## SHIRE OF BROOMEHILL-TAMBELLUP

46 – 48 Norrish St, Tambellup WA 6320

Phone: 9825 3555 Fax: 9825 1152

### CONGRATUALIONS TO THE SHIRE'S NEWEST AUSTRALIAN CITIZEN!

We were privileged to witness Broomehill resident Janie Haddleton conferred with Australian Citizenship on 15 February 2024. In front of family and friends, Janie made the pledge of commitment to Australia and its people, and the Shire President, Cr Michael White, welcomed Janie as a full member of the Australian community. Our warmest congratulations are extended to Janie on this momentous occasion!

### STAFF MOVEMENTS

We were delighted to welcome incoming CEO Karen Callaghan to the Shire early in February. Karen has hit the ground running to familiarise herself with the Shire and the significant projects planned for this year and has met with community organisations and regional stakeholders. She has even been roped into the Shire's Corporate Bowls team – a great opportunity to meet people in a social setting.

Karen looks forward to continuing to meet and build relationships with members of the community over coming weeks and months.

### FROM THE FEBRUARY 2024 COUNCIL MEETING

- The Council endorsed the Department of Transport's *Great Southern Cycling Strategy 2050* – a long term aspirational strategy that will assist with planning the delivery of safe and interconnected bicycle networks and associated facilities locally and regionally, aimed at getting more people out of cars and on to bikes. The actions within the strategy were developed in consultation with the community.
- An application from the WA Planning Commission for a boundary realignment between Lot 1 Gnowangerup-Tambellup Rd and Lot 2 Cremasco Rd was supported.
- An application from the WA Planning Commission for the amalgamation of Lots 5 and 6 Crowden St was supported.
- A planning application for the development of a second dwelling on Lot 2 Great Southern Highway was approved with conditions.
- The Corporate Business Plan quarterly progress report for the period October-December 2023 was received. The report is available on the Shire's website [www.shirebt.wa.gov.au/council/your-council/shire-plans.aspx](http://www.shirebt.wa.gov.au/council/your-council/shire-plans.aspx)
- The Council endorsed recommendations from the Audit and Risk Committee, including the adoption of the Business Continuity Response Plan and Procedures, receipt of the Audit Concluding Memo and Auditor's report for 2022/2023, adoption of the Compliance Audit Return 2023, and acceptance of the Annual Report for 2023.

The Council determined that the annual electors meeting would be held on Thursday, 21 March 2024, commencing at 6.00pm in the Tambellup Council Chambers. Copies of the 2022-2023 Annual Report are

available at the Shire Administration offices, or on the Shire's website [www.shirebt.wa.gov.au/documents/council-publications](http://www.shirebt.wa.gov.au/documents/council-publications) (search 'Annual Report' under category Annual Reports)

The minutes from every Council meeting are available for perusal on the Shire's website [www.shirebt.wa.gov.au/council-meetings](http://www.shirebt.wa.gov.au/council-meetings) and at the Shire Administration Offices and Tambellup Community Resource Centre.

**The next meeting of the Council will be held on Thursday 21 March 2024 commencing at 4.30pm, in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.**

## **AN INVITATION TO THE COMMUNITY – A CUPPA AND A COOKUP WITH THE COUNCIL!**

The third biannual community breakfast will be held on Friday 15 March 2024 at the Tambellup Community Pavilion.

This informal event starts at 7.30am with breakfast, and we invite all residents to come along, have a chat with your Councillors, our new CEO, and hear about what's happening in your community. We will also be welcoming newly appointed Tambellup CRC Coordinator Grace Jones, and the Tambellup Community Cropping Group.

More information is available in Topics, and RSVPs to the Shire are encouraged on 9825 3555 or [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au) for catering purposes, by Thursday 7 March 2024. We look forward to seeing you there!

## **RAILWAY PRECINCT TOWNSCAPE PLAN CONSULTATION**

Feedback from the community consultation process was provided to the Council at its informal briefing session prior to the February Council meeting. Councillors took the opportunity after the meeting to walk through the site to better understand the comments and concerns raised and will work with the architects to ensure that the concept design results in an outcome that represents the community, and is practical and appealing for residents and visitors to Tambellup.

As residents will understand, it is important to plan once and plan well for a project of this nature and scale. As the design stage progresses, there will be opportunity for community groups to participate, to inject a local flavour to the site, and we look forward to collaborating. Updates will continue to be provided along the way.

## **TAMBELLUP CARAVAN PARK – PROGRESS UPDATE**

The design process for services (power, water, sewer) to the site is ongoing with the relevant authorities. As reported in the December Topics, the Tambellup Community Cropping Group has donated two cabins to be installed at the caravan park. The order and delivery of these will coincide with completion of the civil works.

While Stage 1 is projected to be completed by December 2024, it is pleasing for the interim to see so many visitors are currently taking advantage of the 48-hour free rest stop on the former bowling club carpark to break their trip and explore our part of the world!

