Luke, Amelia and Denver Simpson are pleased to announce the safe arrival of Eadie Anne Simpson. Born 18 February 2019. We would like to say thank you to everyone for all the well wishes!

Due to an unforeseen circumstance, the April date for the CWA FISH & CHIP NIGHT has been cancelled. Sincere apologies and we hope we will see you the last Friday in May. Watch next month's Topics for date.

I would like to personally thank everyone for their concern and offers of help throughout the stealing of my car. Thank you to the awesome police and forensics for trying to get answers for me. To Owen from the shire for informing me of my stuff on the side of the road at Broomehill. Narrogin police for the follow up phone calls to inform what has happened and if I'm ok. It has been a crazy couple of weeks with this ordeal and having people offering support and concern has helped that little bit more. Thank you Kassie Hull

*To the many people in Tambellup I have made friends with in the last 6 years while I have worked at the Deli, Thankyou.*  
*You have a very unique community which you should be very proud of. I enjoyed my chats with you all and hope I will catchup with you all now and then*  
 Thankyou Karlene Standish

*The Uniting Church would like to thank the public for supporting Pancake Day and the Tambellup CRC for allowing us to use their facilities this year. We will be donating \$125.00 to the St John Ambulance-Tambellup Branch thanks to your support. As the Uniting Church is low on members we have decided that this will be our last year for Pancake Day and hope that some other organisation may like to carry on the tradition. Thank you all for the years of wonderful support.*

A special Thank You to my family and friends and all who have visited and enquired about my progress whilst in Katanning Hospital. The care and attention from the Doctors' and Nursing Staff is outstanding.

After almost 90 years in Tambellup, a new chapter in my life is about to commence. I will miss you all.

Kind regards,  
Dot Lockyer

#### THANKYOU

Many many thanks to the lovely ladies at the CRC/Library, both Mel and Beth for all the help they have given me recently getting onto Borrowbox & Overdrive & RBDigital on my computer (I am not a phone reader nor do I have fancy tablets or ereaders). Who would have known these sites were on the internet if our library ladies (past and present, thanks to you too Sheree for all of your help) weren't there for us. Last month I discovered through the library that you get magazines online and its not like you have a due date to return them....

It's like I walked into a book shop and they said "hey just help yourself to whatever and however many magazines you want, all the back issues are there and we will send you new ones when they come in...and btw they are free and you can keep them forever!!!! I might be naive but I am also very very happy because being on a pension I could never afford to buy them....everyone should take advantage and go see the ladies at Tamby library!!! You rock ladies!! cheers Jenny

## **TAMBELLUP COOPERATIVE NEWS**

The Board of Directors would like to thank the Tambellup community for their support in establishing the Tambellup Cooperative. The purpose of forming the cooperative has been achieved and the purchase of the Tambellup Deli is now complete. Ron and Judy can look forward to their retirement and we wish them all the best for the future. The Board would like to thank them both for their years of service to our community and to also thank them and their staff for keeping the doors open in the last few months while the long drawn out process of forming a cooperative took place.

A new beginning took place on Sunday morning the 24<sup>th</sup> of March when the new lessees commenced business. The Board, Shareholders and wider community would like to welcome Parminder Singh and his wife Gagandeep Kaur along with Parminder's sister Amandeep Kaur and her husband Gurwinder Singh. Gurwinder, Armandeep and their daughter will be living in Tambellup and will be responsible for the day to day running of the store. Welcome to Tambellup and we wish you all the best in your new business venture.

The Board would encourage everyone to support the 124 Tambellup Store and all other Tambellup businesses. Remember shopping local is in our best interest as a town. The new Lessees are keen to develop the store to suit the needs of the community and are keen for customer feedback and suggestions on both grocery and take away items.

It will be business as usual with the exception of Lotto. Due to the short time frame from offer to lease by the cooperative and the offer being accepted, Parminder was unable to have the Lotto transferred. Unfortunately we will be without Lotto for approximately 4 to 6 weeks. The Board apologises for any inconvenience. On a more positive note we have managed to keep

the doors open for the community.

This is a credit to everyone involved so once again,

Thank you all and well done  
Tambellup.

Please note it is not too late to join the cooperative if you wish to have any say in its future direction.

