#### TOPICS

We would like to take this opportunity to thank the outgoing Editor of Topics, Kristy Boyle, for all her work over the past 10 years to bring community news and events to all residents in the Shire and surrounding districts through BT Times and Topics. Kristy has decided it is time to pass on the baton and Topics will now be fully produced by staff at the Tambellup CRC. We wish Kristy well for her next challenge!

#### FROM THE DECEMBER COUNCIL MEETING

- Council appointed Cr Monica Nazzari and Cr Carl Letter as the Shire's delegate and proxy respectively to the Tambellup Business Centre Committee.
- Council approved an amendment to previous planning consent provided to CBH for grain storage bulkheads constructed on Lot 2 Nardlah Rd subject to conditions.
- Council granted planning consent for the development of a carport/shed at Lot 542 Reilly Rd subject to conditions.
- Council granted planning consent for the use and development of a machinery shed at Lot 2535 Paul Valley Rd subject to conditions.
- Council agreed to make a contribution of \$500 in support of the Lions Cancer Institute 'Special Children's Christmas Big Day Out'.
- Council adopted the Strategic Community Plan 2018-2028 following the completion of a four week public comment period.
- Following consideration of a concept design provided, Council granted permission for the Tambellup Pavilion Advisory Committee to construct a playground at the Tambellup Community Pavilion.
- Council granted planning approval for the use and development of a caretakers dwelling on Lot 253 Broomehill-Gnowangerup Rd subject to conditions.

#### WORKS

With most works staff taking leave over the Christmas and New Year period, the works program has been a little reduced, however those staff still working were able to cover day to day requirements, as well as make progress with ongoing jobs.

Construction works on Warrenup Rd and Pallinup Rd have been completed and are now ready to seal when contractors are in the area. A rocky outcrop at the intersection of Warrenup Rd and Tambellup West Rd has delayed work to improve sight lines at this site, however it is expected this will be resolved by the end of January, allowing works to continue. Line marking was completed on Broomehill-Kojonup Rd, Tambellup West Rd and Gnowangerup-Tambellup prior to Christmas, and the upgrade of the footpath on Garrity St from Tambellup West Rd to the Tambellup Hotel is nearing completion. Asphaltting of the path and site clean-up was completed in January and replacement of trees removed will take place when the weather is kinder to new plantings. Contractors were also engaged to complete repairs to Tambellup West Rd near the Great Southern Highway intersection.

Parks and gardens staff have been dealing with seasonal tasks centred mainly on ensuring our ovals and public spaces are watered efficiently to cope with dry conditions. The extreme winds experienced late in January kept the maintenance crew running for a few days, responding to calls of trees on roads across the Shire. We thank you for your assistance in getting roads cleared.

The maintenance graders covered a wide area during December and January, with the following roads graded: Chillicup Rd, West Peringillup Rd, Brassey Rd, Greenhills South Rd, Nardlah Rd, Norrish Rd, Moulyerup Rd, Tieline North Rd, Beejenu Rd, Clinic Rd, Hillman Rd, Cemetery Rd, Morgan Rd, McGuire Rd, Nelson Rd, Spencer Rd, Reilly Rd, Toolbrunup Rd, North West Rd, Burr ridge Rd, White Rd, Stirling Access Rd, Yetermerup Rd, Witham Rd, Saggars St.

**CLEARING OF FENCELINES ON ROAD VERGES**

Landowners are reminded that prior to clearing fence lines on land adjoining a road reserve, it is a legal requirement that the site is inspected by the Local Government. If you are contemplating fencing works along a road where clearing of vegetation will be required, please contact the Manager of Works on 0418 955642 to arrange for an inspection to be completed.

**SHIRE STAFF CHANGES**

We would like to welcome Justin Lennox to the Shire team. Justin, who commenced early in January in the position of Plant Operator/General Hand, brings a range of local government and industry experience to the works crew and has settled in well. Welcome Justin!