## FIRE CONTACTS/HARVEST BANS

**\*\*\*To report a fire call 000 – this is the most efficient way of getting assistance!**

**\*\*\*Residents are reminded that as per the Fire Break Order, the Prohibited Burning Period ends 14 March 2024 inclusive. No burning is permitted during this period.**

From 15 March 2024 to 15 April 2024, the Restricted Burning Period is in effect and permits to burn are required to be obtained from your brigade Fire Control officer.

**No burning is permitted over the Easter break 29 March-1 April 2024.**

## CONGRATULATIONS!

We are really fortunate to have such proactive clubs and organisations in our community who work to develop and deliver community events. February was another busy month, in particular, our congratulations go to:

- The Broomehill Cricket Club, for their Pink Stumps Day held on 17 February to raise awareness and funds for breast cancer and the McGrath Foundation. Plenty of colour, fundraising and entertaining cricket rounded out a successful event for the club.
- The Tambellup Community Resource Centre, on their coordination of the Tambellup Family Fun Day held on 18 February. Hot weather, water-based activities and an expanse of oval are a perfect combination, and all who attended enjoyed the afternoon. The Shire was pleased to support this initiative.
- The Tambellup Bowling Club for once again coordinating the annual Corporate Bowls Competition which concluded on 23 February. Suffice to say – we haven't had any recruiters at the front door looking to sign up the administration staff!

## FEEDBACK

We welcome and value feedback from our residents and customers. If you would like to provide feedback on Shire related matters, there are several ways you can do this:

- Attend in person at either of our Administration Offices – 9.00am – 4.00pm Monday to Friday
- Write to us at 46 – 48 Norrish St, Tambellup 6320.
- Phone us on 08 9825 3555
- Email us at [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

Unfortunately, we are unable to act on anonymous complaints. For all methods, please include your name and contact details so we can respond to you.

## TAMBELLUP CRC COORDINATORS CORNER

February was truly fantastic, and we're gearing up for an equally marvellous March! Let's take a quick look back at last month's highlights and what's in store for the upcoming one.

We kicked off February with our Pancake Day fundraiser at the CRC, raising an impressive \$185 for a local nonprofit organisation. Huge thanks to everyone who popped by, donated, and indulged in some delicious pancakes. It wasn't just about the fundraising; it was heartwarming to witness community members coming together, enjoying good company, and sharing conversations.

The following week, we hosted our much-anticipated Family Fun Day. Despite a few minor bumps along the way, the event was a roaring success! It was a joy to see people of all ages rallying around for a day filled with laughter and community connection. Even with the mercury soaring to 36°, brave souls cooled off with ice cream, took on the slip n' slide, and enjoyed various activities, from face painting to virtual reality experiences. Special thanks to the Gnowangerup SES and Tambellup Volunteer Fire and Emergency Services for their invaluable assistance with the slip n' slide. Your support and attendance truly made the day shine.

Looking ahead to March, mark your calendars for our 'Welcome to Tambellup' and 'Welcome to Broomehill' afternoon teas on the 12th and 20th respectively. If you're new to the area or know someone who is, we'd love to have you join us! Details can be found on the front cover of this issue.

Additionally, we will be hosting a Heavy Vehicle Pilot Course in collaboration with Competent Solutions. Whether you're looking for a full course or just need a one-day refresher, we've got you covered. Reach out to the CRC for pricing and further details.

Keep your eyes peeled for our upcoming Easter activities, and don't forget that this month's Senior's Luncheon will be held on the second Thursday, the 14th of March. We have two special guests lined up – Alyssa from Exercise with Alyssa will be sharing insights on the importance of staying active, and we're thrilled to welcome our new Shire CEO Karen Callaghan to meet our wonderful seniors in the community.

Until next time, happy reading and stay tuned for more exciting updates in the Topics!

### Gastroenteritis 'gastro'

Gastroenteritis is a common condition that affects the gut (the stomach and intestines) and is often highly infectious. It is also known as 'gastro'. Gastro is triggered by infection that causes inflammation of the lining of the digestive system. It can cause vomiting, diarrhoea, stomach pain and nausea. Gastro is not usually serious, but it can lead to dehydration. Milder forms can be managed at home by drinking fluids. However, older people, young children and those with a weakened immune system are at risk of developing more serious illnesses.

- Gastroenteritis ('gastro') is a common and often highly infectious condition that affects the stomach and intestines. It can cause vomiting and diarrhoea.
- Babies under 6 months should always be seen by a doctor if they have gastro.
- Gastroenteritis is treated by drinking fluids and doesn't usually require medication.
- Reduce your risk of catching or spreading gastro by washing your hands well after using the bathroom, changing nappies or handling food.
- Children should not return to school and adults should not return to work until 48 hours after the last episode of diarrhoea and/or vomiting.

## From the Tambellup Public Library

Libraries aren't just about dusty old books anymore—they're buzzing hubs of excitement and discovery! When you step through those doors, you're stepping into a world of possibilities. Whether you're

itching to dive into history, explore digital databases, or just hang out at community events, there's always something cool happening. Did you know that it is **FREE** to join the Tambellup and Broomehill? Membership gives you access to all books and DVDs within both libraries plus the other libraries within our consortium, it also give you access that to thousands of **FREE** e-resources.

