Another Famous Tambellupian

Congratulations to Dr Paul Genoni for jointly winning the 2019 Prime Minister's Literary Award for Non-fiction.

He was presented with the prestigious award in Parliament House by the Prime Minister, Mr Scott Morrison in October.

Paul co-authored with Tanya Dalziel the book "Half The Perfect World – Writers, Dreamers and Drifters on Hydra, 1955-1964"

The book is about a community of expats from around the world who all call Hydra their home and includes several great Australian writers. All living their dream on a beautiful Greek Island.

Paul's parents, Reg and Joan Genoni, owned the Tambellup Newsagency, located in what is now The Bendigo Bank building. The family left Tambellup in 1967. Paul has worked at Curtin University in the School of Media, Creative Arts and Social Inquiry. He has also studied Australian Literature through-out his career and is a former president of the Association for the Study of Australian Literature.

May I say a huge thankyou to everyone for all the help and support to Kevin and I after his awful accident on the 24th of October.

For the expert and professional treatment by Beth, Sonia, Trevor and Maxine from St John's.

To Josh and Rob, our caring police for support at the scene and still ongoing.

To the lovely lady who was first on the scene and rang for emergency service and to the young man who rang me to tell me of the accident, sorry I don't remember your names but I know you are very caring people.

To SES and FESA personnel especially to Mandy who drove me to Albany hospital and stayed with me

To Aileen for her support and lovely messages of encouragement

To my dear neighbours Roma, Rita and Duncan for caring for our gardens so well and the ongoing support.

Kevin has been transferred back to Albany Hospital from RPH and is undergoing rehabilitation and recovering well. It is so good to be a part of such a caring community.

THANKYOU EVERYONE.

The Farmer family would like to thank everyone for their love, support and attendance at the funeral for our beloved Fudgie.

The next meeting of Council will be held on **Friday 13 December 2019 commencing at 3.00pm** in the Tambellup Council Chambers. *Please note the earlier start time for this meeting only.* Members of the public are welcome to attend all Council meetings.

Our congratulations to staff members Owen Kay and Shannyn Timms on the arrival of their beautiful daughter Aubree Maree, a little sister to Aria.

FROM THE NOVEMBER COUNCIL MEETING

- Council endorsed the dates for Ordinary Council meetings for 2020, as follows:

20 February	19 March	16 April
21 May	18 June	16 July
20 August	17 September	15 October
19 November	18 December (Friday)	

All meetings are scheduled to start at 4.30pm, in the Tambellup Council Chambers unless otherwise advertised. Members of the public are welcome to attend any meeting of Council.
- Council agreed to renew the lease agreement with Great Southern Community Financial Services Ltd for the occupancy of 36 Norrish St Tambellup.
- Council granted planning consent to G Carter for the use and development of Lot 23 India Street Broomehill for advertising signage, subject to conditions.
- Council agreed to amend the 2019/20 Budget to increase operational expenditure for the Broomehill Museum by \$16,000 to undertake internal painting, repair flooring and installation of internal and external electrical power outlets. A transfer from the Building Maintenance Reserve of \$16,000 will fund this maintenance.
- Council considered a request to amend the Restricted Access Vehicle (RAV) rating for sections of Beejenup Road, Birt Road, Bridge Street, Curnow Road, Donald Street, Gillespie Road, Norrish Road, North West Road, Nymbup Road, O'Neill Road, Peter Valley Road and Stirling Access Road to a RAV category 4. Council also considered a request to amend the RAV rating for sections Beejenup Road and Eureka Road; Broomehill-Kojonup Road, Fairfield Road, Flat Rocks Road, Heron Road, Journal Street, Marshall Road, Ngopitchup Road, North Nookanellup Road, Old Broomehill-Kojonup Road, Punchmirup North Road, Tieline North Road, Toolbrunup Road, White Road and Yetemerup Road to a RAV category 7. Upgrading the RAV Ratings on these roads will allow for a better connected network where the minimum RAV Rating within the Shire of Broomehill-Tambellup will be RAV 4 (excluding 3 minor access roads to private property). The roads proposed to be amended to RAV 7 will provide for future freight transport and harvest periods in conjunction with the newly introduced Harvest Mass Management Scheme (HMMS). This allows continuity of the RAV Network from neighbouring shires and direct pathing through the Shire of Broomehill-Tambellup. Council will advise Main Roads WA that it supports the requests subject to conditions, with any upgrades or improvements required to the roads to be approved by the Shire, and constructed to Shire and Main Roads standards.
- Council considered submissions received for the construction of the Broomehill Central Fire Brigade building and determined to award the tender to RM Smith & Sons.