We also welcome Year 11 Katanning SHS student Cora Bliss, who will be commencing a Workplace Learning placement with Shire administration staff in February. Cora participated in Workplace Learning at the Shire in the second half of 2018 and as part of the 2019 placement she will complete a Cert II in Business. We look forward to teaching her everything we know!

We are also pleased to advise that advertising will close on 31 January 2019 for the appointment of a mechanical apprentice to the Shire, to work alongside and learn from our mechanic Sammy Oclarit. The new position was an outcome of the review of the Shire's Workforce Plan, along with the intention to take on trainees at various times within both the administration and works areas. We anticipate the position will attract a good number of applicants, and we look forward to welcoming a new staff member in the near future.

**GREAT SOUTHERN HOUSING INITIATIVE**

The Shire of Broomehill-Tambellup has partnered with six shires in the region to secure State and Federal funding of almost \$12.6 million that will see 52 homes constructed across the region over the next twelve months. The Great Southern Housing Initiative will deliver key worker housing, independent living seniors units and Government employee housing in eleven communities, including Broomehill and Tambellup. The project is valued in excess of \$22.0 million.

The Shire has worked collaboratively with the Shires of Kojonup, Cranbrook, Jerramungup, Gnowangerup, Katanning and Kent to secure the external funding for the project, through the Federal Government's Building Better Regions Fund (\$10.0 million) and the State Government's Regional Aged Accommodation Program (\$2.6 million). The project has also required a significant cash and in-kind contribution from each of the partner Councils.

For the Shire of Broomehill-Tambellup, deliverables are as follows:

- Four independent living units to be constructed in Broomehill
- Two self-contained chalets to be located at the Broomehill Caravan Park
- Two key worker homes to be constructed in Broomehill
- One key worker home to be constructed in Tambellup
- Three Government employee homes to be constructed in Tambellup

Suitable blocks in each of the townsites have been identified, and Council will be embarking on the design and tender process in coming weeks. Several Shire houses have been earmarked to be sold once construction of the new homes is complete.

This project is a significant milestone for many of our smaller communities and will assist in bringing housing stock available for key workers and Government employees in particular to a higher standard than is currently available. The expansion of the Shire's independent living housing stock into Broomehill also provides local seniors with the option to downsize while still remaining within their community. We look forward to the commencement of construction.

For more information regarding the Great Southern Housing Initiative please contact the Chief Executive Officer, Keith Williams.

**BROOMEHILL INDEPENDENT LIVING SENIORS UNITS**

As noted previously, one of the deliverables of the Great Southern Housing Initiative is the construction of four 2-bedroom units suitable for independently living seniors, in Broomehill. It is intended that the units will be available

on a rental basis. Eligibility considerations have not yet been finalised but are expected to include age (55/65 years+) and the ability to live independently, and means testing will apply to two of the units.

While the completion of construction is some way off, we are seeking expressions of interest from residents of the Shire who may be interested in occupying one of the new units. Allocation of units will be determined closer to completion, however if you, or someone you know, are interested, we encourage you to contact Pam Hull at the Shire on 9825 3555.

### ANZAC TOWNSCAPE PLANS

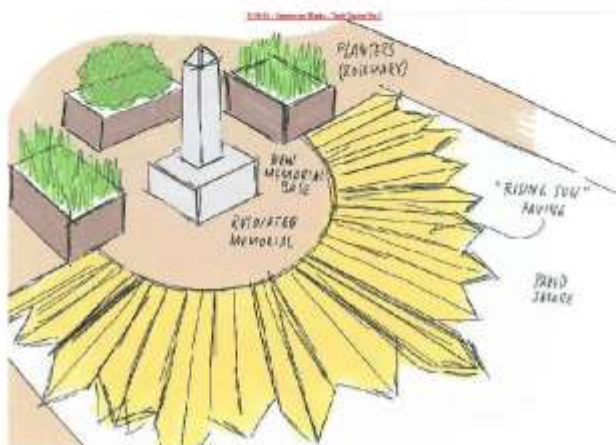

Council has resolved to review the adopted townscape plans for the area around the ANZAC memorial in Tambellup.

