Tambellup Uniting Church presents

PANCAKE DAY

Tuesday 13th February

10am - 4pm

Tambellup CRC

All proceeds go to the Tambellup

St John Ambulance

This annual event has become a very
social day enjoyed by all.
Thanks to the Uniting Church
members who cook the pancakes.

Broomehill Australia Day Breakfast

Right—Congratulations to the thong throw winners.

Tambellup Australia Day

The Australia Day event for 2018 was hosted by the Tambellup Bowling Club at the pavilion complex. A good crowd was in attendance for the flag raising.

This was followed by a bowls spider, where people spread around the green and release a bowl at the same time. It was quite a sight with all the different coloured bowls in use these days. The winner was Monica Nazarri and hopefully they have had a chance to enjoy the meat pack.

A BBQ lunch followed, sponsored by the Broomehill—Tambellup Shire.

After lunch, teams were drawn to play for the Cancer Foundation Tray. The winners for 2018 were Ken Meares and Stan Aylmore.

Thanks to all those who were able to attend and enjoy the day.

NewsFlash!

Did you see the change in Decembers newsletter?

Well yes its true, the Tambellup Topics and BT Times have merged.

It is now 'TOPICS'.

Soooo what does this mean?

The Shire of Broomehill—Tambellup and Tambellup CRC are now creating one newspaper for the whole community. It will be available monthly via your Tambellup or Broomehill postal mail box or on the counters of the Tambellup or Broomehill Shire Office, Post Office, Tambellup CRC and Tambellup Deli. Postal subscriptions are also Available from the Tambellup CRC or check out the CRC or Shire website for the online version.

Would you like to have some input?

Residents of Broomehill and Tambellup, "Topics" is entering a new era.

We are seeking enthusiastic community minded individuals to help us create a new and inclusive newsletter for our Shire. If you are interested and are willing to volunteer some of your time to join our team in creating a modern, enjoyable and interesting publication, please contact us.

From the Shire

The Tambellup CRC and the Shire have been in discussion for some time regarding the possibility of merging the Tambellup Topics and the BT Times. The reason for these discussions is the fact that much of the information submitted for publication in recent times has been included in both publications, resulting in two very similar community newsletters.

The merging of the two publications to become 'Topics' has allowed for the development of a single quality community newsletter relevant to all residents of the Shire of Broomehill -Tambellup, which will be produced by the Tambellup CRC with the support of the Shire. We look forward to the full participation of individuals and groups in Broomehill and Tambellup in submitting items for publication, to make 'Topics' a successful and valued whole of community newsletter for many years into the future.

Monthly editions of 'Topics' will be distributed by mail to all residents as is the case with the BT Times, and subscriptions will be available for people living outside the Shire. The 'Topics' will also be available to download from both the Shire and the Tambellup CRC's websites - www.shirebt.wa.gov.au and www.tambellupcrc.net.au. We wish all those involved in the production of the 'Topics'

We want your information!

Sporting groups, community organisations, social clubs, religious groups, please, please, please send in your fixtures, upcoming events or photos to us for publication.

Are you out and about?

We are also seeking some "Roving" reporters and/or photographers, that would be willing to report on local events that they might be attending. If you are keen, send in your articles and photos for publications.

So how do you contact us?

Its easy!

Just email us at tbtopics@gmail.com or drop off your information to the Tambellup CRC or either of the Shire of Broomehill—Tambellup Offices.

Still want more information?
Contact Kristy on 0417 986 653

Don't forget—

The submission closing date is the 25th of the month, late notices will not be included.

Its all about you...

We welcome all ideas for "Topics", feel free to send your suggestions into us for consideration.