WORKS

Sealing on Flat Rocks Rd, McGuire Rd, Morgan Rd, and patches on Broomehill-Kojonup Rd and Tieline Rd was completed in November. The construction crew has moved over to Pallinup Rd, where preparations are well underway for stabilising of a 4km section prior to sealing. Clearing has been completed, culverts have been extended or replaced where required, and all gravel has been carted to the site. People travelling on Pallinup Rd are asked to proceed with caution and observe traffic direction on site.

Sand, gravel and rocks have been supplied to the various housing sites in both towns, and sand has been stockpiled in Broomehill prior to the start of the construction of the new fire station.

Maintenance grading has been completed on the following roads through November: Chillicup Rd, Etna Rd, Moultryerup Rd, Beejenup Rd, Holly Siding Rd, Marshall Rd, Palomar Rd, Ngopitchup Rd, Simpson Rd, Birt Rd, Warrenup Rd, Witham Rd, Parnell Rd, Moore Rd, Grahams Well Rd, Komani Rd, Paul Valley Rd, Toolbrunup Rd, Crosby Rd, Stirling Access Rd, Hilder Rd.

GREAT SOUTHERN HOUSING INITIATIVE

Work on the six houses and four independent living units continues, with great progress being made. Of the houses in Tambellup, it is anticipated that two will be completed by the end of December, and the remaining two by the end of January. In Broomehill, it is anticipated the houses on the University Block will be completed in February, and the independent living units should be complete by the end of January. We appreciate the efforts of all the contractors, trades and other parties in assisting us to meet the stringent timeframes set down in the funding agreements.

BROOMEHILL INDEPENDENT LIVING UNITS

With completion of the units now on the near horizon, we are again calling for expressions of interest from any senior who may be interested in renting a unit. Two of the units comprise 2 bedroom/2 bathroom, and the other two comprise 2 bedroom/1 bathroom/2 toilets and a hobby room. Each unit will have a secure private courtyard area and vehicle parking, and will be set within landscaped gardens. For more information or an Expression of Interest form, please contact Pam at the Shire on 9825 3555. Please note submission of an Expression of Interest form does not guarantee a unit will be allocated to you, nor does it bind you to any commitment to the Shire.

PAVERS FOR SALE

As residents will be aware, the Shire is implementing upgrades to the townscapes in Broomehill and Tambellup, starting with the replacement of kerbing and pavers in the town centre in Tambellup. As a result, the Shire has for sale a large number of pallets of used pavers and as works progress, more will become available. Please keep an eye out for a flyer in your mail with more information.

CHRISTMAS AND NEW YEAR ARRANGEMENTS

The Shire Offices will close at **12 noon on Friday 20 December 2019** and reopen again at 8.30am on **Thursday 2 January 2020**. There will be no Vehicle or Drivers Licensing services available at either office during that period. Council's outside staff will commence their Christmas stand down on Friday 20 December 2019. A "skeleton" crew will remain on duty to attend to any matters over the Christmas period.

Rubbish and recycling collections will be carried out as normal over the Christmas/New Year period. The weekly rubbish collection will be carried out on **Thursday 26 December** and **Thursday 2 January**. The fortnightly recycling collection will be carried out on **Thursday 26 December** and **Thursday 9 January**. Contractors have requested that bins be put out earlier than normal, as they may be running early.

Any urgent matters during the Christmas and New Year period can be referred to the Manager of Works, Peter Vlahov on 0418 955 642.

RESTRICTED BURNING PERIOD

All residents are advised the **PROHIBITED** burning period commenced on **1 NOVEMBER 2019**. No burning is permitted from this date until **14 FEBRUARY 2020**.