Current plans allow for a minor relocation of the war memorial and redevelopment of the area with planter boxes and paving. These plans form part of the adopted Townscape plans.

The new plans are similar to the adopted plans, however, it is proposed to move the memorial a further 7 metres to allow for an expanded area for memorial services. The memorial will be located further away from the road edge, with an 'ANZAC Square' being developed between the road edge and the relocated memorial. The memorial will also be located on a higher plinth or base. Planter boxes with rosemary and roses will be located on either side of the memorial, and a rising sun motif will be laid in the paving to better recognise the significance of the memorial. Sketches have been developed to conceptually show the changes.

Council is seeking public comment on the changes to the memorial space, and comment can be made until the end of February 2019. The adopted plans and the concept sketches are available from the Shire offices in Tambellup and Broomehill. Comment can be submitted to the Chief Executive Officer, Shire of Broomehill-Tambellup, 46-48 Norrish St Tambellup WA 6320, or alternatively emailed to the Shire at [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

We look forward to your comments.

**PROHIBITED BURNING PERIOD**

**HARVEST AND VEHICLE MOVEMENT BANS**

During summer, a reminder about how you can keep track of Harvest and Vehicle Movement Bans in the Shire:

- **Harvest Ban Hotline – phone 9825 1042.** This service is maintained by the Shire and fire control officers 24/7, and provides the most reliable and up to date source of information.
- **Text messaging** - Council offers a service to residents whereby you can receive notification of harvest bans and road closures by SMS. **If you are currently registered for this service, it would be appreciated if you could contact Marni or Pam at the Shire on 9825 3555 to ensure your details are correct.** Similarly, if you would like to register, or no longer wish to receive these notifications, please contact the Shire.
- **Radio broadcasts** – ABC radio, as the emergency broadcaster, provides updates of harvest and vehicle movement bans at scheduled times through the day. While every effort is made to ensure this information is available by broadcast times, changing weather conditions mean this is not always possible. Please do not rely on ABC or other radio stations as a single source of information.
- **Contact your Brigade Fire Control Officer** – contact details are noted above.
- **And if all else fails** – make a judgement call and stop work if you think conditions have deteriorated!

**CUSTOMER FEEDBACK**

The Shire of Broomehill-Tambellup welcomes feedback from its residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our administration offices - Tambellup office 8.30am-4.30pm Monday to Friday, Broomehill office Monday to Friday 8.30-12.00, 1.00-4.30pm;
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Fax us on 08 9825 1152; or
- Email us at [mail@shirebt.wa.gov.au](mailto:mail@shirebt.wa.gov.au)

Unfortunately we are unable to act on anonymous complaints. For all methods, please include your name and contact details so we are able to respond to you.

**COUNCIL AGENDAS AND MINUTES**

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to [www.shirebt.wa.gov.au](http://www.shirebt.wa.gov.au) and clicking on the "Our Shire" tab.

# CRC update

## Welcome to 2019

**The CRC will be operating on short hours again during February - Tuesday to Friday, 10am to 4pm.**

Hopefully, March will see us back to normal hours.

It was very sad to say farewell to Sheree, our Customer Service/Library Officer, in December but we welcome Melissa Lanigan back to the CRC as the new Customer Service/Library Officer. Melissa had previously worked at the CRC doing her traineeship so it is great to have her back and she has fitted right back in as if she had never left.

We also say farewell to Kristy Boyle as Topics editor. Kristy has decided to step down and the CRC staff, especially Melissa, will be putting Topics together. Kristy has been fantastic over the past year with Topics and, before that, with B-T Times - we will miss you Kristy.

