The next meeting of Council will be held on Thursday 19th April 2018 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

FROM THE MARCH COUNCIL MEETING

At the March meeting Council conducted a review of its 2017-2018 annual budget. The purpose of a budget review is to ensure that income and expenditure for the current year is monitored against the adopted budget and where variances have occurred, or are likely to occur, make amendments to the budget if necessary. A major consideration in the review was the reduction in direct grant funding from the State Government this year, and this has resulted in Council deferring the installation of a shelter over play equipment in Diprose Park. This project will be reconsidered during 2018-2019 budget deliberations.

Council considered and accepted a new agreement with the Department of Transport for the provision of vehicle and drivers licensing services for a further three year period.

Council approved a request from Sgt Allan Mallard from Tambellup Police to support the installation of a new signpost at the Tambellup Administration Centre, to facilitate the signing of the Aboriginal flag daily. Sgt Mallard successfully obtained funding for the purchase of two signposts - one for the Shire office and one for the Police station and shire staff will install both.

ABORIGINAL SKILLS FOR LIFE INTENSIVE PROGRAM

We have rescheduled the two days of workshops to Thursday 12 and Friday 13th April, to be held at the CRC. Anyone interested in participating is welcome to contact the Tambellup CRC on 9825 1177 to register.

EASTER AND ANZAC DAY OFFICE HOURS

The Shire Administration Centres will be closed for the Easter break, from 4.30pm on Thursday 29th March until 8.30am on Tuesday 3rd April.

The Centres will also be closed on Anzac Day, Wednesday 25th April 2018.

STAFF MOVEMENTS

We are pleased to welcome Max Barr to the Shire's Works crew, as the new Horticulture Trainee. Max will be working with our Parks and Gardens team to gain practical experience in this area, whilst working towards a Certificate II in Horticulture. The traineeship is being hosted by ATC Worksmart in Albany, and is funded by the Shire and the Department of Communities.

New trainee Max Barre, with Siohain Scanlon and Geo Tite from ATC Worksmart, and Shire staff Owen Kay and John Farmer

We also welcome Peter Vlahov, our new Manager of Works. Peter, who was formerly the Manager of Works at the Shire of Wickiepin, commenced duties with the Shire on 19 March, and has quickly developed a good understanding of our works program.

At the time of going to print, interviews for the two Customer Service Officer positions were being conducted. We received a large number of high quality applications for both positions, and look forward to welcoming the successful applicants in due course.

CUSTOMER FEEDBACK

The Shire of Broomehill-Tambellup welcomes feedback from its residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our administration offices - Tambellup office 8.30am-4.30pm Monday to Friday, Broomehill office Tuesday to Friday 8.30-12.00, 1.00-4.30pm;
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Fax us on 08 9825 1152; or
- Email us at mail@shirebt.wa.gov.au

For all methods, please include your name and contact details so we are able to respond to you.

WORKS

The impact of a fairly dry summer period is becoming evident, with dam levels in Broomehill and Tambellup generally under 50% capacity. Watering of the Tambellup oval using treated water is also due to end in coming weeks, so we hope the season opening rains are not too far away. Saying that, our ovals and parks are in good shape for this time of the year, indicating our watering programs and infrastructure is doing the job. All dam catchments have been graded recently to enhance water harvesting. Parks and gardens staff are commencing an extensive mowing program for the ovals and other areas of the townsites. They will be beginning the Broomehill Recreational Complex commencing with the implementation of new landscaping in coming weeks and also completed the landscaping around the new Tambellup St John Ambulance Sub Centre building. The construction crew has been working on Warrenup Rd, where clearing and gravelling of a 2.2km section has been completed as part of the construct and seal project. Sealing of sections of Norrish St and Taylor St have been completed and the current stage of Tambellup townscape upgrade works has been finished up.

In response to complaints about excessive dust on McGuire Rd, a 400 metre section adjoining the end of the seal has been stabilised and graded. Council will consider the cost of sealing this section in its 2018-2019 budget deliberations.