HARVEST AND VEHICLE MOVEMENT BANS

Summer is here, harvest is underway, and a reminder about how you can keep track of Harvest and Vehicle Movement Bans in the Shire:

- **Harvest Ban Hotline – phone 98251042.** This service is maintained by the Shire and fire control officers 24/7, and provides the most reliable and up to date source of information.
- **Text messaging** - Council offers a service to residents whereby you can receive notification of harvest bans and road closures by SMS. **If you are currently registered for this service, it would be appreciated if you could contact Marni or Pam at the Shire on 98253555 to ensure your details are correct.** Similarly, if you would like to register, or no longer wish to receive these notifications, please contact the Shire.
- **Radio broadcasts** – ABC radio, as the emergency broadcaster, provides updates of harvest and vehicle movement bans at scheduled times through the day. While every effort is made to ensure this information is available by broadcast times, changing weather conditions mean this is not always possible. Please do not rely on ABC or other radio stations as a single source of information.
- **Contact your Brigade Fire Control Officer** – contact details are noted above.
- **And if all else fails** – make a judgement call and stop work if you think conditions have deteriorated!

Merry Christmas to all

We'd like to welcome Lynthia's daughter Kerry Smith into the role of Aboriginal Resource Worker for Tambellup. Kerry is cut from the same cloth as her Mum, with her determination and strength of character bound to make a difference in her community.

Our craft group has been very busy recently designing and painting individual fabric pieces which will be stitched together and lined to make new curtains for 'Lynthia's Place', which celebrate the talents of the highly creative people in Tambellup. We have also welcomed a number of Dads who have contributed to this project.

The Breakfast Club at Tambellup Primary School is well attended and supported by our wonderfully loyal band of volunteers, who are making sure the children are well fed and prepared for an energetic day at school.

Lynthia's Place continues to bustle after school on Mondays, again organised and supported by volunteers. Afternoon tea is provided with a range of age appropriate learning activities and homework support being available for the enthusiastic group of students.

With the end of school Term on the 19th December, the groups will go into recess for the summer holidays and resume in Term One in 2020.

We want to thank our fabulous volunteers for their splendid work during 2019. We are so fortunate to be part of this wonderful community, and the care and kindness around Lynthia's illness and then her passing has helped us as we adapt to her loss.

Wishing everyone a very Happy and safe Christmas.

Jan Warnock, Counsellor and Aboriginal Resource Worker, Kerry Smith.

Relationships Australia provides professional relationship support services throughout Australia. We are a not-for-profit, non-aligned, community-based organisation with partial funding from the Federal, State and Local Governments. Relationships Australia operates Australia-wide.

November was a busy month for Tambellup Police. We received numerous reports of Burglary and Damage relating to incidents within the Tambellup Town site. Sadly two of these incidents were at the old Tambellup Train Station where three and then a further eight windows were smashed. In addition to this we recovered a vehicle that was stolen from the rear of the old Tambellup General Store, and seized a quad bike in accordance with the 'Hoon' legislation.

The results to stem from the stated incidents –

- Two juvenile females charged with Aggravated Burglary and multiple counts of Criminal Damage
- One juvenile male charged with Reckless Driving
- Two juvenile males charged with Disorderly Behaviour
- Three adult males charged with Trespass and one charged with Steal Motor Vehicle
- One adult male charged with No Authority to Drive and Possess Drug Paraphernalia

If you are reading this and have children in town, please remind them how serious the offence of Criminal Damage is -

Criminal Damage, section 444 of the Criminal Code, is essentially a wilful damage (intended consequence), as opposed to Unlawful Damage, section 445 of the Criminal Code, where damage occurs without there being any intention for the damage to occur. Criminal Damage is listed as a Schedule 2 offence in the Young Offenders Act, which basically means police cannot caution for the offence. It will be a date with the magistrate if one of your kids smashes a window with a rock for example.

There has been keen interest from external agencies like the Department of Education to work proactively with us to help reduce the risk to young people and the wider community in Tambellup. We have submitted several risk concerns through to the Department for Communities, Education and Housing and we seek public support to let our fellow agencies know we need their help to move forward. Education has been very supportive and are currently working to tackle truancy.