- ♦ *Look out for our upcoming Workshops over the next few months*

7th March - PING - Farm Finance for Performance - see ad flyer page 28

20th March - Organisational Workshop - Practical Life Skills - Skilled 4 Life -

21st March - Are you Willing - Skilled 4 Life - Wills, Power of Attorney etc -

30th March - Photostories Workshop - Capture the Story - part 1 - see flyer pages 26 and 27

2nd May - Photostories Workshop - part 2

*All these workshops will require minimum numbers to go ahead (at least 8) so please come along and support your local CRC.*

- ♦ *Don't forget Pancake Day - this will be on Tuesday 12th March, run by the Uniting Church Ladies.*

## DID YOU KNOW...

*Speak to your children as if they are the wisest, kindest, most beautiful and magical humans on Earth,*

*For what they believe, is what they will become!*

For children to be able to learn to listen, focus and follow directions as they grow, they need to develop their **proprioception** and **vestibular sense**.

Proprioception is knowing where different body parts are without looking. It helps your child move their body effectively.

- ◆ When a child does not have good proprioception they may avoid touch, be a picky eater, appear lethargic or clumsy, have difficulty running, jumping and climbing, kick, bite, hit or chew on fingers, clothing or pencils.

A child's vestibular sense provides them with information about where their body is in relation to the surroundings.

- ◆ When a child does not have a good vestibular sense, they may fidget, get frustrated, have poor balance and fall over, become aggressive, get too close to people and struggle with focusing and listening

### ACTIVITIES WHICH CAN HELP TO DEVELOP THE PROPRIOCETION AND VESTIBULAR SENSE

- Carrying and Lifting Boxes
- ◆ Jumping on a trampoline
- ◆ Kneading playdough
- ◆ Animal walks
- ◆ Having a massage or a bear hug
- ◆ Chewing on crunchy foods - apples, carrots
- \*Swinging
- \*Hanging upside down
- \*Balancing on a beam or a pool noodle
- \*Climbing

## CLEAN UP AUSTRALIA DAY SUNDAY 3<sup>RD</sup> MARCH 2019

**Will you and your friends be participating in Clean Up Australia Day this year?**

**Why not register a site and do your bit for our environment!**

Registering for a Clean Up event is an awesome way to make a difference for our environment. It's free, easy, quick and fun to

sign up and helps create lasting change in your local community. You can register as an individual, family team, as a local existing community group, with a group of friends and more.

The first step is to look around for an area you think could use a clean up, great choices include local beaches, parks, bushland, outdoor areas and more.

The good folks at Clean Up Australia will send you a starter kit with materials including bags, gloves and some paperwork which will make organising and participating in your clean up event easy, fun and safe for everyone involved.

You can check out everything you need to do to organise a successful Clean Up at

[www.cleanupaustraliaday.org.au/resources/community-resources](http://www.cleanupaustraliaday.org.au/resources/community-resources).

Whenever you choose to get involved, just remember to leave us two weeks to get your kit to you to ensure you're prepared for the event.

To register your site please go to [www.cleanupaustraliaday.org.au/register-an-event](http://www.cleanupaustraliaday.org.au/register-an-event).

**The Shire of Broomehill-Tambellup has registered as a Clean Up Ally for this year's event, and will be able to assist you in getting collected rubbish removed from your registered site.**

**Please contact Pam Hull at the Shire on 9825 3555 for more information.**

### **Tambellup Cooperative news**

The board of the Tambellup Cooperative has on the 24th of January received confirmation of its cooperative status.

In the next few days the Board will open a bank account and then contact all those who have pledged financial support to provide them with the banking details.

In the mean time we are pursuing an advertising program to find a lessee for the business through city and regional newspapers. Elders real estate are also assisting in the process of finding a lessee.

If any readers know of anybody that may be interested in the opportunity to be involved in their own small business in our fantastic little town please encourage them to contact Michael White on 0407258216

The Board is at this point doing everything it can to expedite the sale and lease of the business and are encouraged by the community support that will help make the transition successful.

