Dear Broomehill -Tambellup Community

As the new appointed Tambellup CRC Co-Ordinator, I would like to take this opportunity to thank the community for such as warm welcome into my new role.

A special thank you to Beth Schlueter, she has eased my transition into this new role greatly. I would like to thank Beth for her tireless commitment over the last number of years for the Tambellup CRC and wish her the best of luck for her new endeavours.

The role of the Tambellup CRC is to provide a service to our community to enhance community interaction education and personal opportunities. This can be achieved by running community-based services, events, communication and information technology programs.

Going proactive and positive into the future, I would love to get some feedback from the community to have a better understanding of what is required from us to better service our community.

Please drop in to make your ideas known to us while we can't promise we will have the resources to implement every single idea, we will certainly value and consider each contribution. Alternatively, we can be contacted on 9825 1177 or email at tambellup@crc.net.au

Your input is greatly appreciated!

Thank you

Rebekka Polack – Coordinator – Tambellup Community Resource Centre

The next meeting of Council will be held on **Thursday 23rd May 2019 commencing at 4.30pm** in the Tambellup Council Chambers. **PLEASE NOTE THE DATE OF THIS MEETING HAS CHANGED.** Members of the public are welcome to attend all Council meetings.

The biggest kids on the Shire team, Owen Kay and CEO Keith Williams, were on hand to road test the bespoke nature play equipment constructed recently at the Tambellup Community Pavilion, by James McLean of Southern Pole Structures. The two structures will form the centrepiece of the nature playground which is being planned by the Tambellup Community Pavilion Association with support from the Shire. There will be opportunity for the community to be involved in the construction of the playground, and we invite anyone interested in helping to contact TCPA President, Ray Squibb on 0407 984250.

FROM THE APRIL COUNCIL MEETING

A review of the 2018-2019 budget was presented to the April Ordinary meeting. The purpose of a budget review is to ensure that income and expenditure for the current year is monitored against the adopted budget and where variances have occurred, or are likely to occur, amendments are made to the budget if necessary.

Council resolved to establish a new Tourism and Economic Development Reserve with provisions set aside in 2018/19 to investigate development of a Caravan Park in Tambellup and a Holland Track Interpretive Centre in Broomehill. As both of these projects will not have commenced in 2018/19, setting the funds aside in a Reserve ensures availability of funding in future budgets for these projects.

Likewise, provision for a number of Building Maintenance items not expected to be expended by 30 June will be transferred into the Building Maintenance Reserve to ensure availability of funding in future budgets to complete the work required.

After reviewing revenue and expenditure throughout the budget, a surplus of \$25,200 was realised. Council resolved to transfer these funds into the Building Reserve for future use. This has achieved a balanced budget.

Council endorsed two key documents which were developed as part of the Integrated Planning and Reporting suite of documents. The Corporate Business Plan 2018-2022 reflects the aspirations of the Strategic Community Plan and translates these into Council priorities and operations within available resources, and the Strategic Resource Plan 2019-2034 incorporates long term financial and asset management planning and informs the Corporate Business Plan. These documents complement a range of documents and plans that have been developed to provide Council with information to enable sound decision making that reflects the community's aspirations. The Corporate Business Plan 2018-2022 is available to view on Council's website <http://www.shirebt.wa.gov.au/shire/publications.php> or alternatively, is available at the Broomehill or Tambellup Administration offices.

Council considered an application submitted to Main Roads Western Australia (MRWA) requesting an amendment to Restricted Access Vehicle (RAV) rating for local access at RAV 7, RAV 7.3, Tri Drive 4 & Tri Drive 4.3 for Tieline, Nardlah, Old Nardlah Roads and Kimberley and Darcy Streets. These streets provide access to and around the CBH sites in Broomehill. Council supported the request, with conditions, in part, with the exception of the amendment to the RAV for Darcy Street. Further clarification will be sought prior to making a response.

Council resolved to change the date of the May Ordinary meeting, from Thursday 18 May 2019 to Thursday 23 May 2019. The change was required due to the inability of the CEO to attend on 18 May.

WORKS

Councillors and staff completed the annual roads inspection during April. The inspection assists Councillors to become familiar with the condition of roads across the Shire, which is important in being able to make informed decisions in prioritising the works program for the coming year.