Anyone still interested please contact Michael White on 0407 258 216 for more details.

**The next meeting of Council will be held on Thursday 18<sup>th</sup> April commencing at 4.30pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.**

**FROM THE MARCH COUNCIL MEETING**

**Council welcomed three visitors to the March meeting: Justin Taylor and Nick Lockyer from the Tambellup Cooperative Ltd, and Nicki Polding representing the Tambellup Noongar community.**

Council considered a request from the Tambellup Cooperative Ltd to allow the new proprietors of the Tambellup Deli to lease a unit at the Sandalwood Villas. Approval was granted, subject to conditions. It was noted that four Councillors declared a financial interest in the matter and were ineligible to participate in discussion. As this would have left Council without a quorum to determine the matter, approval was sought and granted by the Department of Local Government, Sport and Cultural Industries for three of the four Councillors to participate. Cr White, as Chairman of the Tambellup Cooperative Ltd, declared an impartiality interest and left the meeting while the matter was determined.

Council considered a proposal from the Tambellup Noongar community for support to establish an independent alternative learning centre at the former Tambellup Bowling Club. While Council supported the proposal in-principle, members determined the long term future of the Bowling Club required further consideration.

Council considered an application for planning consent for the development of a weigh bridge and hut, staff amenities and internal sealed roads on Lot 2 Nardlah Road, Broomehill. All Councillors declared a financial interest in this item and approval was sought from the Department of Local Government, Sport and Cultural Industries for approval for Councillors to participate. All Councillors except Cr Thompson and Cr Holzknicht (apology at the meeting) were granted the required approval. The application for planning consent was approved with conditions.

Planning consent was granted for development of a shed on Lot 6080 Beejenup Rd, subject to conditions.

Council agreed to make a contribution of \$500 towards the Tambellup Under 16 Netball Team's upcoming Eagles Netball 2019 UK Development Tour.

Council considered a request received by Main Roads WA to amend the Restricted Access Vehicle (RAV) rating for Toolbrunup, North Stirling and Pallinup South Roads. Council will recommend to Main Roads that the request for the RAV rating on Toolbrunup and North Stirling Roads to be amended to RAV Network 7 be approved with conditions. Council will also recommend that South Pallinup Rd be amended to RAV Network 7 without conditions.

**WORKS**

Well, what an impact the rain during March had! Paddocks are showing a green tinge, some have been worked over already, and dam levels have increased slightly. Unfortunately the rain brought the road construction program to a halt – with Warrenup Rd (Tambellup West Rd to Albany Hwy) prepared and ready for sealing the decision was made to close the road after the rain to minimise damage by traffic. Sealing of this section and the intersection at Tambellup West Rd has now been completed and both sections are open to traffic. Sealing on Pallinup South Rd was also completed during March. The next stage of the construction program will see sections of Morgan Rd, McGuire Rd and Flat Rocks Rd prepared for sealing, and repairs to a 4km section of failed road surface on Tambellup West Rd.

With the Ute Muster and Markets being held in Broomehill on 23<sup>rd</sup> March, maintenance staff were on hand to assist with the myriad of tasks required to assist in making these events successful – including filling the creek in Holland Park! Bevan and Justin are a multi skilled pair, and they undertake a wide range of tasks across many areas of operations including footpath repairs, pot hole patching, signage and guidepost maintenance, culvert repairs, grave digging, assistance with Parks and Gardens operations, building maintenance – the list goes on.

The maintenance graders have been working predominantly in the northern part of the Shire, with the following roads being graded: Punchmirup North Rd, Holly Siding Rd, Washington South Rd, Warrenup Rd, Green Rd, Wandoo Rd, Moore Rd, Holly East Rd, Parnell Rd, Jam Creek Rd, Beejenup Rd, Pallinup South Rd, Eureka Rd, Toolbrunup Rd.

Mowing and maintenance of the ovals is ongoing, particularly with the rain in the past couple of weeks and warm days promoting growth. Repairs to solenoids has been completed, and both ovals have been sprayed for black beetles. In Tambellup, use of treated water on the oval has been finalised for this season, and dam water is now being used to reticulate the grass.

#### **STAFF UPDATES**

We welcomed Andrew Meyer to the works crew in March. Andrew will be working in a part time casual capacity assisting the Parks and Gardens crew while Lara Hugill is on parental leave.