Regards

Michael White

Tambellup, you are a rare kind of generous

## PETER CAREY & ROSE DUCKETT

Thank-you friends and neighbours for your extraordinary gift

### FOREWORD:

This story is about the privilege of living in a small community where support and loyalty at our time of adversity was breath-takingly extraordinary.

*It began on Sunday 2nd December. Peter was driving to one of his paddocks to begin the first day of harvesting Canola. It's a 15km drive away from the house. But he never made it.*

*He'd smashed into the back of a huge chaser-bin, which was being towed behind a tractor some 6kms away, on Nymbup Road. Peter was alive, but was trapped inside the ute, which had come to a stop in the bank of the roadside ravine. Help was on its way and farmers were already arriving at the scene.*

*The narrow road had been cordoned off by a police car with lights flashing, behind which was an ambulance and many utes. A dramatic and busy scene for such an isolated, gravel road in the middle of nowhere. Familiar faces were all around, including the focused volunteer ambulance crew who in normal times are friends; it brought a lump to my throat.*

*A couple of those friendly faces approached, their voices quiet, respectful. I held my breath as their arms embraced and began to fear the worst. Instead they were shielding the visual impact of seeing Peter's crumpled body trapped inside the ute. The VFES crew meanwhile, were busy planning how to carry Peter's heavy body up the side of the ditch to the level roadside. All so surreal.*

*It didn't make sense that he could possibly slam straight into the back of a highly visible chaser-bin on an empty stretch of road. The police calculated that he was travelling at high speed at the point of impact. The ute had then bounced off the bin and sped down the ravine, coming to a stop in the damp earth near the trunk of a tree. He was lucky to survive and furthermore, without a single scratch on his body.*

*Peter never speeds on unmade roads, friends in fact have a smirk about it, so we were all convinced that he must have fallen unconscious before hitting the bin.*

*The police then explained that when a person falls unconscious sitting behind the wheel of a car, their feet automatically push forward and line up with their legs, explaining the speed of the ute on impact.*

*The ambulance raced Peter to Katanning Hospital. After hours of tests we were told that his kidneys had totally collapsed, that he would've been unconscious before the accident happened and without help, he simply would have died within three hours. He'd have to fly to Perth via the Flying Doctors for urgent dialysis treatment. I promised to stay at the farm and somehow get the harvesting done but typically, as farmers do, Peter stubbornly insisted on not even changing out of his work clobber to put on his hospital gown, as he had crucial work to do and wasn't going anywhere! Justin Taylor, who'd driven me to the hospital, came to the rescue and forcefully insisted "farmer-to farmer" that Peter was indeed going to Perth, no negotiation! The plane flew out just on dusk.*

### COMMUNITY:

Alone in the waiting room, and unbeknownst to me, Justin planned how to get Peter's harvesting done for him by calling in the community to help.

It was almost dark by the time we drove back to Tambellup. As we passed the farm, we spotted in the distance Justin's brother Cam, driving Peter's tractor, harvesting! I couldn't believe my eyes; Justin sat beside me, grinning. There are simply no words to tell you what that moment felt like!

Under the leadership of Jarrod Thorn, the men put together all their years of experience and organized a suitable day to muster their mighty harvesters and equipment, and make one mammoth effort to harvest the entire Canola crop in a matter of hours!.... Hours? How could that be possible? Amazing! I called everyone, the "Mighty Angels".

Paddocks were allotted for each team and road trains and trucks were booked to pick up the grain continuously.

Quite accidentally, I was told about a surprise, which was also happening behind the scenes. Fiona Thorn and Vicki Green had decided to have a huge cook-up, and provide everyone with delicious country fair! I was breath-taken by their generosity and goodwill. No words can be found to thank them enough!

There was a sense of excitement in the air.