Easter and ANZAC day combined provided an opportunity for the works crew to take a few days off, before launching straight back in to the construction program. At time of writing, the 4km stretch of repair works on Tambellup West Rd, Warrenup Rd/Tambellup West Rd intersection and Morgan and McGuire Roads were ready for final trim grading and sealing by contractors

Prior to the Easter break, the maintenance graders were working on the following roads: Old Broomehill-Kojonup Rd, Nookanellup Rd, North Nookanellup Rd, Holding Rd, Mattiske Rd, Bessen Rd, Wansbrough West Rd, Beejenup Rd, and Witham Rd.

STAFF UPDATES

New staff members William Gonzales and Braydon Baynes, with Larry Wildblood, and Sammy Oclarit.

GREAT SOUTHERN HOUSING INITIATIVE

The administrative aspects of this project continue to progress, with the Shire of Broomehill-Tambellup recently awarding the tender for project management to Project Directors Australia (PDA). PDA will be responsible for liaising with all project partners to ensure the project is delivered on time and on budget. All Councils are now developing tender documentation for the construction of the independent living seniors units, and the design and construction of the key worker homes, and we are keen to see a good response to the tenders that will shortly be advertised.

GREAT SOUTHERN CENTRE FOR OUTDOOR RECREATIONAL EXCELLENCE

Council welcomed Dr Lenore Lyons, Executive Officer and Karl Hansom, Project Officer for the Great Southern Centre for Outdoor Recreational Excellence (GSCORE) to the Council meeting. Dr Lyons presented on the progress of the GSCORE Regional Trails Master Plan which is being developed to support the implementation of regionally significant and local trails over the next ten years. The Shire of Broomehill-Tambellup is a stakeholder in this project, and the presentation follows on from the Trails workshop that was held in Broomehill late in March. GSCORE is seeking input from trail users in the region, through an online survey <https://www.surveymonkey.com/r/TrailSurvey> – and your input is welcomed and valued.

The workshop attracted a small but enthusiastic crowd, who identified a number of potential trails that could be developed in the Shire. Two trails have been selected for inclusion in the Regional Trails Master Plan – a series of looped trails in and around the Broomehill townsite, and the West Broomehill Postie Run drive trail, the plan for which has already been developed to implementation stage. The identification and inclusion of these two trails in the Regional plan will provide documented support for the project in the event the Shire should seek external funding for the implementation phase.

The Shire is now looking for assistance from members of the public to map a proposed route for the Broomehill townsite loop trails – this will involve walking the route. If you are interested in being involved, your assistance would be greatly appreciated! Please contact Pam Hull at the Shire for more information.

ROAD SAFETY DURING SEEDING OPERATIONS

It's that time of the year again when a lot of heavy machinery will be moving around the Shire. Farmers, your licensing concession on tractors, self-propelled sprayers, spray equipment etc, contains conditions which may include the requirement to only travel on roads between sunrise and sunset, may require a flashing light, and may need to have an "over width" sign attached. In the event of an accident involving other road users, if conditions of your license are not complied with, motor injury insurance will not apply and penalties may be incurred. For more information please contact licensing officers at the Shire Administration offices.

COUNCIL ELECTIONS

Are you passionate about your community? Do you want to learn more about why (and how) decisions affecting your community are made??

Council elections will be held in October 2019, with three positions becoming available.

The call for nominations for these positions will be advertised closer to the time, however if you have ever considered serving your community through this avenue, and would like to find out more about the role, you are encouraged to contact any of the serving Councillors, or alternatively, the Chief Executive Officer, who can provide more information.

BUDGET 2019/2020

Council is about to commence preparation of the 2019/2020 annual budget. As part of that process, community and sporting groups are invited to submit requests to Council for consideration in the budget. Written submissions should be forwarded to the Chief Executive Officer, 46-48 Norrish Street Tambellup by the end of May.

ANZAC DAY

Our community supported local ANZAC services once again this year, with excellent turnouts noted at each. In Broomehill, the moving early morning service was conducted by members of the community, with Kym Crosby delivering the address. The service was followed by a cooked breakfast for all in attendance. In Tambellup, the Lions Club hosted the service, with the address being delivered by Michael White. Michael reflected on the service histories of servicemen named on the Tambellup War Memorial through three campaigns, and Andrew Bradshaw's moving rendition of 'And the Band Played Waltzing Matilda' brought a tear to many an eye, highlighting the futility of war. Morning tea was provided by the Tambellup CWA following the service, with Trixie Hampton being named as the winner of the Anzac Bikkie Bakeoff for 2019.

