The next meeting of Council will be held on Thursday 20 June 2019 commencing at 4.30pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

FROM THE MAY COUNCIL MEETING

Council endorsed the appointment of Brigade Fire Control Officers and Fire Weather Officers for the 2019/2020 fire season. These appointments are made on an annual basis by the individual brigades, which are then endorsed by the Bush Fire Advisory Committee for recommendation to Council. We thank these people for their commitment to ensuring the safety of their community.

Council endorsed the 2019/2020 Firebreak Order and Information booklet. This booklet contains important information relating to fire prevention which applies to all residents, whether you are in town or on a farm. The booklet will be distributed to all households by mail in July. A copy of the booklet will also be available on the Shire's website www.shirebt.wa.gov.au under Our Shire/Publications and Archives.

Council considered planning consent for the development of a shed at Lot 404 McGuire Rd, and a carport at Lot 716 Carmody Place. Both applications were approved, subject to conditions.

Council supported an application from the Tambellup Community Pavilion Association for an extension to the area of its Liquor Licence over the weekend of the upcoming Great Southern Hockey Carnival in July.

Council determined to accept a quotation from H & H Architects for the provision of Architectural Design, Tendering and Contract Management services for the Independent Living Units to be constructed in Broomehill.

WORKS

With the end of the financial year in sight, programmed and funded construction works are being finalised. The 4km stretch of repairs to Tambellup West Road has been sealed, and the intersection of Tambellup West Rd/Warrenup Rd has also been sealed. Signage and some earthworks are required to complete this project. We thank everyone for their patience while these works were implemented.

Works underway at present include Flat Rocks Road reconstruct and seal a 3km section, failure repairs on Broomehill-Kojonup Rd, and works to seal sections of McGuire and Morgan Roads. It is anticipated all works will be complete during June.

Councillors completed a roads inspection earlier in the year, and from this recommendations will be made for construction and maintenance projects for the 2019-2020 budget.

The maintenance graders were busy predominantly across the southern half of the Shire during May with the following roads graded: Pallinup Rd, O'Neill Rd, Beejenup Rd, Palomar Rd, Ngopitchup Rd, Birt Rd, Warrenup Rd, Wray Rd, Grahams Well Rd, Komani Rd, Toolbrunup Rd, White Rd, Stirling Access Rd, Moonies Hill Rd, Yetermerup Rd, Hankinson Rd, Batchelor Rd, Bridge St, Donald St, Hodgson Rd.

Despite the dry autumn conditions to date, the ovals are in relatively good condition and we have had some good feedback from winter sporting teams. During May, both ovals were dethatched and aerated, and then fertilized and treated for lawn beetle infestation. We are looking forward to some good winter rains in the near future to promote the growth of the turf.

GREAT SOUTHERN HOUSING INITIATIVE

The housing project is progressing, with the tender for the design and construction of six key worker homes being advertised in the West Australian on 25th May. Tenders close on 19th June, and once Council has awarded the tender we anticipate works will commence shortly thereafter. The locations of the new houses have been finalised, as follows:

- Lot 5 Lathom Street
- Lot 12 Leven Street
- Lot 8 Taylor Street
- Lot 384 Parnell Street
- Lot 22 Taylor Street (2 dwellings)

Council has accepted a quote from H & H Architects for Architectural Design, Tendering and Contract Management services for the Independent Living Units. With the approval of the Department of Planning Lands and Heritage, four Independent Living Units will be constructed on the south east corner of the Broomehill Caravan Park site (Janus St/Javelin St). An Expression of Interest flyer was mailed out to all residents late in May, if you or someone you know is interested in potentially renting one of these units, on completion or into the future, we would encourage you to complete and return the form on this flyer for recording.

PENSIONER RATES REBATES

All pensioners are reminded that in order to claim the Pensioner Rebate in 2018-2019 the amount due on your rate notice needs to be paid (in full) before 30 June, 2019. If you think you may be eligible for a rebate and require further information, please contact Erryn at the Shire. If you haven't registered as a pensioner please do so as soon as possible. We will require a copy of your pension card.

BE A RESPONSIBLE DOG OWNER

Dog owners are reminded of the requirement to securely contain your dog to your property, and that dogs must be on a lead when in a public area. Wandering dogs are creating significant issues in the community, and owners will be fined if dogs are captured and impounded. Please be a responsible dog owner!

COUNCIL ELECTIONS

Are you passionate about your community? Do you want to learn more about why (and how) decisions affecting your community are made??

Council elections will be held in October 2019 by postal vote, with three positions becoming available.

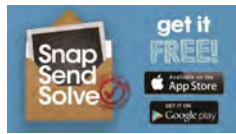

The call for nominations for these positions will be advertised closer to the time, however if you have ever considered serving your community through this avenue, and would like to find out more about the role, you are encouraged to contact any of the serving Councillors, or alternatively, the Chief Executive Officer, who can provide more information. Contact details for all Councillors and the CEO are available on the Shire's website <http://www.shirebt.wa.gov.au/shire/council.php>

THUMBS UP!