*Peter in the meantime was not travelling well; he suffered a huge seizure soon after arriving in Perth. This dangerously delayed preparing him for dialysis. And worse, all the delays had enabled the kidney's toxins to continue spreading and had begun to affect his brain. The future looked precarious.*

*His adult children who live in Perth rallied round him, taking turns at the hospital almost round the clock, I commuted back and forth every few days while holding the fort at home. Constantly in touch, we all worked as a well-oiled machine.*

When the harvesting plans were all in place I then raced to Perth for a few days and told Peter that it was all happening at the farm. He was so ill, but this extraordinary news was the best gift, he was simply overwhelmed. The stress lifted from his shoulders, it gave him the courage to fight on. How generous country neighbours are prepared to be for a mate in trouble.

Bad weather however held back the first harvest attempt, so another day had to be arranged. This presented a bit of a challenge as the farmers now needed to begin their own harvests. Jarrod came to the fore yet again, and worked with everyone to fix a new date. So the equipment rumbled in and it began.

Being in Perth once more, I wasn't able to describe to Peter what was happening in his paddocks. But there for us again were the mighty "Tambellup Angels"; photos continuously arrived describing every adventure. The line-up of the five harvesters, tractors and chaser bins looked somewhat like the farming section at the Royal Show!

There was a real sense of camaraderie - an unusual opportunity of getting together as a community with a mission. Admiring each other's harvesters was a great beginning to the day before heading off to their allotted paddocks. And just as planned, the bulk of the crop was indeed harvested on that one day!

**GOOD NEWS:** *At the hospital, Peter's dialysis treatments had begun and his condition quickly improved. A biopsy was taken and the doctors said that the result had surprised them. Peter's kidneys weren't diseased at all; instead they'd collapsed because he was allergic to a prescription drug, Naprosyn, a commonly prescribed non-steroid drug for pain & inflammation. It had been gradually poisoning the body until his kidneys collapsed, thus causing him to fall unconscious behind the wheel. They concluded therefore, that his condition was "potentially reversible".*

*A somewhat controversial and radical treatment was offered to him. A large quantity of Steroids to be administered while followed by smaller doses for the next 3 months. If it worked, he would be able to fully recover without ever needing dialysis again. If it didn't dialysis every other day, would become his way of life.*

*He underwent this treatment and it has completely worked thus far. So Peter managed to walk out of hospital, just before Xmas, a free man. Now, apart from quietly recuperating, which doesn't suit this obstinate farmer one little bit, there's a new future ahead. Time to walk forward - so look out!*

This has been a truly humbling experience for Peter and I. Being members of our small Tambellup Community is such an honour, a powerful bond; never taken for granted.

## OUR SPECIAL THANKS TO EVERYONE INVOLVED

Friends, neighbours, contractors and people we've never even met,  
who dropped their busy lives to help Peter in his time of need

**Firstly:** The chaser-bin owner at the scene, Jeffrey Burton, rang for help while his partner, who happened to be triage nurse, sat with Peter until help arrived.

**Ambulance & VFES Crew:** Aileen & Trevor Prout, Adrian Bowman, Bronny Bradshaw, Laurie Hull, Brian Trezona and Craig Beacham.

Note: Peter says that it was so comforting to see these people, friends, dressed in their uniforms, so centred, while professionally carrying out their duties. It's one of the only memories he has of that day.

**Farmers & friends who assisted in various roles:**

Justin Taylor, Brian (Bulldust) Taylor, Rod King, Bob Devlin (Peter's cousin from Nullagine) and Cam Taylor all

became enthusiastic supervisors, field bin movers, traffic controllers, fuel suppliers and helpers, as well as organizing road trains and trucks.

Brian Taylor and Devon Thorn collected all the delicious "Tucker", provided of course, by those wonderful girls, Fiona Thorn and Vicki Green.

Also, Justin Taylor enthusiastically assumed the role of Event Photographer, filming everyone involved; capturing the atmosphere of the day.