Many thanks to all involved in the organisation of both services.

THUMBS UP!

Congratulations to the Broomehill P&C and students on the magnificent effort in collecting rubbish on the roads leading into the Broomehill townsite and around town on 7th April. We hear a good time was had by all – well done to all involved!

HOW'S YOUR MOBILE RECEPTION???

The Federal Government has recently announced the opening of Round 5 of the Mobile Black Spot Program, with \$80 million committed for investment into mobile telephone infrastructure to improve mobile coverage and competition

across Australia.

The Shire has in the past advocated for the installation of new mobile base stations in the Shire, to address gaps in coverage, however we are aware there are still areas where reception is poor. Mobile network operators have until July to submit their application to the program, so now is the time for the Shire to advocate for people living and working in areas of the Shire who are experiencing poor coverage. If poor mobile coverage affects you, we encourage you to provide your details to the Shire to support this advocacy. Please contact Pam Hull at the Shire for more information.

STREET LIGHTS

Have you noticed street lights in your area are not working? Western Power has provided an online option to enable easy reporting of faulty street lighting:

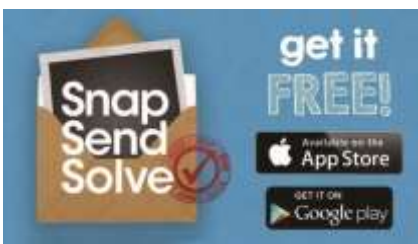

<https://westernpower.com.au/power-outages/report-a-faulty-streetlight/>

When you open their page, enter Tambellup or Broomehill as the location and a map of the town and all street lights will appear.

Click on the street light/s that aren't working and it prefills the street information (you can select more than one light in the same report), fill in the rest of the info on the right hand side and click on submit.

DID YOU KNOW???

The Shire has subscribed to the online reporting tool **Snap Send Solve** – making it easier for residents to report local issues directly to the Shire, or other service providers including the Water Corporation, Telstra, Australia Post and NBN.

The platform operates via a free app **Snap Send Solve** that can be downloaded to your smart device, and allows for photos of the issue to be uploaded, the location identified and your notes and contact details to be included. When you hit 'send', the report is forwarded to the Shire's main office email address (or other organisation contact where applicable), where it is forwarded for actioning. If you would like more information about this service please contact the Shire.

CUSTOMER FEEDBACK

The Shire of Broomehill-Tambellup welcomes feedback from its residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

Attend in person at either of our administration offices - Tambellup office 8.30am-4.30pm Monday to Friday,
Broomehill office Monday to Friday 8.30-12.00, 1.00-4.30pm;

Write to us at 46 – 48 Norrish St, Tambellup 6320;

Phone us on 08 9825 3555

Fax us on 08 9825 1152; or

Email us at mail@shirebt.wa.gov.au

Unfortunately we are unable to act on anonymous complaints. For all methods, please include your name and contact details so we are able to respond to you.

COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to www.shirebt.wa.gov.au and clicking on the "Our Shire" tab.

TAMBELLUP VOLUNTEER FIRE & EMERGENCY SERVICE

While the Unit operates quietly within the community (sirens notwithstanding!) and sometimes it feels like we don't do much, a review of the past 12 months which was considered at the recent Annual General Meeting indicates otherwise.

Since March 2018, the Unit members have:

- **Attended and provided support at local incidents as required.** Numbers of incidents were low, which is always a good thing, but member turnout has been excellent.
- **Provided personnel and appliances to support Level 3 regional incidents,** including the Albany fires, the Bremer Bay fire prior to Christmas, and the successful land search at Mt Trio in December. Generally speaking, deployment to regional incidents requires a commitment of more than one day, so we thank those who turned out.
- **Completed a bucket load of training and exercises,** including:
 - Fire Extinguisher
 - Intro to Structural Firefighting/Pump Operators course
 - Thermal imaging camera awareness
 - Intro to Fire/Bush Fire Fighting
 - Land Search Team Member
 - Field Radio Operator
 - Water Bomber reload
 - Incident Reporting
 - Paddock burn exercise - in conjunction with Broomehill Central brigade
 - Hydrant servicing in Tambellup – the Water Corporation has recently increased the number of hydrants in the townsite from five to about 18, and the Unit is responsible for servicing these.
 - Vehicle and equipment checks
 - Night search exercise with Gnowangerup SES
- **And other stuff:**
 - Unit members attended the international AFAC conference which was held in Perth in 2018
 - Two members are sitting on the Emergency Services Volunteer Association committee, which looks after the interests of all VFES Units in WA
 - The unit held an outdoor community movie night to raise funds for St John Ambulance, a Community BBQ/Road Ribbons for Road Safety event at the Fire Shed, and assisted with Santa's visit to kindy and playgroup
 - DFES Volunteer Employer Recognition Awards were awarded to G & T Motors, PEP Building Improvements and Hully's Spraying Service in recognition of their support of volunteer employees. DFES recognises the impost on businesses when employees who are volunteers are required to respond to an incident during work hours, and appreciates this support.

The major project for the year has been the extension of the Fire Shed to allow the new truck, light tanker and trailers to be housed under cover. This commenced in September 2018, and is very nearly complete, although we have not yet moved back in. At this point we would like to thank Trevor and the Business Centre committee for allowing the Unit to utilise the Business Centre as its base while the renovation is being completed.

The Unit AGM was held on 14th April, and once again, all positions were filled. Thanks to all members for their ongoing support and commitment through the year. As always, we are on the lookout for new members, so if you are looking to support your community and would like to see what we do, why not give Craig Beacham 0428 251 380 or Pam Hull 9825 1176 a call?

SMALL LAND HOLDERS

WATER FOR FIRE FIGHTING PURPOSES

HELP US TO HELP YOU

Volunteer Fire Fighters are urging all landowners in Special Rural lots to make sure they have a provision of water for fire fighting purposes. This could make the difference in saving your home from a bushfire or reducing the impact of a structure fire if it was to occur.

Fire Fighting appliances carry limited water and once this has been exhausted then it needs to be refilled. If there is a tank available this will reduce precious time.

We suggest you have 20,000 ltrs of water on hand for fire fighting purposes that is easily accessible to a fire appliance and that it has a 2 inch Camlock connection and/or easy access from the top.

Please contact the Shire if you have any questions.

Inter-Library Loans

As most of you are aware we had to cancel allowing requests of inter-library loans last year, then it was modified in December so that we could accept requests but only for Adult fiction and Adult Non-fiction books.

The Shire of Broomehill-Tambellup's Regional Library has been working on providing a section within the new Library program; which allows us to search other libraries catalogues that are under the same Regional Library. **This now allows us to request Junior materials, Audiobooks and DVDs, as long as one of these Libraries has the item.**

If you are interested in requesting an item/s that is not in the Broomehill Library please use the form below (more forms provided at the Library), the Tambellup Library also provide this service, please check at the Tambellup CRC.

ONLY WORKING SMOKE ALARMS SAVE LIVES.

If your smoke alarm isn't working properly, it won't warn you and your family of a fire in your home!

Is it time to change your battery?

Whether you need to change your smoke alarm battery will depend on your type of smoke alarm.

If you do need to change the battery, DFES recommends you do this on the 1st April

Smoke alarms powered by:

- 9V AKALINE BATTERY require you to replace batteries every year.
- 10-year NON-REMOVABLE LITHIUM BATTERY do not require you to change the battery each year.
- MAINS-POWERED SMOKE ALARMS have a battery back-up for periods of mains power outage.

Many models have a rechargeable (non-removable) battery and do not need replacing.

Refer to the manufacturer's instructions to see if you need to change the battery.

After replacing the battery

Always test that your smoke alarm is operating by holding down the test button until you hear a loud alert tone.