We were also pleased to welcome William Gonzales to the team. William is working with Derek and Larry in Parks and Gardens on Thursdays, and is keeping them on their toes!

#### **GREAT SOUTHERN HOUSING INITIATIVE**

The administrative requirements of the project have commenced, with the tender for Project Management services on behalf of all participating Shires being advertised during March. The tender closes on 1 April, and the contract will be awarded following Council's consideration of the submissions at the April Council meeting. Design and specifications for the houses and independent living units are being developed, and will be advertised for tender in the next couple of months.

Council met during March to consider the locations for construction of the Broomehill and Tambellup houses. The following lots were selected for development:

##### **Broomehill Independent Living Units:**

Four 2x1 units to be constructed at Reserve 6730 Lot 368 Morgan Road – this is the Broomehill Caravan Park site and the units will be constructed at the southern end of the lot. Council will request the Department of Planning, Lands and Heritage to modify the Management Order for Reserve 6730 to add Seniors Housing as a permitted use of the Reserve.

##### **Key Worker Accommodation:**

One 1x1 chalet and one 2x1 chalet to be constructed at the Broomehill Caravan Park

One 4x2 dwelling to be constructed at Lot 6 Latham Street Broomehill

One 3x2 dwelling to be constructed at Lot 12 Leven Street Broomehill

One 3x2 dwelling to be constructed at Lot 8 Taylor Street Tambellup

##### **Government Regional Officers Housing:**

One 4x2 dwelling to be constructed at Lot 384 Parnell Street Tambellup

Two 3x2 dwellings to be constructed at Lot 22 Taylor Street Tambellup

The timeframe for the completion of this project is quite tight, and we look forward to seeing building activity in both towns in the near future. Funding for the project has been secured through the Federal Government's Building Better Regions program, the State Government's Regional Aged Accommodation program and participating local governments. If you would like more information regarding the Great Southern Housing Initiative please contact the CEO.

**BROOMEHILL UTE MUSTER AND MARKET DAY**

We would like to extend our congratulations to the organisers of the Ute Muster and Market day which was held in Broomehill on 23 March. Shire staff have received some great feedback on the conduct of both events, which received fantastic support from locals and surrounding communities. The event provided an opportunity for local groups to raise much needed funds, as well as showcase the community spirit that exists in Broomehill. We would especially like to congratulate Hailey Mitchell who initiated the first ever Broomehill Ute Muster event – the Shire has particular requirements of event organisers in terms of managing risk associated with events held on Council property, and we were really pleased that not even this deterred Hailey from going ahead with the event. Well done!

# BROOMEHILL COMMUNITY MARKETS

A fabulous morning was had by all, with visitors coming from all corners of the Great Southern.

After a wobbly start to the week the weather gods came up trumps with a beautiful, crisp sunny morning. In excess of 500 people came to enjoy what was on offer at the market. Folks gathered under the trees to look for treasure at the wonderful array of over 40 stalls...there truly was something for everyone! It was great to see families, friends and strangers mingling and soaking up the atmosphere created by the unique setting of the Museum grounds. Broomehill came to life with colourful flags waving and live music drifting over the gathering.

Thank you to all who contributed to making the morning such an overwhelming success.

# Welcome to 124 Tambellup Store!!

As the Tambellup Community farewells the Tambellup Deli and Ron and Judy Meade look forward to their retirement, we welcome the 124 Tambellup Store and Parminder Singh and his family to town.

Parminder and his family are following on with a Sikh heritage of operating a store in Tambellup. Back in the 1880's, fellow Sikh, Sunder Singh operated the Country Store in Tambellup.

Parminder also runs a hotel in Narrogin, the 124 Deli & Bakery in Kojonup and is looking forward to being a part of the Tambellup community. Parminder has a strong community connection in Kojonup and is a sponsor of the Kojonup Football Team (team shirts), Treasurer of the Kojonup Youth Centre and donated food and refreshments to fire fighters at the Kojonup fires last year. He is looking forward to being similarly involved in Tambellup.

Parminder will be working between Kojonup and Tambellup whilst his sister Amandeep Kaur, and her husband Gurwinder Singh, will be living in Tambellup and managing the day to day running of the Tambellup Store.

