WORKS

At time of writing, contractors were about to commence stabilising works on Toolbrunup Road in preparation for sealing. From here, contractors will move to Pallinup Rd, and sealing on both jobs will be completed by Christmas. We acknowledge the timing of these works, during peak harvest period, is not ideal, however we have been at the mercy of the contractors who have experienced delays on other jobs. People travelling in the vicinity of roadworks are asked to observe all traffic management directives, and drive with caution.

The maintenance graders worked through the south west corner of the Shire during November, with grading completed on the following roads: Paul Valley Rd, Hassell Rd, Nymbup Rd, Toolbrunup Rd, Bessen Rd, Johnston Rd, Wansbrough West Rd, Watergarrup Rd, Binniup Rd, Moonies Hill Rd, Barrecup Rd, Kings Cross Rd, Newton Rd, Cristinelli Rd, Bowman Rd, Thorn Rd, Forward Rd, Lehmann Rd, Beejenup Rd, Pallinup Rd. Vegetation pruning has been completed along Greenhills South Rd and Crosby Rd, and the contractors have done a great job.

FIRE BREAKS - BROOMEHILL

The Shire has been made aware of instances where logs, branches and fencing wire have been placed across firebreaks in the vicinity of the Broomehill townsite by persons unknown. Firebreaks have a specific and important purpose, and that is to assist in restricting the spread of a fire and to allow access by firefighting appliances to areas to fight a fire. These firebreaks are strategically located to protect the townsite. Any obstruction of these firebreaks puts your whole community at risk – residents, the volunteer brigade members who give their time freely to protect your property, and potentially you as an individual. This activity also presents a significant danger to anyone using the firebreaks and may result in serious injury.

The Bush Fires Act 1954 states it is an offence for any person to restrict access to firebreaks constructed for the purpose of preventing, controlling or extinguishing a bush fire, with a penalty of \$5000. The severity of this matter has required the Shire to involve local police.

If you have any information in relation to this matter you are urged to contact the Shire on 9825 3555 or Tambellup Police on 9854 9800 or 131444.

DROUGHT COMMUNITIES PROGRAM – AMENDED CONCEPT PLANS

Advice has been received that the Shire's application for Drought Communities Program funding of \$1 million has been approved, and we are currently awaiting documentation to confirm this advice. As previously advised, the following projects were nominated:

- Holland Track Interpretive Centre
- Broomehill Recreational Complex Access Upgrades
- Holland Park Nature Play Area
- Broomehill Streetscape upgrades
- Tambellup Town Square Redevelopment
- Tambellup Youth Centre Upgrade
- Tambellup Streetscape upgrades
- Water efficiency improvements

The consultation process around the townscape projects has continued, with the latest draft of the concept plans advertised for community comment. The comment period closed on 27 November 2020, and all submissions will be considered by Council at the December Council meeting, with the aim of commencing works in the New Year.

The intent of the program is to provide an economic stimulus to the community, and local businesses and contractors will play a key role in delivering each project. The timeframe for these works to be complete is tight – by 30 June 2021 - and we anticipate a flurry of activity in the New Year. Watch this space!

If you have any queries in relation to the above projects please contact the Shire on 9825 3555.

BROOMEHILL CENTRAL BRIGADE FIRE STATION

A good turnout from the community witnessed the official opening of the new Broomehill Central Brigade building on Friday 13 November 2020. Unfortunately the DFES Commissioner was unable to attend, however Acting Deputy Commissioner Rick Curtis attended in his place, and together with Cr Paganoni and Brigade Captain Neil Tears, the ribbon was cut.

The new building provides a fantastic base for the Broomehill Central brigade's operations, and the meeting room and kitchen are available for use by community groups, by arrangement with the Brigade.

Shire President Cr Mark Paganoni, Broomehill Central Captain Neil Tears and DFES A/Deputy Commissioner Rick Curtis cut the ribbon

HARVEST AND VEHICLE MOVEMENT BANS

Summer is here, harvest is underway, and just a reminder about how you can keep track of Harvest and Vehicle Movement Bans in the Shire:

- **Harvest Ban Hotline – phone 98251042.** This service is maintained by the Shire and fire control officers 24/7, and provides the most reliable and up to date source of information.
- **Text messaging** - Council offers a service to residents whereby you can receive notification of harvest bans and road closures by SMS. **If you are currently registered for this service, it would be appreciated if you could contact Lesley or Sam at the Shire on 98253555 to ensure your details are correct.** Similarly, if you would like to register, or no longer wish to receive these notifications, please contact the Shire.
- **Radio broadcasts** – ABC radio, as the emergency broadcaster, provides updates of harvest and vehicle movement bans at scheduled times through the day (10.15am, 12.15pm, 2.15pm). While every effort is made to ensure this information is available by broadcast times, changing weather conditions mean this is not always possible. Please do not rely on ABC or other radio stations as a single source of information.
- **Contact your Brigade Fire Control Officer** – contact details are noted above.
- **And if all else fails** – make a judgement call and stop work if you think conditions have deteriorated!