The installation of the new washdown bay at the Shire depot has commenced, with the installation of two tanks with a combined capacity of 500kL. Plumbing of the tanks to the sheds is underway, and concreting of the washdown pad will commence in coming weeks. This system, once complete, will allow for up to 80% of the water used to wash down items of plant, to be filtered and recycled through the system.

CRC updates

Welcome back to CRC updates.

The first 3 months of 2018 have been rather challenging with regard to staffing. Viv left us in December and, after advertising and conducting some interviews, all CRC's were made aware that there would be huge funding cuts across the CRC Network after our current funding contract with the Department of Primary Industry and Regional Development (DPIRD) ends in March 2019. Our Management Committee has decided not to appoint a new manager until after we know what our future will be beyond March 2019.

For the remainder of our contract period, the CRC will be co-ordinated by Beth, Alice and Sheree and we will endeavour to offer all current services to the community. When we know if any funding will be offered beyond March 2019, we will reassess the staffing situation at the CRC.

As we are all part-time staff and we recognise the necessity to reduce our costs, as of 1st April the Tambellup CRC will be closed on Mondays and our new opening hours will be:

Tuesday - Friday, 9.00 - 5.00. We apologise for any inconvenience that these reduced hours may cause.

Coming up in April

- Skilled for Life Course for Aboriginal People, in conjunction with the Shire of Broomehill-Tambellup - 12th & 13th April, 9am - 3pm at the CRC
- School Holiday Activities - a range of activities will be offered at the CRC, registration is a must - 17th, 18th, & 26th April, 10am - 2pm
- Visit by Independent Living Centre WA, mobile caravan will be set up across from the CRC - Thursday 19th April, 9.30 - 1.30
- Free Legal Basics Workshop, presented by Albany Community Legal Centre - 11am Friday 27th April at the CRC

SAVE OUR CRC

As we go forward into our next funding contract (hopefully!!), our CRC must prove be relevant to the Community needs. All our government funding is taxpayers money in some form and must not be wasted. The community must demonstrate a need to keep Tambellup CRC open and this can only be done by the community utilising the services on offer and coming up with new ideas to make our centre relevant. If we were to lose our government funding altogether, our CRC could not operate.

Aileen and I were invited to meet with Minister Alannah MacTiernan on Friday in Gnowangerup. Most of the smaller Great Southern CRC's were in attendance and it was made very clear that **budget cuts** were **non-negotiable**. What could be negotiated was how much funding CRC's would receive. If we are all willing to reduce costs i.e.: open less hours, utilise more volunteers or reduce staff, then hopefully no CRC would need be closed but we all need to be on the same page and be willing to work with what we are offered.

By reducing our opening hours and some of our staff hours, we believe Tambellup can still function efficiently into the future - this is preferable to being closed completely. We must also look for alternate funding streams if we wish to survive.

We need more support from our community to stay viable - there is no point having us open 4 days per week if the community does not need us, use our facility or ask for extra services and training to be offered. We are open to offering new services if there is a need that has support.

With Beth and Alice now on staff, there are 2 positions vacant on the Management Committee. We would love new members so please, if you can spare the time (we know we are all busy), put you hand up and come along to our next committee meeting on Monday 9th April at the CRC at 2.30pm - we need lots of new ideas and community input going forward.

Tambellup Sub Centre

Opening March 9th 2018

Our new sub centre was officially opened by Chris Obst MStJ , chairperson of the Katanning Sub Centre, on Friday 9th March.

Replacing the original sub centre opened in May 1967, the new building provides the facilities to take the service forward for at least another 50 years. Our volunteers can now train and work from a building with a large drive through garage, training room, kitchen, offices, toilets and showers.

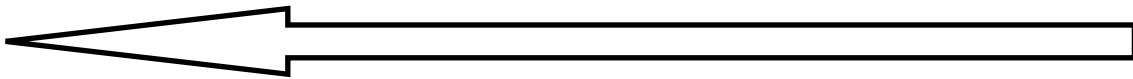

A crowd of nearly 100 people heard a tale about the history of St John Ambulance in WA including the birth of our sub centre.

The project to provide new facilities has been in the melting pot for a number of years. We have received great community support in our fund raising through cake stalls, raffles, Twilight tunes, the CWA, Lions, Troy Norris Golf day, Uni church and the Shire's "wear jeans day".

