you to contact the Shire on 9825 3555 to register before the meeting.

Questions for Public Question Time are welcome, and can be emailed to mail@shirebt.wa.gov.au by 12.00 noon on the day of the meeting.

COVID-19

Don't become complacent - keep yourself and your family members safe, by continuing to implement the following measures:

- practise physical distancing (keep at least 1.5 metres or two arms lengths from each other)
- practise good personal hygiene (wash hands often with soap and water, or hand sanitiser and cover coughs and sneezes with a tissue or use your elbow)
- stay home if unwell, and if you are experiencing flu-like symptoms, get tested for COVID-19
- download the COVIDSafe app – available at the following link:
<https://www.health.gov.au/resources/apps-and-tools/covidsafe-app>

It is recommended you rely on reputable sources of information for updates as the matter evolves, including:

- WA State Government COVID updates - <https://www.wa.gov.au/government/covid-19-coronavirus>
- For COVID-19 fact sheets and FAQs - <http://www.health.gov.au/resources>

FROM THE COUNCIL MEETING

Council granted a rates concession to the Tambellup Business Centre for 2020-2021. The Tambellup Business Centre is a not for profit organisation managed by a volunteer committee that provides storage and office facilities for businesses as well as start-up assistance for new businesses.

Council was required to nominate new delegates to the Great Southern Treasures committee and the Great Southern Recreation Advisory Group following Cr Holzkecht's advice that she was no longer able to continue in these roles. Cr Nazzari was nominated as delegate to Great Southern Treasures, and Cr Barritt was nominated as delegate to the Great Southern Recreation Advisory Group.

Council approved a planning application for the installation of sponsorship signage at the Tambellup Community Pavilion bowling green.

Council will advise Main Roads WA that it supports a request for the RAV rating for Fletcher Rd and Graham Rd to be amended to RAV 4.

Council accepted a tender from Downer for the provision of bitumen services for the 2020-2021 roads construction program.

STAFF UPDATE

We were pleased to welcome Bronwyn Winmar-Williams to the Shire recently. Bronwyn is completing a Business Traineeship at the Tambellup CRC, and is working with the Shire one day per week as part of her placement.

We are also pleased to advise the Youth Worker traineeship has been awarded to Jacki Harmer. Jacki commenced her role early in September, and through Impact Services, is working with a variety of agencies who are delivering programs in Tambellup for youth and families.

We appreciate the support shown for this new position by Nicki Polding, Relationships Australia, Baldjamaar Foundation, Tambellup CRC, South Coast Natural Resource Management, Tambellup Primary School, and Tambellup Police. The initial 12 month position has been funded by the WA Police Community Crime Prevention Program, Tambellup Noongar Lad Association and the Shire of Broomehill-Tambellup.

WORKS

Prior to the September Council meeting, a number of Councillors and staff carried out a road inspection across the Shire. This annual activity provides all Councillors with an opportunity to inspect works that are underway or planned, and also areas where residents have reported concerns, to better understand the issues that are being discussed.

The construction crew has recommenced work on Toolbrunup Rd, where a 7km section of failed pavement will be repaired and resealed. During September, clean up works were completed and culvert widenings are in progress.

Main Roads WA are currently working on reconditioning of the Martinup Rd bridge. Works include widening of the bridge, and application of a concrete overlay top. People travelling in the vicinity are asked to observe traffic management signage on site.

The Broomehill Transfer Station has received a facelift recently, with a new trench, driveway access and clean up completed. The old trench has been filled, and the general waste area levelled.

Work has commenced to remove broken kerbing in various areas around both towns, prior to replacement. This work is being funded by the Local Road & Community Infrastructure Program funding.

Spring equates to growth, and the opportunity to capitalise on recent rains and the warmer days has been taken to boost the health of our ovals. Both ovals have received an application of liquid fertiliser, and this will be followed up by an application of granular slow release fertiliser late in September. Coring of the ovals has been scheduled.