UPDATE FROM THE TAMBELLUP POLICE

Hello,

I think it is now timely to remind everyone to please take care on the roads.

There has recently been a huge increase in road movements due to harvest and tourism in our part of the world. These increased movements will inevitably increase the risk of road trauma occurring, so once again please take extra care, be patient and consider all road users when making decisions.

With an increase in festive season parties and gatherings, please don't be tempted to drink and drive. Identify your skipper before you head out to

avoid an unwanted encounter with police, a loss of licence or worse the fact you could endanger yourself, your passenger and other road users. **DON'T BE TEMPTED.**

There was a recent incident in Broomehill whereby someone suspended wire across a firebreak in Crown Land near to the Broomehill Primary School. In addition to this branches and debris were placed on the firebreak. This may have been done to prevent or deter motorbike riders from riding in that particular area?? These acts really concern me and need to stop. There are numerous examples of past similar incidents that have resulted in people being seriously injured and killed. The local Ranger and Tambellup Police are keeping a close eye on this. If the offender is identified and sufficient evidence exists, the person will be charged with the serious offence of 'Acts Likely to Endanger Life', or an alternate charge appropriate in the circumstances. **THINK CAREFULLY BEFORE YOU ACT!**

On a more positive note I hope everyone else is enjoying this beautiful weather.

Take care

AUSSIE SEAFOOD 2U

Hi Everyone, my name is Janis Sell sole operator & owner of Aussie Seafood 2U! I was born & raised in Albany and have spent my whole life around the ocean & Seafood, due to my father being a commercial shark fisherman. I moved around a lot with my husband doing various occupations but my heart kept calling me back home! My husband who was also a commercial shark fisherman he grew tired of city life, so we had a dream to work my fathers fishing licences, and drive fresh great quality Australian Seafood to people in communities that don't or can't get a wonderful product. We were just about to take the plunge to make our dream happen, then suddenly my husband tragically lost his life. I struggled a lot dealing with my loss & not knowing where my life was taking me. I kept thinking of Gary & what he would want me to do so I decided to put every last cent I owned onto creating my truck & giving myself a purpose in life again. Although my plans in life have changed I still feel a sense of fulfilment that I am keeping my late husband (Gary) alive with me on this new Venture!

My Schedule at this stage is Thursday morning once a fortnight from 9.30am-12pm beside the Tambellup Hotel. Ph 0497 486 081 All packs are of random weight of around 500gms & Frozen for lock in freshness. All Fish is Sourced locally from around WA & Australia.

TAMBELLUP VOLUNTEER FIRE & EMERGENCY SERVICE

Well, what a year 2020 has been! While the world paused due to COVID-19, our emergency services continued on, armed with hand sanitiser, disinfectant and a roll of paper towel, and of course, the necessary equipment to assist people out of some pretty scary predicaments.

We gained a couple of new members through the year, and they have both thrown themselves into training along with the rest of the team. While all DFES training was shut down during the COVID period, we have made up for it in the last couple of months with members completing a Basic General Rescue course with Gnowangerup SES over three week nights and a Saturday in October, and then On Road/Off Road Driving over two weekends in November with instructors from metro career stations and the DFES Academy. Our thanks to DFES Great Southern for arranging these opportunities, and also thanks to Ben and Maxine at the Tambellup Hotel, Beth at the Tambellup Post Cafe and Belinda Hankinson for your assistance in accommodating and feeding the troops!

Aside from external training, we have also continued our semi-regular locally based training sessions. These generally involve cutting up a car, or spraying water, sometimes both. Familiarisation with the fire truck, light tanker and rescue equipment is essential to providing efficient response, and all members get involved in these activities. Our storm and land search roles are also getting some attention, with a roof safety system and harnesses arriving a couple of weeks ago.

We've also checked the hydrants for serviceability – did you know the Water Corp has installed many, many more than the few we had? It's reassuring to know that if there was a serious fire in the Tambellup townsite, that there is now the ability to tap into the scheme in most areas of town for a constant water supply to the fire truck.

All in all, it's been a pretty good year – we have been able to respond to incidents as required, we've trained and learned some new skills, and refreshed many more. There have been plenty of laughs along the way. And – most importantly – our shed doesn't leak anymore!