The Katanning Sub Centre's donation and a grant from the Great Southern (St John) "Looking Forward Giving Back" group got us over the line.

The building was completed on time and in budget by RM Smith and Sons from Gnowangerup and the landscaping was done by the Shire.

We now have the facilities, the equipment and all training is available. If you want to CHANGE your life and that of others come and join us as a volunteer.

Football is back in town!!

Saturday 14th April will see League & Reserves Football, Junior & Women's Hockey and Netball being played at the Tambellup Community Pavilion Complex between **Gnowangerup and Ongerup** .

It will be great to see so many sports played at the same venue on the same day.

The Tambellup Community Pavilion Associa (TCPA) invites the community to come along and support this day.

Tambellup Hockey Club will be running the lunch canteen, the P & C will organise a afternoon tea and the TCPA will be catering in the evening with steak and salad and will also be running the bar. Any ers of help on the day would be greatly appreciated - the Pavilion is for the whole community, not just the clubs and all money raised on the day will stay in our town.

If you would like to stay for a meal at the end of the day, please RSVP to Jane Cunningham on 0438 160 577 for catering purposes.

Toys for Young Children

The best toys to buy for little children are ones that can be used in a variety of ways. Choose toys that will grow with them, challenge them and nurture their overall development—physical, language and social-emotional skills.

- ◆ Choose toys that are open-ended so your child can play many different games with them — *wooden blocks, duplo, sand and water play toys.*
- ◆ Look for toys that will be fun at different developmental stages — *plastic animals, dollhouse, furniture and small people, trains and trucks.*
- ◆ Select toys that encourage exploration and problem solving as well as develop hand-eye co-ordination and fine motor skills — *puzzles, blocks, paint and crayons, play dough.*
- ◆ Find toys that spark your child's imagination — *dress up clothes, toy tools, toy food, plates, cups ,pots and pans and empty boxes.*
- ◆ Buy toys that encourage them to be active.— *bikes, balls of different sizes and shapes, bikes, pull along toys like wagons, gardening tools, toy wheelbarrow.*
- ◆ *Don't forget books - fiction and non-fiction*

Tambellup Bowling Club

Since last month we have only played 2 pennant matches. Some of our club members are going to the men's country week. No ladies ended women's country week. On 25th February we sent a team to the league triples in Nyabing, along with Norm Herbert & Trixie Hampton who were our club single champions, to play for the league singles. Unfortunately, due to weather conditions the ladies, decided not to continue with play after the down pour. The men continued on with Norm going into the final against Peter Lane of Jerramungup & narrowly missing out by two shots. The triples team couldn't get the shots needed and were knocked out in the first round.

The Pennant score for the last two games were;

Ongerup (64) v's Tambellup (67)

Tambellup (63) v's Broomehill (70)

The finals were played over the weekend of 24th/25th March in Gnowangerup.

Tambellup played Gnowangerup Red and ended up with the aggregate over them by 3 shots

Tamb (78) Gnow Red (75). After a delicious lunch of hot lamb rolls & gravy on a wet cold day proved too much for Tambellup losing out against Gnowangerup White on a spot in the grand final by 36 shots, Tamb (55) Gnow White (91) - sorry luck next year guys!! Well done to Gnowangerup White who took out the league Pennants against Broomehill.

Next on the calendar is the Tambellup Invitational Classic on the 10th/11th April. As well as Thursday scrungers, everyone is most welcome to come & join us in a game of friendly bowls.

The club windup & presentation on a afternoon/night will be on 21st April. We will play our club East v's West competition starting at 1.30pm on the green. Please bring a plate of a afternoon tea to share, following will be a BBQ tea for our windup, could members please bring a salad to share, thanks.

We would like to thank the community members who came up to the Pavilion and supported Tambellup Bowling Club with our Fish & Chips night.

We have relocated!

Its exciting news in the Jewelpani camp—we have moved!! After 3.5 years in the shed at Tambellup we have decided to take the next step and relocate to Chester Pass Mall in Albany.

We are open Monday—Friday 9-5 and Saturday 10-2, offering a range of furniture, pots, jewellery, ware and homewares.