Solar pumping systems at CBH Dam and Jam Creek Dam have recently been repaired, and it is pleasing to see both are working effectively. Water is being transferred from both the Town Dam and CBH dams in Broomehill to the Complex Dam.

Maintenance grading has been completed on the following roads during September: Pindellup Rd, Sorrento Rd, Crosby Rd, North West Rd, Greenhills South Rd.

MOSQUITOES

And they're back! Mosquitoes are always an issue in our Shire during spring and early summer. Residents are advised that a mosquito fogging program has commenced in the townsites and will be carried out as weather conditions allow.

Rainwater tanks can become breeding sites for mosquitoes that can cause severe nuisance and carry serious diseases. The Department of Health has advised that the most common mosquito found to breed in rainwater tanks is a proven carrier of Ross River virus. To prevent mosquito breeding, guttering and piping should be self-draining or fitted with drainage points. Water should not be allowed to pool under the overflow outlet or tap as these can become mosquito breeding sites. The tank should be a sealed unit to prevent mosquitoes entering. The inlet and overflow should incorporate a mesh cover to prevent access by the mosquito.

To stop mosquitoes breeding add a teaspoon of food grade paraffin oil (in small tanks up to 1,000 litres) to the water. The amount needed will vary depending upon the surface area of the water. A sufficient quantity to produce a thin film over the water surface is all that is required.

WORKS REQUESTS

All residents and contractors are reminded that any works requests must be made through the Shire office to ensure they are able to be recorded and tracked for completion and invoicing. Please do not contact staff members directly.

Requests can be phoned through to the office on 9825 3555, or emailed to mail@shirebt.wa.gov.au. The relevant staff member will then be in contact with you to discuss your requirements.

We appreciate your assistance in this matter.

BROOMEHILL FIRE STATION

Work at the new Fire Station is complete, and we are just waiting for the connection of power and some landscaping to be completed before the Broomehill Central Brigade can move in. The Shire will be working with the Brigade to arrange a formal opening, which the community will be invited to. Watch out for more information in coming weeks!

ITS NEARLY BUSHFIRE SEASON AGAIN.....

As we head towards summer, all residents are reminded we are currently in the **RESTRICTED** burning period until **31 OCTOBER 2020**. During this period you are required to obtain a permit to burn before lighting any fires, and all conditions of the permit must be complied with. Permits to burn can be obtained from your Brigade Fire Control Officer, or the Community Emergency Services Manager, Cindy Pearce. Brigade contact details for permits are shown below.

The **PROHIBITED BURNING PERIOD** commences on **1 NOVEMBER 2020**, until **14 FEBRUARY 2021**. During this period no burning is permitted.

Community Emergency Services Manager	Cindy Pearce	0417 071 567
Broomehill East Brigade	Nathan Heron	0427 212272
Broomehill West Brigade	Ed Anderson	0428 221591
Broomehill Townsite	Neil Tears	0417 939 684
Tambellup East Brigade	Mario Cristinelli	0427 258 118
Tambellup West Brigade	Nick Lockyer	0429 104129
Tambellup Townsite	Laurie Hull	0428 251177

Residents are reminded of their obligation to minimise the risk of fire on their property – in particular, in townsite and urban land the height of any grass on the lot must be no higher than 150mm. Inspections will be commencing during October, and non-compliant properties owners will be requested to undertake works to reduce the hazard. For more information please contact the CESM, Cindy Pearce. Copies of the 2020-2021 Fire Break Order booklet which include details of all requirements are available at the Shire Administration offices if required.

HARVEST AND VEHICLE MOVEMENT BANS SMS SERVICE – ARE YOUR DETAILS ARE CORRECT!

Council offers a service to residents whereby you can receive notification of harvest bans and road closures by SMS. If you are currently registered for this service, it would be appreciated if you could contact Lesley or Pam at the Shire on 98253555 to ensure your details are correct. Similarly, if you would like to register, or no longer wish to receive these notifications, please contact the Shire.