If you had ever considered doing something for your community, why not consider becoming a member of your local emergency service unit? There's a job for everyone – frontline or behind the frontline, and it's not all hard work.

If you need more information give Craig Beacham a call, 0428 251380, or Pam Hull 9825 1176.

We wish everyone a happy and safe Christmas and New Year!

Meet John, Beth and Josh.

Local people, well known in our communityLovely peoplegreat for a chat.

But if you meet them on the job when they are wearing these uniforms the circumstances may not be so pleasant.

Harvest, end of school, Christmas holidays – it's a crazy time of the year. So we implore you - take care when you are on the road.

- Turn off your mobile phone before driving.
- Buckle up when travelling in a vehicle
- Adapt your speed to the weather, light, traffic and road conditions.
- Take a break, have a rest and where possible swap drivers on long trips.
- Plan ahead. If you are planning to drink, arrange a skipper, organise a taxi or stay overnight.

For more information on road safety and what you can do visit the RoadWise website

Our Emergency Services wish one and all a safe and happy festive season!

Deliberate Obstructions Placed On Fire Breaks In Broomehill

Obstructions including wire and tree branches have been placed on fire breaks in the Broomehill area.

Fire Breaks are placed in areas to assist our volunteer fire fighters in gaining access to fires and it gives them a secure line to work from. They are also there to reduce or stop the spread of a low intensity fire. They are not to be obstructed.

This matter has now been placed in the hands of the police due to the risk of injury to those using the firebreaks.

If you have any information please contact the local Shire on 9825 3555 or the local Police on 9854 9800 or 131 444

MEDIA RELEASE

Bench helps to spread powerful message

A brightly coloured bench newly installed outside Tambellup Community Resource Centre is intended to convey a very powerful message.

Made possible in part by a micro-grant from Linkwest, the not-for-profit peak body which represents over 150 regional, remote, and metropolitan Neighbourhood and Community Resource Centres in WA, the purple bench provides a highly visible symbol of the issue of domestic violence, and includes a plaque detailing a support helpline for victims.

Jane Chilcott, CEO of Linkwest, explains that the initiative was first launched in Canada, back in 2015, where purple benches were installed in public parks to honour the memory of women murdered by their partner and to provide help numbers for people in need.

“When we heard about the initiative from one of our regional member Centres, which had transformed an old park bench into a symbolic purple bench, we thought it would be wonderful if there could eventually be one outside all of our member Centres across the State,” explains Ms Chilcott.

“Linkwest now offers 16 micro-grants to their members per year in honour of the 16 Days in WA campaign, a ‘Stop Violence Against Women’ campaign which runs from 25th of November, the International Day for the Elimination of Violence Against Women, to the 10th of December, which is Human Rights Day.

“As an organisation, Linkwest stands in solidarity with the survivors, those lost and those who are still doing what they can to keep themselves and their children safe in a home where domestic violence is an ongoing threat.”

Rebekka Polack – Coordinator of the Centre says: “We feel that the Purple Bench initiative provides a permanent reminder that domestic and family violence exists in all communities and every West Australian has a responsibility to recognise and respond appropriately to this devastating issue in our community.

We would also like to thank the Tambellup CWA branch for their generous donation, and the Broomehill-Tambellup Shire for helping us to install the bench.”

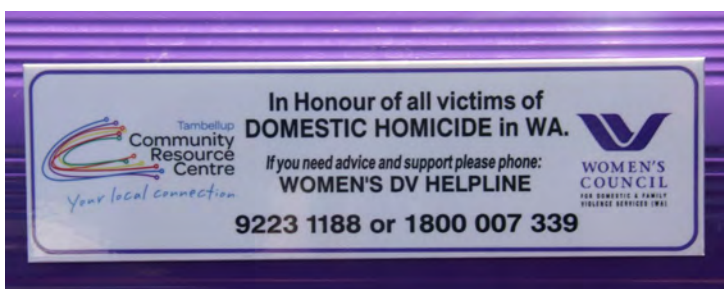

The bench can be found outside Tambellup Community Resource Centre, which is located at 34 Norrish Street, Tambellup.

For assistance or advice call the Women’s Domestic Violence Helpline on 1800 007 339 or 9223 1188 or, in emergency situations, call Police on 000.

Established in 1982 as a not-for-profit organisation, Linkwest assists Neighbourhood and Community Resource Centres to develop vibrant, inclusive and connected communities that are immersed in their local areas. Partially funded by the State Government’s Department of Communities, Linkwest specialises in true grassroot, community-led development and supports its members to fully reflect the needs of their communities.