The Cancer Council's 'Australia's Biggest Morning Tea' event was supported in our towns again, through a combined morning tea and pop-up market at the Broomehill Playgroup, and morning tea which was prepared by junior students at the Tambellup Primary School. Unfortunately cancer is one illness that has touched most of us, and these events provide an opportunity to raise funds towards ongoing research and support as well as bring the community together. Well done to the Broomehill Playgroup and Tambellup Primary School!

Shire staff also took the opportunity to get involved, and hosted a 'Biggest Morning Tea' at the Depot. Suppliers Westrac and Hersey Safety, and staff member Coral Green kindly donated merchandise which was raffled off, and we were pleased to forward nearly \$500 to the Cancer Council. Thanks to all staff for their generosity.

DID YOU KNOW???

The Shire has subscribed to the online reporting tool **Snap Send Solve** – making it easier for residents to report local issues directly to the Shire, or other service providers including the Water Corporation, Telstra, Australia Post and NBN.

The platform operates via a free app **Snap Send Solve** that can be downloaded to your smart device, and allows for photos of the issue to be uploaded, the location identified and your notes and contact details to be included. When you hit 'send', the report is forwarded to the Shire's main office email address (or other organisation contact where applicable), where it is forwarded for actioning. If you would like more information about this service please contact the Shire.

Expression of Interest Drama Workshop

The Tambellup CRC would like to see an after-school activity happening that relates to drama/dance/music!

Are there any talented people in our community who are willing to spare some time to meet up with us to discuss the potential of starting such a workshop?

I'm envisaging once a week in Term 3 and 4 with perhaps even a final performance at the end of year.

Any suggestions would be much appreciated!

TAMBELLUP COMMUNITY RESOURCE CENTRE

The Tambellup CRC is looking and hoping for expressions of interest from **any** community members who would be interested in developing a Community Garden for Tambellup.

WHAT IS A COMMUNITY GARDEN?....a single piece of land gardened collectively by a group of people. Community gardens utilise either individual or shared plots on private or public land while producing fruit, vegetables and or other plants.

Community gardens contribute to a healthy lifestyle by providing fresh, safe and affordable produce, helping to relieve stress & increase a sense of wellness, getting people physically active which improves overall health. A community garden provides social opportunities that build a sense of community and belonging as well as giving people of all ages and cultural backgrounds an opportunity to learn & share knowledge on gardening, nature & cooking.

Are **YOU** interested in being a community gardener, perhaps being a mentor for someone who wants to but does not know how to garden and very importantly being part of the community gardening group?

The CRC has been advised that there is funding available from an outside source and a plot of land within the Tambellup Townsite for a community garden project.

ANYONE who has an interest (no matter how vague) in this project, is welcome to put their name and contact number forward at the CRC on **9825 1177**

OFFAL Season 10 2019

Old fullas footy fun and laughter celebrated our tenth season in 2019, with twelve weeks of footy training, all at old fellas pace. We began on Monday February 11 in Tambellup with a ripping turn up of at least 45 fellas. Spirits were high, getting back out there again was good fun, and it was a pleasure to welcome back a few fellas that we hadn't seen too much of in the last couple of seasons, as well as a half dozen new faces.

Indeed, aside from our very first season (and excluding the special night), this year was perhaps our most significant for new fellas turning up. I reckon at least 19 did so. Good stuff men!

We trained on two nights up the line in Broomehill. On both occasions we enjoyed excellent attendance (around 30) on a fast track. Broomehill's extra light tower was much appreciated, as was Ian 'Tonks' Tonkin bringing his portable set for week 10. When we think of OFFAL in Broomehill, we think of Andy 'Hercules' Webster who organised both our visits. Thank you Herc!!!

Every OFFAL season we cop a few injuries and this season was no different. Four of the more significant were: Kim 'uncle Bongo' Oliver – mild hamstring tear, requiring a few weeks of recovery, all done in laid back Bongo style!

Old Mick Bachelor (along with Hercules our most aged regular attendee) – fractured vertebrae in his back (turned out this was an old injury as carbon dating revealed fractures incurred circa early 1980s)!

King Carlos Letter and Keef 'the chief' Williams – dislocated fingers. Carlos quickly got his sorted with a minimum of fuss. Keith was rather more precious which was probably fair enough as his turned out to be broken!!

Most of the rest of us at some stage sought the sanctuary and comfort of the bench and there is nothing wrong with that!

Our season concluded with our special night on a Sunday (April 28). We had 70 to 80 fellas turn up for training on the night, with another dozen or so along for the evening. Our special guest was former Australian test cricket captain (and the first ever West Australian to do so) Kimberley John Hughes. Kim arrived nice and early (thanks to Mal 'odd man' Anderson who brought him down from Perth) and promptly hit the ground running – not actually running but keen to get involved in the spirit of the occasion.