**The mighty men** who brought over their five harvesters and chaser-bins etc:

Leading the charge was Jarrod Thorn. Andrew Bradshaw, Cam Taylor

The Reynolds team: Mike Reynolds, Martin Deely and Andrew Reynolds.

The Wellstead team: Kyal and Sam Wellstead, with Rennie the German.

The team Sullivan: Mark Sullivan, Nick Slade and Matt Thompson.

#### **Transporting Grain:**

Southern Haulage

Alan Wilmott, Steve Merret and Kim Vietch - grain trucks.

Tim Schlueter - wheat cartage.

**And later, harvesting the 2nd crop wheat** (which wasn't so urgent):

Brian Taylor (a very special thanks), Bob Devlin

The Green Family - Brett, Jay and Vicki Green had driven as well, even their young son Troy Green had a turn.

**I'd also like to thank friends and neighbours who looked out for my well being.**

Liz & Michael Reynolds: Liz drove me to Perth, and they lent me their Perth home for easy commuting to the hospital. So generous!

Rod King who hardly missed a day without popping by and giving me lifts.

Betty Hams, Bev & Brian Taylor, Fiona & Rosemary Thorn, Justin & Kim Taylor, Cam & Sarah Taylor, and Vicki Green and so many well wishers. Thank you one and all!

**They all enjoyed being part of a big team; a sense of genuine community spirit.**

**The atmosphere was filled with energy and enthusiasm.**

#### **AFTERWORD:**

**Diary Entry, 23 December, 2018**

"Have just returned from a paddock where the Green's family harvesters and bins had turned up as a surprise, to give it one last shot to finish harvesting the wheat crop for us before Xmas. Just astounding!"

Brett Green drove, together with Brian Taylor and Bob Devlin using Peter's equipment. All looking weary, faces sooty with dust - it'd been a long day. (Peter & Bob share-cropped the wheat; he too, must be mightily relieved it's all but over)

Peter sat under a tree in the paddock, watching. I've brought him home to rest.

How amazingly re-energising it is, to see genuine community here again; there's real joy in the air. So nice, when everybody's busy preparing for their Xmas's.

Xmas Eve tomorrow and our harvesting will truly be over! Can't believe it! What a relief! Hearts of gold; we'll always remember. Peter can finally rest easy and just concentrate on getting better. Sleep tight little Tambellup, a job well done!"

Recently in TA the Aboriginal Christian Church held its annual rally in the first weekend in Nov the guest speakers were Principal Clive Hayden of the Aboriginal Christian Church Teaching Centre of WA Inc. And Pastor Clive Hayden of the Central Area Church located in Harrisdale Perth.

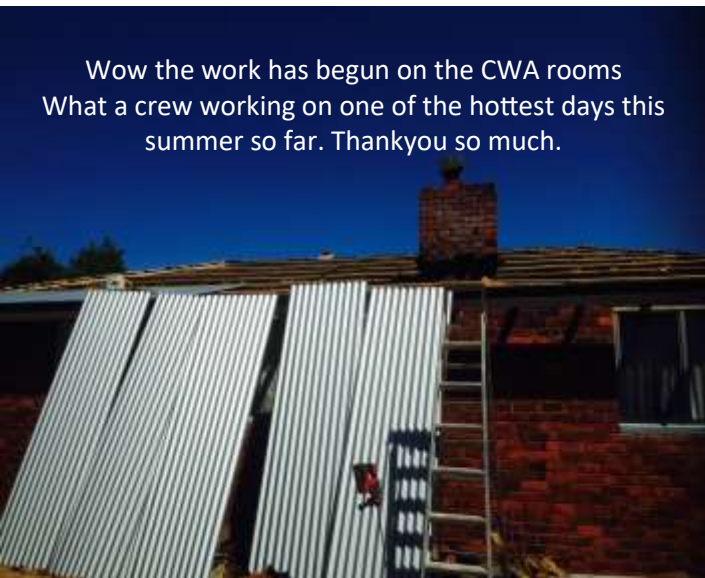

The highlight of the weekend was the Ventriloquist Kit Bergin who held the children captivated when performing.