DOG AND CAT REGISTRATIONS

Residents are reminded that all dog and cat registrations are due for renewal on **31 October** each year. Notification will be sent to owners of dogs and cats with registration expiring in 2020. Payment for re-registration can be made at either the Broomehill or Tambellup office. It is important to get your dog or cat registered and microchipped – this lets us reunite your family pets with you if they become lost. If you would like more information about dog and cat registration please contact the Shire on 9825 3555.

WILDFLOWERS

Have you been on a wildflower hunt this season? It is interesting to see the incredible of variety of wildflowers occurring within our Shire, and the impact a drier season has had on germination. The WA Visitor Centre has established Wildflower Tracker map on its website, and interested people are able to upload photos and locations of wildflowers they have discovered. This can be found at <https://www.wavisitorcentre.com.au/wildflowers>. Currently there is very little data for the Great Southern region. We would encourage those interested to have a look and contribute to the map if possible. Wildflower tourism is popular through the Wheatbelt, with their showy displays of everlasting and wreath flowers in particular drawing a great deal of attention. Wildflowers in the Great Southern are in most cases far more subtle, but no less impressive – you just need to get out of your vehicle to find them!

CUSTOMER FEEDBACK

The Shire of Broomehill-Tambellup welcomes feedback from its residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our administration offices – please note restricted opening hours;
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Fax us on 08 9825 1152; or
- Email us at mail@shirebt.wa.gov.au

Unfortunately we are unable to act on anonymous complaints. For all methods, please include your name and contact details so we are able to respond to you.

COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to www.shirebt.wa.gov.au and clicking on the “Our Shire” tab.

Keith Williams

CHIEF EXECUTIVE OFFICER

UPDATE FROM THE TAMBELLUP POLICE

Thank you to the vast majority of people who have been doing the right thing by each other in 2020. Despite a few minor issues, we should all be proud with how we are travelling as a community.

I've recently returned from a relieving stint in the East Kimberley and then a family holiday throughout our great state. I've been really pleased to see that SC Rob Adamczyk working in conjunction with the Broomehill-Tambellup Shire, the Tambellup Primary School, Tambellup CRC and various other partners have opened 'The Zone' for local youth. At The Zone, youth have the opportunity to engage positively with adults and each other. Currently there are various organisations running activities and programs at the Zone during the week. The program for The Zone and extended youth activities is continuing to be developed. I want to publicly congratulate Jackie Harmer, a former Tambellup resident, who was recently appointed to the Youth Trainee Position. This is great news for us to have someone with local knowledge and who has a passion to improve the fabric of our community. I also want to congratulate local resident Mark Coyne on being appointed the coordinator for the Tambellup Strong and Proud Program. I'm extremely confident that Jackie, Mark and all others involved (of which there are many) will make a real constructive contribution towards the lives of the youth in our community, so important!!

As previously mentioned by SC Rob Adamczyk, we have had a significant rise in the reporting of domestic violence incidents in the past month. Exactly why this is the case, we are still trying to determine? Despite these negative situations, it is very positive that people are willing and trusting enough to report these matters to us. Our priority is to be in a position where we can assist family's and couples first and foremost. I urge anyone who is struggling at home to reach out to us before the situation gets too tough. We are a solid conduit between you and support services who have the ability to assist you with whatever you are dealing with. **NO ONE** should be subjected to physical violence, emotional, verbal, financial or any other type of abuse or control.

Securing Farm Machinery –

- If necessary to leave machinery on site overnight, leave it in view of a farm house or highly visible area. Where this is not possible park out of sight of any passing traffic.
- Where possible, store farm machinery in a secure shed or enclosure – preferably in sight of a farm house.
- Disable equipment by removing the distributor cap, rotor or battery where necessary.
- Secure equipment with heavy chains and quality locks.
- **ALWAYS** lock vehicles and machinery.
- **NEVER** attempt to hide keys in a location nearby.
- **NEVER** leave valuable items displayed inside a vehicle or leave tools or other items scattered in vehicle trays. If a toolbox is attached, secure the contents with a quality padlock.