We're issuing rare, but well deserved merit awards to the most improved young person, boys and girls, in Tambellup each month. If you'd like to nominate someone, let us know!

I just wanted to update local residents on the crash that occurred just north of Tambellup on 24 October. Local resident Kevin DAWSON is making a slow but steady recovery, which is great news!

I wish to wrap it up by sharing some of my family history with you, and at the same time thank local resident Elizabeth HAMS for reminding me where I came from. My Great Grandmother was Dorothy MOIR who married my Great Grandfather Captain Forrest HUMBLE. Dorothy, born at Cape Riche was the last daughter of John MOIR and Amelia COOPER. I've generally had more focus on the history of the HUMBLE family, but have discovered that the MOIR's and their descendants are prominent in this part of the world. According to Elizabeth I'm no doubt related to many people in and around Tambellup and throughout the wider Great Southern. Well who'd of thought!!

Tambellup Police wish all residents a happy, safe and prosperous Christmas and New Year.

Tambellup Volunteer Fire & Emergency Service

Aside from attending incidents, either as the primary responder or in support of surrounding brigades, members take the opportunity to brush up on the skills required. Recently, we made short work of a wreck in the backyard of G & T Motors – with all members having a go on the tools. It's quite amazing that a tool such as the parrot beak cutters, that can slice through metal like butter, and produce such raw results, can do it so quietly! But – all the better for assisting people trapped after a motor vehicle crash. We also combined with the Gnowangerup SES to conduct a night exercise, in stabilising a rolled vehicle using hand winches and searching for 'casualties' who had wandered away from the vehicle. Training scenarios are developed to be as realistic as possible, and vehicles and casualties are put into a variety of positions and locations to encourage members to consider the best approach. Aside from the learning aspect of these sessions, they are also good fun and an opportunity to get to know our neighbours better – after all, these are the people we will most likely work alongside at a live incident.

DFES has a new volunteer recruitment campaign underway at present – you may have seen the 'Get Behind the Frontline' ads on TV in recent weeks. The focus of the campaign is that behind every operational team there is a crew made up of operational and non-operational volunteers who keep the brigades and units running. This is an important message as it's acknowledged that not all volunteers wish to be on the frontline. If you are interested in finding out more about the opportunities that may be available with the Tambellup VFES please contact Craig Beacham on 0428 251380 or Pam Hull on 9825 1176.

We take this opportunity to wish all residents a very merry Christmas and a happy New Year. If you are travelling over the holiday period, please ensure you allow enough time for your journey, take regular breaks, minimise distractions and plan to arrive safely!

Public Notice

Scheme water cannot be guaranteed during a bushfire

Water Corporation is prepared for bushfire season. However, we cannot guarantee that water pressure or water supply will be maintained in the event of a bushfire. Extreme demand, fire damage and power cuts can all result in a total loss of water.

If you plan to stay and defend your property during a bushfire, you must have your own independent water supply and pumping capability, and must not rely on scheme water.

Full details about how to prepare for bushfire season can be found at firechat.wa.gov.au

EVERYONE WELCOME

Both events proudly sponsored by the Shire of Broomehill-Tambellup

2019 has come to a close for Tambellup CWA with a combination of members of CWA, the Corner Shop Museum, the Tambellup Cake Decorators and our Friends of CWA enjoying a Gather & Graze light lunch at the CWA Rooms on 14th March, 2019. Our thanks to the Tambellup 124 Store for catering and the CWA members for providing some delicious tasty treats to go with the yummy fruit punch and white wine. Thanks were extended to all those who have assisted the CWA this year with our large undertaking of replacing our roof.

By the time you read this, our final CWA Fish & Chips will have been held. We hope that you have all enjoyed attending during the last year and a half but advise that we will not be available in 2020. CWA hopes that another group may take on the challenge of the monthly meal at the Community Pavilion. We thank you for your patronage.

Our final activity for 2019 will be hosting a **Pop-Up Shop for Kings Park Fashions**. They will be in town from 9.30am to 2.00pm so make sure you pop into the **St John Ambulance Rooms** on **Tuesday, 3rd December, 2019** and pick up all your summer outfits.