Tambellup Elder Mrs May Penny said that it was a great weekend with many people coming from Mandurah, Perth, Kellerberrin, Albany, Katanning and of course Tambellup it was good once again to hear the singing and the God's WORD being taught to our Noongar's she also quoted that God is the answer for our people and particularly for the next generation coming on.

Special thanks to Aunty Lynthia for her consistent work in the Tambellup community and her special love for the children.

Wow the work has begun on the CWA rooms  
What a crew working on one of the hottest days this  
summer so far. Thankyou so much.

We teach you about visual storytelling and photography. In the process, we unite local community. Our photo stories provide an opportunity to see 'behind the curtain' of Australian life, as it really is.

And as we take a peek, we see the most heart-warming and fascinating of moments, that may have previously been taken for granted. Because even though this country is big and the towns are small creativity is scattered in the most unusual places.

**PHOTO  
STORIES  
WORKSHOP**

## BE INSPIRED TO CAPTURE A PHOTO STORY.

This 3 hour workshop will give you the tools and inspiration you need to go out and start a photography project. By creating a photo story, you have the opportunity to put into practice different photography genres such as portraiture, documentary, capturing action and detail plus you will learn to edit and order your images into a coherent story.

Create a photo story to vividly capture events in your life or to take customers behind the scenes of your business or simply to learn a new skill. Take the focus off the technical and onto the content of your images.

How can you capture atmosphere and real emotion?

How does lighting effect the mood of your photos?

What types of images help make a coherent story?

What are some helpful tips for photographing people?

Apps and creative programs and much more.

No prior photography experience is necessary. Expensive camera equipment is optional. If you would like to use your smart phone go ahead! You will probably surprise yourself.

One of the aims of this workshop is to bring community together in a focused way. People living in rural and remote communities have different levels of photography experience. There are a range of ages, male and female from all walks of life.

It doesn't matter whether you are shooting on a DSLR, a compact camera or smartphone you can all capture memorable images that tell a story. This workshop is all about learning by doing and having a creative project with an end result. Put into practice what you learn but more importantly learn while you do it... and have fun!

Be part of our online community 'Our PhotoStories' and share your stories for guidance, feedback and inspiration.

### TAMBELLUP CAKE DECORATORS

The Tambellup Cake Decorating group will be resuming their activities as from **Tuesday February 19<sup>th</sup>, 2019 at the Tambellup CWA ROOM.**

**Anyone** interested in cake decorating or any aspects to do with such is more than welcome to come along. Maybe you have a cake in mind for an event or celebration and would like to tackle it yourself, maybe you have seen a crazy cake on TV & thought you would like to give it a go, then come along if you want ideas or support to achieve your goal.

**Our group meets every 3<sup>rd</sup> Tuesday of the month.**

**Start time is 10:00** and finish time is when you need to or had enough. Don't forget to bring some lunch for yourself if required.

**We do & will.....** have fun, try and learn a new skill or idea each month & welcome anyone at any age. We also have some basic equipment that can be used by those who are starting out. We support each other with ideas, experience & practical help. **We pay \$5 each per month** which assists in hiring the CWA Room. We have the opportunity to attend professional cake dec workshops in our region or in Perth. We also participate in the Hidden Treasures Bloom Festival held each year.

**We do not...** have a formal committee set up, no joining fee, no expectation that everyone can turn up every month or any judgment of one's ability or skill at whatever level. Any queries can be made to;

**Janine Sadler 9825 3041, Aileen Prout 0428 251 183, Gloria Hilder 9825 1109**

**For February,** we are looking at the different techniques for basic covering of a cake and the tools to use to make the job easy. We will also cover a cake board with marbled fondant done 3 ways. Our programme for the year will be discussed, so have a think about what you would like to learn or achieve. If none of this appeals bring along your own project or just come & have a play!