We would like to thank you all for your support and kind wishes and pop in and see us next time you're in Albany!

Emergency and breakdown vehicles

Slow Down, Move Over Law change effective 2 March 2018

Ending roadside incidents can be risky business, that's why, from 2 March 2018, our roads will be safer for workers ending roadside incidents. Flashing lights on a stationary vehicle means approaching vehicles must slow down, move over (if possible) and pass at 40 kilometres per hour. Let's look after those who look after us.

SLOMO stands for Slow Down, Move Over. The SLOMO law requires drivers to slow down around stationary emergency vehicles, tow trucks, Incident Response Service vehicles and motor break-down service vehicles which are displaying flashing lights while ending an incident.

This includes vehicles used by WA Police Force, St John Ambulance, Department of Fire and Emergency Services, break-down service vehicles (such as the RAC), Main Roads WA Incident Response Service and towing companies on site to salvage or tow vehicles.

Moss Coaching Clinic & Track Tweaking at Sukey Hill

Greg Moss from Moss Institute of Motocross and Supercross Training is heading to Cranbrook Districts MCC Sukey Hill track on weekend 14-15th April to provide follow up advise on the track he designed in late 2016. At the same time the club is capitalising on his services by providing an all ages, all abilities, open to all riders, coaching clinic.

Greg Moss is the head coach and founder of the Moss Institute, based in NSW, and has developed a proven coaching technique after almost 40 years in the sport and over 20 years of coaching experience. Accredited by the Australian Institute of Sport as a Level 2 Master Coach, Greg has an eye for up and coming Australian talent, developing many of our national and international professionals. With a unique talent in analysing riding techniques and communicating with riders, Greg has what it takes from both a basic and world-class perspective.

This visit will be the first time Greg has seen the Sukey Hill track built in May 2017, in action, and Cranbrook Districts MCC are keen to show off their works. After Greg's initial consultation on design in late 2016, then follow up comments after viewing YouTube footage of August 2017 Club Day, he too is keen to head West. This time the visit will be to fine tune the track with focus on technical elements, dual lines and track speed, to give this Sukey Hill track a cut above the pack, and a valid reason for riders to leave the metropolitan area.

The two day clinic costs \$250 and includes lunch and refreshments. Camping at the Sukey Hill track is free, however facilities are limited with no drinking water or power.

Get in quick as places are filling fast – you do not need to be a member of Cranbrook Districts MCC to attend. register on Ridernet or Motorcycling Australia APP enquires 0447194259

Cranbrook Men's Shed

Tambellup Men—Come on down!!!

The Shed is continuing to progress – the boys have been busy installing the new shee g on the back section now that Kev has installed the new personnel access door next to our new rear sliding door, all going well this section of Shed wall will be completed over the next couple of weeks.. We have installed the ceiling cornice in the smoko room and the ceiling has had a couple of coats of paint – looks great. Next job here is to paint the walls and install architraves and skir boards which will see this room ished. With the completion of these last couple of tasks we will be able to work through our considerable lists of private and community projects, Norm has been working on resurrecting an old swing for Gidgit and the frame is nearly ready for the new paint to be applied. We have quite a list of projects including, restoring an old linen chest, building a bed frame, laying some pavers at Darwinea, building and installing a curtain pelmet, building and install a wardrobe, and refurbishing an old Singer sewing machine table to list a few. We are only at the Shed one day a week and as we have been busy working on the Shed improvements our project list is progressing slowly, it may take us a while to complete our current list of projects – but we will get them all done. We had a successful day at the Shire on Show last weekend and while our chicken kebabs were enjoyed by many, our 'build a toy' section was really enjoyed by some of the younger crowd. Our monthly meetings are now being held on the 1st Thursday of the month starting at 0830 – the meetings are preceded by a toasted egg and bacon sandwich and these meetings are open to all Shed members and any member of the public who would like to attend. We are open on Thursdays and we encourage men to drop in have a look around and enjoy some fellowship over a cuppa. If you want any further info please call Steve 0429 942 852 or John De Burgh 0419 957 962.

A happy, healthy community

The Tambellup Breakfast club continues to run every Tuesday, Wednesday and Thursday at Tambellup Primary School.