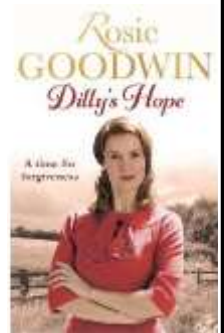

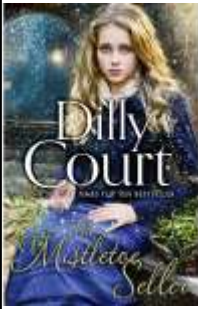

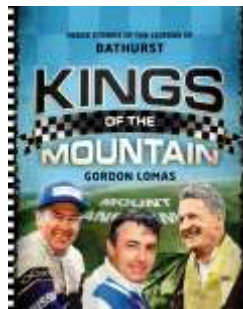

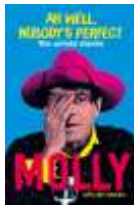

Things you should know...

- Not all smoke alarms need their batteries replaced.
- Smoke alarms will make a 'beep' or 'chirping' sound when they have a low battery or are faulty.
- Mains powered smoke alarms are required to have a **Green** "Power ON" LED indicator. This will light up when the alarm is connected to mains power.
- Test your smoke alarm every month by holding down the test button until you hear a loud tone.
- All smoke alarms require replacement every 10 years. If you do not know how old your smoke alarm is, it's time to replace it.

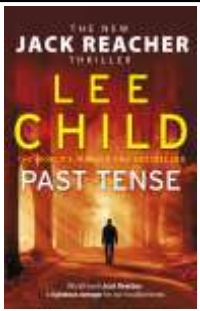

For more information:

- Visit the DFES website at www.dfes.wa.gov.au
- Read a number of Smoke Alarm-related Factsheets [here](https://www.dfes.wa.gov.au/safetyinformation/fire/fireinthehome/pages/publications.aspx) (<https://www.dfes.wa.gov.au/safetyinformation/fire/fireinthehome/pages/publications.aspx>).

Broomehill Primary School P&C

Thank you to all our hard working volunteers on Sunday 7th April for helping to keep our town clean. We had an awesome day tidying up Broomehill and enjoying being part of our school community. It was great to see all the kids so enthusiastic in helping to pick up the rubbish.

We enjoyed a BBQ lunch afterwards in Holland Park. It was a very successful morning and it was fantastic to see everyone getting involved and having fun.

Many thanks to **Derek Batchelor at Hannaford Seed Master Service** for sponsoring our P&C for us to clean up our town.

We also thank **Jamie Shuttleworth and Sue Leckie** for the use of their bus to transport us around on the day.

April has been another busy month for our community groups and CWA is no different. Our April meeting was jam-packed with business regarding our Jubilee Loan repayment schedule and the approval of the installation of a new Hot Water System. The original, installed in 1962 has finally said "enough is enough!"

We also had a report from members who had attended the Taste Great Southern – CWA Feast at Katanning Premier Mill Hotel on 13th April. Many of our members contributed slices to the divine Dessert Buffet held as the concluding course of this 5 course extravaganza and it was another CWA triumph. Thank you all very much. The publicity for CWA and the work we do was invaluable – check out the report on our Tambellup CWA Facebook page.

At the final School Assembly in April, 3 members presented the Primary School with the delicious Easter Chicks with treats inside to all the students at the school.

Our 9th May activity will be a UFO or WIP Day. For the uninitiated, UFO = Unfinished Objects and WIP = Work in Progress. If you wish, just call in for a coffee and a chat.

Don't forget our next FISH & CHIPS on 31st May!

Hereafter, hopefully, keep aside the last Friday of the month for CWA Fish & Chips.

Also, advance notice of our upcoming Kings Park Fashions morning on Wed, 5th June. Mark it in your diaries now and check out the new winter fashions range while enjoying a cuppa & a biscuit.

Hope to see you on 9th May, 2019 at 10am in the CWA Rooms for our next gathering!

A successful AGM was held in early April to allow the updating of our Constitution and to plan some activities for the year.

Our new Office Bearers are:

President: Mrs Thalma Nazzari
 Vice President: Mr Trevor Prout
 Secretary: Mrs Jenny Charlton
 Treasurer: Mrs Anne-Marie Lockyer

We welcome some new members to the committee and look forward to commencing some projects during the year including recording and updating our inventory database, researching the Singh history in Tambellup and working on some oral histories from our local residents.

Would you like to help us preserve our local history?
 Would you like to learn more about our district history?

Then come along to our next gathering:

We are meeting at the
Station Master's House
 in Norrish Street, Tambellup

COMING SOON TO BROOMEHILL! BRAND NEW INDEPENDENT LIVING SENIORS ACCOMMODATION!