We welcome the Singh families to town and wish them every success with their new venture, the 124 Tambellup Store.

Already, prices of bread and milk have been reduced and the community is asked to suggest grocery and fruit/vegie lines that they would like to see at the store. By selling more, there is a greater bargaining power and prices will reduce even further.

If local community groups wish to raise funds, please speak to Parminder about how he can help out and sponsor groups.

Large orders of Pizza etc (over \$250.00 in value) will be delivered free to farms within 25km of town so book for your party now.

Bakery items are baked on site - if you have any Special Orders, please order the day before for pick up next day  
Book now for all your catering needs.

Already up and running - Fuel, Papers, Cigarettes, Lotto will still be a few weeks away whilst transfer paperwork is completed.

Tip Top bread will still be available as well as homemade bread products.

Coffee - enjoy proper Barista made coffee - sit out the back in the "Gossip Corner" and enjoy coffee and/or a meal whilst the kids play. BYO facility at the Gossip Corner.

Any suggestions for what you would like to see in the 124 Tambellup Store, especially in hardware supplies, please let Parminder know.

***124 Tambellup Store will be open 5.30am - 9pm every day, including weekends and public holidays.***

### DID YOU KNOW...

At the end of the day, the most overwhelming key to a child's success is the positive involvement of parents.

### The Importance of Play

Playing is one of the most important things you can do with your child. Play is essential for your child's brain development. Play helps your child:

- build confidence,
- feel loved, happy and safe,
- develop social skills, language and communication,
- learn about caring for others and the environment
- develops physical skills.

**Unstructured, free play** is the best type of play for young children.

This is play that just happens, depending on what takes your child's interest at the time. Free play isn't planned and lets your child use his imagination and move at his own pace.

**Structured play** is more organised and happens at a fixed time or in a set space, and is often led by a grown-up. Eg: Swimming lessons

### WITHOUT A DOUBT FLEUR MCDONALD

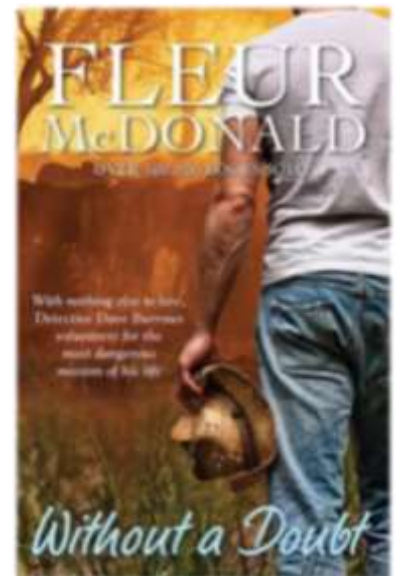

Detective Dave Burrows finds himself on the wrong side of the law as he searches for the link between a murdered man and illegal stock trading in this suspenseful rural crime novel.

Detective Dave Burrows returns in the most compelling and exciting case of his early career. As Dave's workload skyrockets, Melinda, Dave's wife, is unhappy about being left alone so much to raise their eighteen-month-old daughter, Bec. It's not how Dave wants it either, but complaints, leads and crimes all have to be investigated - it's what he joined the force for.

Melinda's interfering father isn't helping. He's never thought that Dave was right for his daughter and he's not shy about telling Dave what he's doing wrong. When things come to a head at home, Dave's policing mate, Spencer, comes up with a plan.

In the most dangerous mission of his life, Dave knows what he's risking. If he's found out, he'll never see Melinda or Bec again. Of that he's sure.

### Social Work service at Tambellup Health Centre

#### What is a Social Worker?

A social worker is a health professional who helps people in times of crisis. Clients may include families, students, hospital patients or the elderly.

As a social worker I can provide practical support, counselling, information and emotional support. I can suggest different ways of looking at problems and will be able to give you information in order to make a difference to your current situation.

I can help with problems such as homelessness, domestic violence, alcohol and drug addiction, sexual assault and child abuse. I can help with connecting you to the right Government Agency such as Housing and Centrelink as social workers can help clients' find government housing, help them obtain Centrelink entitlements and generally assist with their financial matters if required. I can also help people who have suffered a major crisis or are going through bereavement.