Livestock Theft –

- Keep all paddocks, shed and stockyard gates closed and locked.
- Use locking posts to obstruct large openings to yards.
- Ditches form a natural barrier. Cattle grids can be removed and locked out of position when not in use.
- If possible, locate stockyards/loading ramps away from public road and any entrance to your property. Ensure loading ramps are stored out of sight when not in use.

For further information see mla.com.au or agric.wa.gov.au

I'm sure most farmers are already ensuring these good practices, however this is just a timely reminder for you, to make it as hard as possible for crooks to take advantage of you.

Tambellup Family Daycare

You need a break

SET TO COMMENCE FEB 2021

A LITTLE ABOUT ME:

My name is Caitlin Willmott, I'm 22 years of age and have grown up in Tambellup my whole life and moved back after high school and a gap year in 2017. Tambellup is also where I met my partner, and where we will welcome our first child in October 2020.

Since I was a child, I've had a strong passion to work with young children and this passion has led me to open my own family daycare with the help and guidance of Wanslea Family Services.

I have casually worked for the Gnowangerup daycare since 2017 and have been the co-ordinator of the Tambellup service every Friday since 2019.

WHAT YOU CAN DO:

So, with this new venture of mine I need your help.

The service I will be providing will accommodate 4 children under school age (birth – kindy)

And also 3 school aged children (pre-primary – 12yrs old)

as you can see there will be limited spaces.

If this is a service you would be interested in for next year then please register your expression of interest with me either via phone or email. I would love to hear from you all.

Also tell me which days of the week you would like and what hours would best suit you so I can start the next process in getting the family daycare up and operating.

At this stage I'm hoping for enough interest to open 3 or more days a week.

The service will be held in the town of Tambellup

Broomehill Bowling Club Presidents Report 2019/20

In a season that was cut short by a global pandemic, I wish to thank all players for their participation last season.

Firstly, I wish to thank Dennis and Spider for their super effort in creating the new northern shade. This had been on the cards for numerous years and we finally got it done. It looks A grade and I've had nothing but positive feedback.

We had 17 bowlers represent our pennant side which was 2nd on the ladder when the season was cancelled. (At least we didn't lose the final). We finished with 7 wins, 3 losses and 1 draw.

I'd like to especially mention Nathan Heron, Ben Hewson, John Jenkins and Terry Urquhart for their involvement this year and we look forward to seeing you again next season.

Club events were very well represented this year and I believe it had an impact on our form late in the season.

The singles (12) champion this year was Robbie Cant and the Runner Up Charles Russell. Congratulations Robbie who bowled extremely well all day to secure his maiden crown.

The Plate winner was Dennis Ballerino and the Runner Up Tom Kempin.

The Pairs (10) winners were John Dye and Dennis Ballerino and the Runners Up were Greg Blake and Kevin Winspear.

The Triples Winners (9) were John Dye, Rob Cant & Kevin Winspear.

The 100 Up Singles Winner (12) was Charles Russell and the Runner Up was Ross Thomas

The Handicap Singles (8) winner was Charles Russell and Runner Up was Greg Blake

The League 2's and 4's was held before the shutdown. Not before time, we brought home some bacon with John Dye, Greg Blake, Robbie Cant and Tom Kempin taking out the 4's event. Congratulations fellas.

Unfortunately, the singles and triples were cancelled due to Covid restrictions.

Our Pairs Carnival was held on Sunday 23rd February which was again a great day had by all. Many old faces and plenty of new ones including the umpires. Big thanks to Julie Taylor and her team for catering this event.

The winners were Greg Blake and Bev Sanger and Runners Up Kevin & Maureen Heberle.