After our team photo (Kim is seated holding the footy), our guest hit the bar to chat with a few of the old old fullas, and we got stuck into training. Half way through our first drill, down the hill came Ross 'farmer' Ditchburn from Kukerin, our OFFAL special guest in 2014. Farmer had a beaut new yellow Burley footy with him, a gift for OFFAL from the Regional Men's Health Initiative. In presenting the footy to us, Ross spoke of the importance of fellas taking an active role in promoting both their own and each other's physical and mental health and of talking to your peers/mates. Farmer's message was well received and noted. Thank you farmer Ross!

Training was great. It was a thrill to see people aged 12 to 63 years, of varying degrees of skill and fitness, out exercising together having a laugh. In the end it was probably a good thing that a fuse blew on the oval lights, as the coach was keen to keep going!

After our tasty sausage sizzle dinner we settled back as Kim took the floor and entertained with stories, observations and advice from lessons learnt during his sporting career. Kim played 70 test matches for Australia, and was captain of our test team at a time of great upheaval in Australian sport, with the advent of World Series Cricket. Those of us who can recall this time would remember that the whole experience was a very tough and emotional one for Kim, and it is to his absolute credit that he has moved on and become the effusive, engaging and positive old 'fossil' he is today! One comment to the coach was that Kim was exactly the same person, in person, as the one we'd come to know from his sports commentary on ABC radio. Spot on!

In appreciation of Kim's visit to OFFAL, we sent him home with a load of special gifts – Cam 'Capper' Cant's highly prized pickled yabbies, fine wines from the JR and Bob Paganoni brothers, three special gifts for his three grandchildren (two snorkels and a bunny rug which KJ loved) presented by farmer Bill O'Keeffe from dog town, and a framed caricature of Kim '*the country's man in the city*' wonderfully drawn by Keith "wild eagle" Williams!

Kim was stoked, we were stoked he was stoked, season 10 was officially done and now it was bring on the rain!

Thank you to all the fellas who made the effort to get to training over the twelve weeks of this season. As the coach says, "getting to training is the hardest part of training", and there is no doubt that running around, having a laugh and a catchup with a big bunch of fullas, is a lot more fun than grinding it out on your own! Special thanks to the shire of BH TA (we have two wonderful well maintained ovals) and to those before us who had the vision and determination to create these fantastic community assets. Special thanks to Bronny Bradshaw and Marie White our bar managers on the special night and to Deborah Cristinelli and Tania Willmott who roamed with their cameras to capture our team photo and training action. Thank you very much ladies – you rock.

Finally, thank you to all the fellas who bought along the beverages for training fellowship each week and to all those who in various ways supported our special night. Full acknowledgements to follow in the July Topics.

See you on the track. Coach

2019**

Another very well patronised Anzac Day Service and morning tea has passed since our last newsletter and our congratulations go to the Lions Club of Tambellup for again co-ordinating the moving & very pertinent service. CWA were privileged to be involved with our Anzac Morning Tea and, of course, the 6th Great Anzac Bikkie Bake-off was won this year by our President, Mrs Trixie Hampton.

Our thanks are extended to Jan & Martin Sadler for their expert judging.

We have also had the pleasure of catering for the celebration of Mrs Peggy Birt's life in mid-May. This was truly a community effort and we offer a heartfelt thanks to all the wonderful people who came out to assist. It must also be mentioned that it is a pleasure to work in the great facilities at the Pavilion and our thanks go to the TCPA and the Shire for keeping them in tip-top condition.

The Shire of Broomehill-Tambellup also have supported the CWA most recently with a cash donation from their "Casual Friday" fund-raising. This is most welcome towards our Roof Renovation Project and we thank all the Shire workers who participated very much.

Don't forget FISH & CHIPS is on the 28th June!

First orders from 6pm at the Pavilion.

Hereafter, hopefully, keep aside the last Friday of the month for CWA Fish & Chips.

On the following week, Wednesday 5th June, 2019 – CWA has invited Kings Park Fashions to hold their Pop-Up Shop in town at the St John Ambulance Rooms from 10am.

There will be a fashion parade starting at 10am and for your cover charge of \$5, you will get to enjoy a cuppa with home-made bikkies and a raffle ticket.

The June meeting will be on Thursday 13th June, 2019 and all are welcome to attend!

THE BROOMEHILL MEN'S SHED

The Broomehill Men's Shed have completed the preservation of item No2... another museum artefact the McCormack general cargo wagon. A big thank you to all the guys who donated materials and labour to make this happen for future generations to enjoy.

Our next project, the Tipping Cart is well under way so look out for the next big reveal! ...This is going to be another beauty!

WINTER SHED GATHERINGS are now from 3PM TILL DUSK on WEDNESDAYS every week.

We need the help and input of all members of the community so come along and join us for fun and fellowship and support of this worthy and much needed community group.