I visit Tambellup once a month.

If you feel I could help you then please contact me at Katanning Health Service 9821 6235 for an appointment in Tambellup. You can leave your name and number on the answering machine and I will call you back.

### Tambellup Bowling Club news

March started off with the Men's Country Week competition in Perth. Our club representatives were Jim Hull, Ray Williams, Martin Sadler & Peter Sheridan. Well done guys on representing our club & sportsmanship.

The first Men's League event was held on 10<sup>th</sup> March in Ongerup for the Triples & Singles. Our club single winner Norm Herbert was unfortunately knocked out of the first round against Borden player Tim O'Meehan. Our Men's Triple team of Jim Hull, Alan Jones & Ray Williams progressed through to the final against Ongerup. Well done and great play, but it wasn't to be our day with the Ongerup team winning, the final score was Tambellup 14 - Ongerup 21.

The ladies have finished their pennant competition with Gnowangerup winning by 14 shots up & only 12% over Jerramungup. We put our best effort forward and continue to grow as a team, we can only improve from here on. On the day our pennants finished we decided to jump straight into our Club Singles championship. With seven players we had a knock out competition. Our final round was between Eleanor Swinburn & Belinda Hankinson. We are hoping to run our pairs competition next. The ladies will be host to the League Singles on the 7<sup>th</sup> April.

The men's pennants are now entering the finals with only two rounds left

## BROOMEHILL BOWLING CLUB NOTICE

### April 2019

#### Men's Pennants

With only two rounds remaining in the home and away season, the Broomehill Bowling Club is setting its sights on another finals berth, with some very solid performances since returning from the Christmas break. A strong 81-46 (6-0) win against Borden in the first game for 2019 was followed up by a narrow 62-70 (1-5) loss to Gnowangerup White. After the country week break, Broomehill have strung three solid wins in a row against Ongerup 95-54 (6-0), Jerramungup 77-59 (5-1) and Gnowangerup Red 69-64 (5-1).

The last two games before the finals are home games against Tambellup on the 30<sup>th</sup> March and Nyabing on 6<sup>th</sup> April. The venue for the finals is yet to be determined but they will take place on Saturday the 13<sup>th</sup> and Sunday the 14<sup>th</sup> April.

The boys are determined to bring home the pennant this year after several finals' appearances without success.

#### Condolences

The members of the Bowling Club wish to pass on their condolences to fellow member Ross Thomas following the passing of his wife Sandy in January. Sandy put up a hell of a fight and we trust she rests in peace now.

The members would also like to send their condolences to fellow member and long-time bowler Kevin Winspear. Kevin's mother Iris lost her battle in early March and we sympathize with the Winspear family at this difficult time. Iris and Sandy were both valued members of the bowling club in years gone by, and both contributed greatly to the club in many ways.

#### Club Notices

- ◆ The club held it's annual "Any Combination Pairs" carnival on Sunday the 24<sup>th</sup> February. The day was sponsored by Primaries of WA and RUSSELL'S ULTRA SOUND SHEEP SCANNING SERVICE, and the winners were Charles & Wendy Russell. Runners up was Des Bairstow & Robbie Stephens, 3<sup>rd</sup> place was Kevin & Maureen Heberle.
- ◆ The club wishes to congratulate the four players that travelled to Perth for Country Week over the March long weekend. The team was made up of John Dye, David Kempin, Rob Cant and Tom Kempin. After narrowly winning there round of sectional play, they managed to win two of there knockout games which saw them progress to the final 8 teams of the competition. Well done fellas.
- ◆ Well done to Charles Russell who was selected to play in the Country All Stars match against the Western Australian State Team in what is a traditional opener to Country Week. The country boys (131) held their own and managed to get over the top of their city counterparts (122) this year, making it only the second time the country has won the challenge since it was introduced many years ago.
- ◆ Congratulations to John Dye who claimed another Club Singles victory by defeating Charles Russell in the final. The plate was won by David Kempin and the Plate Runner up was Andrew Webster
- ◆ The remaining club events are fixtured to be played over the coming weeks.
- ◆ **The AGM and wind-up will be held on Sunday the 28<sup>th</sup> April at the Broomehill Complex with the AGM commencing at 10:30am**