Tambellup Community Market Day

Tambellup CRC hosted a Community Market day on the 25th of November, thank you to all, who came down to browse and support the stall holders who attended our 2020 Market Day. We hope to see you all next time!

We would like to thank all of the lovely stall holders for coming along to sell your wares to the community and visitors, also for your donations that were used as prizes for the raffle held and drawn on the day.

Congratulations to the winners of the raffle, we hope you enjoy your goodies

From the Staff and Committee of the Tambellup CRC

We thank everyone who came along to our Downton Movie Day & Afternoon Tea. It was a great afternoon enjoyed by our CWA members and members of the Tambellup community. We hope you all enjoyed it as much as we did. Thanks to the CRC for their great venue.

Kings Park Fashions will be back in town hosting our Annual Summer Pop-Up Shop. Karen, Kellie and crew will, once again, be setting up their range in the luxurious confines of the St John Ambulance Rooms from 9.30am til 2.00pm on Wednesday, 2nd December, 2020. So come along for some retail therapy without having to travel, enjoy a cuppa and a chat with friends and find something special for your summer wardrobe, all in downtown Tambellup.

We are pleased to see the brand-new Purple Bench supporting No Tolerance of Domestic Violence in Tambellup. Thanks to the Tambellup CRC for initiating this project. Tambellup CWA are proud to support this endeavour.

Our final meeting for the year on 12th November was a full agenda. We cast our proxy vote on the CWA of WA Financial Motions to be debated at State Conference on 16th December. Celebrations were completed with Birthday Cake and delicious morning tea followed by a Sausage Sizzle down at the Bank. Thank you to all members for making these days so enjoyable for all concerned. This is where CWA definitely does "extend the hand of friendship". If you think you would like to join with us in our Community activities and also share in our fun & fellowship, mark your diary for Thursday, 11th February, 2021 from 10.30am. This is when we will resume after the summer break.

This 2020 year will finish for CWA with a lunch to be held at The Daily Grind, Clive St, Katanning on Wednesday, 16th December, 2020 from 11.30am. We have reserved the Meeting Room and ask that all members and guests (Cake Decorating Ladies) bring a Secret Santa Gift to the value of \$10 with them.

Finally, we wish everyone in our Community a safe & Merry Christmas and a Happy 2021.

A SMART START
Great Southern Families

"The first five years of life have so much to do with how the next 80 turn out!"

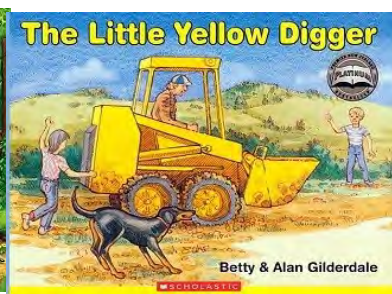

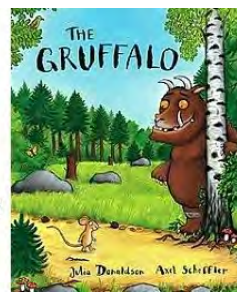

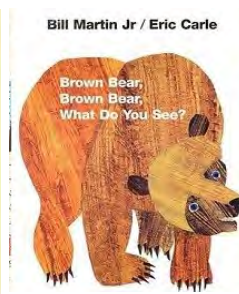

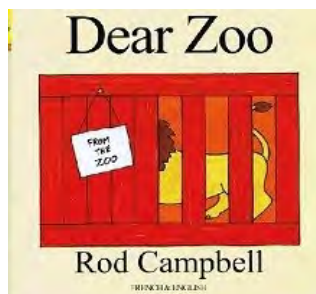

Bill Gates (snr)

Do you read regularly to your little one?

Spending time reading aloud to your little ones has tremendous benefits to your child's social, emotional and academic development.

We all want the best for our child and reading quality picture books can help!

- ♦ **Your child will hear a wider variety of words** —The size of a child's vocabulary is a prime predictor of a child's school success,
- ♦ **You grow your child's brain**—the more you read to your little one the more neurons in the brain will grow and connect.
- ♦ **Your put them on the path to being a life long reader**— reading is an essential skill for life.
- ♦ **Your child's behaviour will improve**—reading aloud increases your child's ability to pay attention and concentrate
- ♦ **You build a strong bond with your little one**—when you share a book with them everything in your busy life has to stop (phones etc) and you give your child your undivided attention.
- ♦ **You increase your child's capacity for empathy**— you help your little one learn about different people, feelings and emotions.

Buy your children, grandchildren and friends a book this Christmas!

We hope everyone has a wonderful, safe Christmas!