Calling all seniors! Are you looking to downsize now or into the future? Do you want to stay in your local community, close to family, friends and the country lifestyle you know so well? Then this might just be the opportunity you are looking for!

During 2019 the Shire of Broomehill-Tambellup will be embarking on the construction of four 2-bedroom independent living seniors units in Broomehill. The units are designed for easy care, low maintenance and lock 'n' leave convenience. We would like to hear from any resident who may be interested in this opportunity – a lot interested, or even just a little!

Please register with Pam Hull at the Shire on 9825 3555 to receive more information as this exciting project progresses.

DID YOU KNOW...

Children are made readers on the laps of their parents.

- Emilie Buchwald

Children who are read to from birth ...

- develop a large vocabulary.
- develop an awareness of print and literacy concepts.
- are exposed in interesting and exciting ways to the sounds of our language.
- begin to develop phonemic awareness - This is crucial to becoming a good reader and writer.
- are introduced to things and places they may not have a chance to learn about.
- have their imaginations engaged.
- are able to work out their feelings about the world.

Reading Suggestions

- ◆ Choose books with colourful pictures, and point to the pictures while you read.
- ◆ For very young children, read books that are made of cloth or cardboard so that your child can hold them and turn the pages.
- ◆ Choose interactive books - lift the flap, turn the wheel, pull the slide or pop up books.
- ◆ Choose books that show lots of action. Ask your child to point to familiar items and make the sounds that go with them. Say "Point to the fire engine" and "What sound does the fire engine make?"
- ◆ Visit the town library.
- ◆ Be prepared to read the same story over and over again !!!

Tambellup Bowling Club Notes

We have held our major competition the Men's Invitation Classic, again it was well run with our members pitching in and helping out were needed. We couldn't hold these 2 (big) days of competition without our sponsors who contribute, we Thank You all.

The Overall winners were,

- 1st Don King's team from Albany
- 2nd Colin Toone's team from Mt Barker
- 3rd John Jenkins team from Katanning
- 4th Robbie Lamont's team from Albany

As the men's pennant season is now over, we needed to win our last 2 games to move into the finals, unfortunately we missed out by 1.5 points under Gnowangerup Red. Better Luck next year!!

Congratulations to Gnowangerup White who were the pennant winners for 2018/2019.

BOWLING NEWS!

The 39th Tambellup Invitation Classic was held on 9th and 10 April.

14 teams competed in what could only be described as wonderful conditions at a great facility..

A big thank you to all our sponsors and participating players.

Lastly, the work put in by club members and other helpers to make these events successful is just fantastic.

This years winners were Bill O'Meara, Wayne Jones, Arthur Beacroft and Don King from the Albany Bowling Club, pictured here with the Tambellup captain Allan Hankinson and vice captain Peter Sheridan.

Social Work service at Tambellup Health Centre

What is a Social Worker?

A social worker is a health professional who helps people in times of crisis. Clients may include families, students, hospital patients or the elderly.

As a social worker I can provide practical support, counselling, information and emotional support. I can suggest different ways of looking at problems and will be able to give you information in order to make a difference to your current situation.

I can help with problems such as homelessness, domestic violence, alcohol and drug addiction, sexual assault and child abuse. I can help with connecting you to the right Government Agency such as Housing and Centrelink as social workers can help clients' find government housing, help them obtain Centrelink entitlements and generally assist with their financial matters if required. I can also help people who have suffered a major crisis or are going through bereavement.

I visit Tambellup once a month.

If you feel I could help you then please contact me at Katanning Health Service 9821 6235 for an appointment in Tambellup. You can leave your name and number on the answering machine and I will call you back.

Broomehill Market Update

A total of \$1181.45 was raised at the recent Community Market held in Broomehill. This was as a result of site fees from stall holders, a raffle and the cook up held by the Men's Shed who were supported by some of the fireys from the BHCBC and other helpers who stepped in to lend a hand. The funds have been distributed amongst the following community groups:

Broomehill Men's Shed \$531.45

Broomehill Central Fire Brigade \$350.00

Tambellup CWA \$150.00

Royal Flying Doctor Service \$150.00

Many thanks to all who contributed to making the market such a wonderful success...looking forward to the next one!