Congratulations to John Dye and Charles Russell who were selected to represent CSBL at the Round Robin at Emu Point and Charles gaining a skipper's birth.

As most of you know, our club and our league do not operate without our members travelling to other events around the state and I wish to thank all of you that attended carnivals throughout the year.

To our sponsors, old and new, we cant operate without them guys so please look at the signs around the green and support them when ever you can. Mention it while your there and you may be surprised with the outcome.

Huge thanks to House Captain Julie for providing the chooks for raffles and meals for club events during the season.

Finally, to my executive. Andy Webster - Secretary & Tom Kempin – Treasurer. You both had big shoes to fill but have passed with flying colors and I believe the club is in a really good position going forward.

2020 Broomehill Golf Club Captains Report

In a year that was delayed by the global pandemic, golf happened to be one of the lucky ones who were permitted to continue under revised playing conditions. With no access to the complex, we decided to venture on course and took the opportunity to clean up the course a bit. Thanks to everyone that contributed to the BBQ's & camp ovens this made for great comradery during some very uncertain times. 2020 saw an average of Five 18 holers play on a Saturday afternoon with a maximum of Eight. The 9 holers averaged 7 with a top of 14. With covid restrictions in place, we were unable to provide our creche facility this season which had a big impact on numbers, especially the woman. We plan to reignite this in 2021 and we hope numbers will improve.

Thanks to all those that turned up to the busy bee to get the course ready and those that helped mow, sweep greens and tidy up the course throughout the year.

Thanks to Gibbo for filling in for me as captain when I was away.

Thanks to the committee Ben, Trena and Gibbo for making the administration side of running the club so easy.

Thanks to all the golfers for turning up and playing. We gained quite a few new members this year, we hope you enjoyed yourselves and look forward to seeing you back next year.

Thanks to all those that travelled to Open Days this year and those that went to Mt Barker for the Southern Districts Carnival in August.

Finally, congratulations to all the trophy winners and I look forward to a bigger and better season for the Golf Club in 2021.

Welcoming Gillian to Tambellup

'I would like to begin by acknowledging the Wilman people, Traditional Custodians of the land on which we meet and live, and pay my respects to their Elders past, present and future'.

Hi everyone, its Kerry here.

It is with great pleasure that I introduce Gillian, who will be working with me in the Katanning and Tambellup communities. Please make her feel welcome when you see her around.

“Kaya (Hello) my name is Gillian King of Wilman/Mineng & Gurindji language groups of South West of Western Australia and Northern Territory.

I commenced working in August 2020, at Relationships Australia WA as a counsellor doing outreach to Tambellup and Katanning, in the Noongar season of Djilba. There are six (6) Noongar seasons – Birak, Bunuru, Djeran, Makaru, Djilba & Kambarang.

*I will be visiting Katanning one Monday a month and Tambellup one Tuesday a month during the next few months, to deliver the **KidCare** program with Kerry. **KidCare** is a program that prioritises children and families and aims to reduce levels of family violence at a community level. Through counselling and community development, Relationships Australia WA staff implemented the program and now run a variety of weekly activities and events.*

I have had the privilege of working with a variety of organisations and experiences that I will bring to my new role as a counsellor, including working with the “Stolen Generations” and the delivery of Alcohol and other Drugs programs in counselling.

I have also developed and facilitated Aboriginal parenting programs in and out of the correctional facilities in WA.

A holistic and cultural approach to healing is how I like to operate, as I am also a Wildflower Essences Therapist. In saying all that, one of the exciting experiences I am looking forward to be meeting the people in Katanning, Tambellup and surrounding areas, and hope they can share their stories with me as I will with them.”

The future looks bright with some new exciting programs coming your way, so watch this space. Please extend a warm welcome to Gillian. If you would like to have a chat with Gillian please contact her at Relationships Australia WA, West Leederville office on: 6164 0653. Otherwise we look forward to seeing you all at our programs.