Kings Park Fashions stock a wide range of styles and sizes and provide a discount for Seniors Card holders. A cuppa will be available for a gold coin donation on the day.

Tambellup CWA takes this opportunity to wish everyone in the community a very Merry Christmas and a happy and healthy New Year for 2020. Remember, to look out for your neighbours with an R U OK? And enjoy the summer break with your family and friends.

CWA will recommence on the 2nd Thursday of the month from Valentine's Day Eve, 2020.

Our next gathering is:
Tambellup CWA AGM
Thursday, 13 February, 2020
at 9.45am in the
Tambellup CWA Rooms

Merry Christmas

CORNER SHOP MUSEUM INC.

**Station Master's House
Norrish Street, Tambellup WA 6320**

On Wednesday, 20th November, 2019, our Corner Shop Museum members welcomed the Pre-Primary and Year 1 students from Tambellup Primary School for a morning of "hands-on" history adventures at the Museum. With the assistance of Mrs Hilder, Mrs Nazzari, Mrs Lockyer, Mr & Mrs Prout and Mrs Charlton the children rotated through the work stations of washing baby clothes on a wash board and pressing with a flat iron, made butter from fresh cream, squeezed fresh orange juice and made pikelets. They then enjoyed the fruits of their labours for morning tea. Thank you Mrs Cunningham and Mrs Hankinson for bringing the children down.

Photograph ID: Did you know the photograph in the November Topics was taken outside the current Tambellup 124 Store (Tambellup Co-op building). This photo was taken prior to 1933 when the Bank of New South Wales Bank (now Tambellup Health Centre) was built.

Our final meeting will be on:
Thursday, 5th December, 2019
from 10.00am

for a brief meeting followed by a busy bee to refresh the Community Resource Centre window on Norrish Street with a summer theme.

Year 4 Fed Cup Excursion

The Year 4 class at Tambellup Primary School wrote a letter to Ash Barty after she won the French Open earlier this year. The students were learning how to structure and write formal and informal letters at the time, so they applied this learning to congratulate Ash on her win and ask her a few questions about becoming a professional tennis player. The

students and Miss Cail did not expect a reply, but sent it to Tennis Australia anyway. A few months later the class not only received a reply from the World Number 1, but also an invitation to watch her play in the Fed Cup Final! Tennis West jumped on board and organised for the students to watch Ash train at the Perth Arena where they got to meet her and ask her lots of questions. They also enjoyed a coaching session at the State Tennis Centre and were interviewed by Channel 9 who presented a story on them coming to watch Ash play. The students enjoyed watching Ash win her singles on the Saturday and received their very own tennis racket, cap and shirt to keep. We all feel very fortunate to have been given this once in a lifetime experience.

Water Supply in a Bushfire

This information could save your life.

If you plan to stay and defend your home you must have an INDEPENDENT water supply and pumping capability. Scheme water may not be available due to damaged infrastructure and cuts to electricity. Experience shows that when there is extreme demand water supply and pressure are at risk.

Water Corporation makes preparation for the bushfire season to cope with extreme conditions. Despite these efforts, it is likely there will be a reduction in water pressure, and scheme water supply tanks may run dry in the event of fire.

Use the Department of Fire & Emergency Services resources to develop a bushfire survival plan that is suitable for your family and personal situation: You can find more information online at: [DFES Fire plan](#)

To support bushfire plans, people with groundwater bores and surface water access can take and store emergency water without it counting against their entitlements. For more information on this and for the location of emergency bushfire water supplies in dryland agricultural areas visit the [Department of Water and Environmental Regulation's website](#).

Drinking water

We recommend you keep a supply of drinking water available throughout summer in case your water supply is interrupted.

Assistance for customers affected by bushfire

After a bushfire we are able to assist you with issues such as damaged water meters and payment difficulties. If you have been affected by bushfire please call us on 13 13 85.

The [Emergency WA website](#) provides emergency information and community safety warnings. Call 000 in a life threatening emergency or the SES 132 500 for emergency assistance.