### Coming Soon to the BH & TA libraries -

Your local libraries have successfully obtained a grant to purchase electronic devices. These devices will be available for library members to use (currently in-house) to search and learn how to use e-resource apps. They will also provide you with the opportunity to try out different devices and determine which one suits your life best before investing in your own.

The Tambellup Library/CRC will be starting up Be Connected workshops in Tambellup, and if there is

enough interest in Broomehill, we hope to provide help there as well.

### Library Groups -

I would love to see some new groups/clubs (for both kids and adults) start up and utilize the library facilities in 2024. Some ideas I have had include -

- **A SILENT BOOK CLUB** - *for introverts who adore reading but shy away from small talk. Imagine cozying up with a good book and fellow bookworms, free from assigned readings or forced discussions. It's a haven for literature lovers seeking quiet camaraderie and meaningful connections.*
- **BOARD GAME CLUB** - *Think of it like a book club, but instead of books, each month someone brings their favourite board, card, or tabletop game, and we gather to play and enjoy together.*

If you are interested in participating in one of the above clubs or have an idea of your own, please feel free to contact the Tambellup CRC and we can see whether there is any interest. If there is enough interest we will pick a day and go from there.

# Flat Rocks Wind Farm Stage 1.

## Project Update – February 2024.

---

### Construction Activities

We continue to work closely with all relevant stakeholders, including Western Power (WP) and the Australian Energy Marketing Operator (AEMO), to meet requirements of the commissioning phase.

During this generator performance testing phase, we are limited to the number of turbines we can operate at once, according to the test plan approved by WP and AEMO. We expect to reach full capacity in the coming months where you'll see all turbines moving simultaneously, and consequently enter the operational phase once all the generator performance testing is complete and approved.

Our team is in the process of demobilising temporary offices at the site compound on Warrenup Road as the construction team significantly reduces in the coming weeks.

### Houses wanted

Vestas is seeking long-term rentals of reasonable condition for its service technicians working at Flat Rocks Wind Farm Stage 1. These are permanent long-term employees. We have a preference for 3x2 houses with air-conditioning. We are looking to build sustainable relationships in Kojonup and surrounding towns and can provide references from past and current landlords from the Wheatbelt and other WA towns we're involved with. Please contact Ruth Oldert on 0467 865 037 to discuss any opportunities.

A little bit about us:

West Plantagenet Pony Club is one of 55 affiliated clubs with Pony Club WA within Western Australia. We are a member of the Great Southern Zone (1 of 12 zones) and are located on the corner of

Martagallup-Tenterden Rd & Martagallup Road West of Kendenup. The club was first formed in 1962 and was called The Perrillup Pony Club with instructors Mrs Val Symons and Mrs Norma Squire, who conjured up the name in the home of Mrs Kidman. To this day, we still carry the vision the three ladies had many years ago and with maintained strong interest, the club affiliated with PCAWA in February 1964 and became West Plantagenet Pony Club. On 26<sup>th</sup> June 1965, the club moved to Martagallup School Reserve and still uses these grounds today. The Club is one of the oldest consecutive running pony clubs situated in the Great Southern and during the past six decades members have competed at the highest level with the highest standards of turnout for horse and rider including Dressage, Show Jumping, Tetrathlon, Eventing and Prince Phillip

Games and representing our club at local, state, national and international events.

Our Pony Club members have included several generations of the same family with some riders having Grandparents who were involved from the beginning. Hundreds of members and wider community have enjoyed Rallies, One Day Events, Camps, Shows and Gymkhanas to name a few. Wonderful memories have been created and friends made at the Pony Club Grounds which have a charm all of their own!

If you attended or had an association with West Plantagenet Pony Club, we would love you to join us for a celebration of all the great times experienced at this amazing little Pony Club over the last 60 YEARS.

### Corporate Bowls 2024

Once again Corporate Bowls was played every Friday night in February. This year there were 10 teams competing. The first night was extremely hot and it wasn't until the final night that the weather cooled down.

There was plenty of keen competition over the four nights. First up winners were the Ambo's. Graeme Grove's team "Unbiased" took out the second night. Martin Sadler's team "Bobalong" came home on the last two nights.

In the wash up for the overall winners three teams ended on 6 points. The "Shooters", the "Shearers" and the "Crocks". On overall shots up the "Crocks" took out the major for the third year in a row. Congratulations to Norm, Murray, Jules and Kim.

It was another good year of Corporate bowls and the support of our sponsors was much appreciated. The Tambellup Post Café, Tambellup St John Ambulance, CRC, 124 Tambellup Store and the Bendigo bank.

Thanks to the bar staff, the BBQ cooks and the girls in the kitchen who kept the food and drinks flowing.

The biggest thanks goes to all those who were able to participate. Bowls is not everyone's cup of tea, but it does provide a catalyst to get people together for a few hours.

Tambellup Bowling Club

2nd Night Winners - "Unbiased" - Graeme, Christine, Peta, Bruce, and Melissa (CRC employee)

3rd Night Winners - "Bobalong" - Aileen (St John delegate) Martin, Andrew, Janene and Martin