Providing free, healthy food within a school breakfast program helps children to achieve their best in the classroom and in the playground. Students participating in the School Breakfast Program not only experience the physical benefits, but also the positive social and educational aspects of the program.

Don't forget that every Tuesday we run a women's group from the Relationships Australia WA building at the corner of Garrity St and Tambellup West Rd. Join us for a variety of activities, great discussions and a delicious morning tea and lunch. It runs from 10am – 2pm with Wanslea providing a crèche for the little kids.

A big thank you to our new and continuing service providers, Palmerston, Wirrpanda Foundation, WANSLEA, Education Department and Amity Health. Without their very valued support, we would find it difficult to deliver these programs for our community.

And of course, thank you to everyone in the Tambellup community for their support in attending and supporting our programs. We can't do it without you!

We would also like to remind all members of the community that Relationships Australia WA offers counselling that is completely private and confidential. If there is something you require support with, we can help. You can also participate in a number of our community education courses. Call 1300 364 277 to find out more or see the list of our courses at our website www.relationshipswa.org.au

TAMBELLUP PUBLIC LIBRARY NEW BOOK EXCHANGE

Ever wondered if there was more to life than the same old crap? Ever dreamed of hitting the road and leavin' it all behind? You're not alone... Join Dave, a young Aussie surfer, on a transformational road trip across the country that will leave you feeling anything's possible. Gather your courage, jump in the van and come along for the ride...

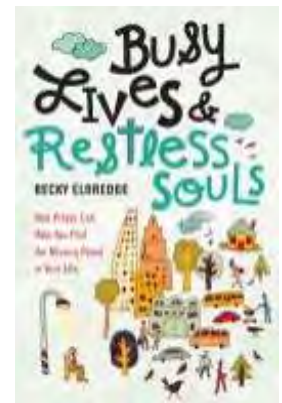

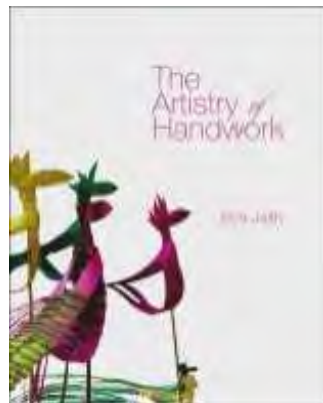

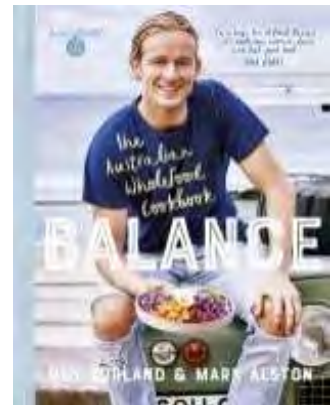

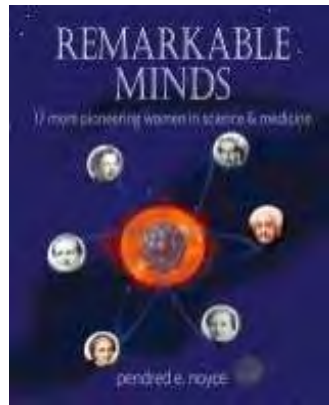

When journalist 'MS' interviews the mysterious 'XX' for a job at her magazine, she hires him straight away - because he's gorgeous. As one date leads to another, her obsession spirals. MS finds herself writing letters to Facebook (to see if XX can tell how she views his page), to her phone company (can they delete messages she regrets sending?) and to XX's favourite author (who is dead), whilst the object of her affection remains aloof, a moodily seductive Vespa-riding urbanite.

Lara Ivory is a dazzling movie star with the world at her feet. But at 32 she has yet to find a man capable of coexisting with such a temporary object of desire. Lara's ex-husband, Richard Barry, is a successful film director now married to Nikki, who is producing her next movie, Revenge. Nikki likes to keep Richard close. But Richard is not the kind of man who takes orders even from a beautiful woman. On the surface, these three are great friends, but when Nikki persuades Lara to star in Revenge, a bitter struggle for control of Lara's life begins.