GNOWANGERUP'S 4TH ANNUAL SUMMER FAIR

22nd February 2020!

Farmers and researchers sharing knowledge on productive grazing systems for saltland

Gillamii Centre, based in Cranbrook have begun to revitalise farmer interest in productive grazing of saltland across the agricultural regions. Early in 2019 Gillamii group received State NRM funding for a 3-year partnership project to provide extension and some targeted research activities with all other grower groups in the agricultural region. The project is entitled: Regenerative farming systems for saline landscapes in WA.

The project has in-kind support from research and development officers from DPIRD and CSIRO at both an organisational and technical capacity.

A number of activities are under way including the completion of the first in a series of seven interactive hands-on practical 1.5-day workshops targeting farmers and grower group advisers.

The first workshop run as a 'pilot', held in mid-October 2019, and hosted by Gillamii at the Cranbrook Sports Club. Farmers from across the Great Southern and from Bindi-Bindi in the north to Jerramungup in the south participated and provided excellent feedback on the knowledge gained. The workshop 'trainers' included DPIRD and CSIRO researchers sharing new knowledge with the practical experiences of local farmers and visiting existing improved saltland pasture systems.

Farmer participants reported their priorities were primarily to optimise plant water-use and vegetative cover on their saltland and as such reduce the further impact of salinity. They reported that the improvements in grazing productivity on saltland were secondary though important.

As a learning activity, participants worked in groups and visited a local farm where they applied the saltland mapping techniques with the new knowledge from the research to plan the revegetation of a 1000-hectare salt affected portion of the farm.

Each group then presented their proposal to the farmer and the research team, which enabled a greater understanding of the practical implementation as well as providing some excellent technical input for the future restoration of the farm itself.

As a direct result of the workshop, first steps have begun to revegetate the 1000-ha local study site, also formulation of some local trial works, and further similar workshops are being developed for 2020 in Jerramungup and Esperance.

For further information please call Freya Spencer (Gillamii Centre) on 0437 248 206 or email admin@gillamii.org.au

FOR SALE \$145,000 ONO

There's a bargain to be had!

Hidden behind a privacy screening hedge, this colourful 3 BR dble brick & tile home in Tambellup is looking for new owners. 2 main QS BR's and 3rd will take bunks or single or use as study. Front and back patio both under main roof of house. Paved area with 4 x 5 metre shade sail in back garden. 10 ft ceilings throughout with lovely cornice work. Kitchen/dining area has original fireplace but updated aprox 5 years ago, gas stove and large walk-in pantry. Comfortable lounge with small wood burning fire, and air con (hardly needed as we get the 'Albany Doctor' most afternoons and summers not too hot) and the house stays cool,

double glass doors at each end. Dble linen cupboard in hall. All white bathroom - sep. shower, bath and sink. Small sun-room/study area overlooks back garden. Laundry/wet area and sep toilet. Security screens on main BR and fly-screens on most other windows and doors.

Lino on wet areas and carpet on the rest. Mostly original paintwork internally, all in good condition. Easy care gardens are looking a treat right now - lots of fruit trees. Native and ornamental shrubs, trees. Fenced vege patch with raised beds, a couple of good sized gum trees for shade on this large block (over 1/4 acre). The back yard is divided in two with dble gate access. Room for a truck, caravan, boat or chooks, granny flat or workshop (SCA) etc. Water tank for garden, a small garage attached to the house we use as a shed but which would fit a small car and is lockable - concrete floor also room in driveway to park. Sewerage. Town water. 3 x 3 metre concrete pad in back garden great bbq area or shed. The property is surrounded by high Colourbond fencing.

Genuine reason for selling - health and family. Sorry not able to do 'rent/buy' or 'rent', nor do we wish to swap.

Moving date will depend on settlement date basically.

Some furniture can be left - for sale (negotiable) 3 IKEA wardrobes, a QS IKEA bed and corduroy lounge suite & fridge/freezer.

***Don't be shy, make a reasonable offer, you never know, we just might accept and you will get a bargain, really keen to move now. With interests low this is the time to buy!!!

Hope to see you soon...viewings welcome most times, but phone call appreciated and possible prior notice or take us as you find us J