SHIRE OF BROOMEHILL-TAMBELLUP

Phone: 98253555

Fax: 98251152

Email: mail@shirebt.wa.gov.au

The next meeting of Council will be held on Thursday 15th February 2018 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

FROM THE DECEMBER COUNCIL MEETING

- Council endorsed the appointment of Mrs Emily Hardie as its proxy representative to the Hidden Treasures of the Great Southern Committee. We thank Emily for her commitment to Hidden Treasures. Cr Holzknicht is the Council delegate to this committee.
- Following consultation with the Broomehill Playgroup, Council determined to extend the Memorandum of Agreement for the use of the RSL building by the Playgroup for another five years.
- Council considered and approved an application for the development of two sheds on Lot 253 Broomehill-Gnowangerup Road, to be used as a Ram Shed and a Hay Shed.
- Council agreed to commence the process of developing a new planning Scheme for the Shire. The process will involve community consultation and advertising, and the WA Planning Commission has advised it is able to assist.
- Council considered and approved (with conditions) an application for the development of a telecommunications tower and associated infrastructure at Lot 3464 Birt Rd Bobalong.
- Council did not support a request from the Broomehill P & C to waive hall hire fees for an event at the Broomehill Hall.
- Council endorsed the reviewed Standard Operating Procedures for Bush Fire Brigades. Copies of the reviewed document have been sent to Brigade Fire Control Officers.
- Council supported in principle a proposal from the Broomehill Recreational Complex Committee to construct a spectator viewing pavilion on the northern side of the oval.

STAFF MOVEMENTS

Councillors and staff were sad to farewell long term employees Glen and Kathy Brigg during January. Glen accepted the position of Works Manager for the newly amalgamated Shire of Broomehill-Tambellup in January 2009, and his knowledge and skills were put to good use in many areas of Shire operations. Our roads network has benefitted greatly during Glen's time in the role through his active lobbying and participation at regional level for State and Federal funding for upgrades, and we will miss his expertise in this area.

Kathy joined the Shire in 2010, initially in the parks and gardens team, before taking on the position of Team Leader Parks and Gardens for a number of years. Kathy's input is evident in both townsites, with extensive replantings carried out to add colour to our townscape. Kathy has most recently been Council's Administration/ Finance officer, and she will be missed in the office. We wish Glen and Kathy all the best for the next chapter of their lives.

The recruitment process to fill the Manager of Works position has been completed and we are pleased to advise Mr Peter Vlahov has been appointed to the position. Peter comes to us from the Shire of Wickpin where he has been in charge of works for a number of years and brings a wealth of experience with him. We welcome Peter and his family to our community.

The CEO is undertaking a workforce review at present, which is a requirement of the Department of Local Government's integrated planning program, and this process will assist to determine the best combination of administrative roles to provide an effective service to ratepayers. If any vacancies result from the review, these will be advertised in due course.

BROOMEHILL RECREATIONAL COMPLEX COMMITTEE - COMMUNITY CHEST FUNDING

During 2017 the Broomehill Recreational Complex Committee was successful in its application to the Great Southern Development Commission's Community Chest program for funding to assist with the replacement of its aging tractor which is used to mow the golf course. Just before Christmas, BRC President Brant Dennis took delivery of the new (second hand) Toro mower from T-Quip representative Ben Russell. The new machine has a five metre cut, which will significantly reduce the amount of time spent mowing fairways.

The acquisition of the new mower continues the positive working relationship between the BRC and the Shire. Currently the Complex Groundsman is employed jointly by the BRC and the Shire, and the upgraded equipment assists in providing a safe work environment for this employee. The Shire has also agreed to maintain the mower.

Congratulations to the BRC on their proactive approach to improving equipment and infrastructure at the Complex.

WORKS

Most of Councils works crew took leave during December and January, however a small crew was on duty over Christmas and New Year to continue a number of projects that were underway. The rain received prior to Christmas wasn't necessarily appreciated by those in the middle of harvest, however it did help to raise the dam levels in both towns. The gardeners have been busy coping with a rush of summer growth on the parks and ovals, and the summer weeds that eventuated. The ovals have been fertilised and sprayed for black beetle and broadleaf weeds, and are looking a picture at the moment. Some drainage issues are still evident on the Broomehill Oval, and staff will be monitoring the situation into the winter season to determine if further remedial works are required. Watering of the Tambellup Oval with treated water will commence shortly.

Council staff will take over the management of the reticulation systems on the Broomehill Oval following Brant Dennis' decision to step down from this responsibility. We thank Brant for his attention to this task over the years.

The implementation of the Townscape Plans commenced in Tambellup during November and December, with the replacement of kerbing in front of the Post Office and the construction of a ramp in to the Post Office. This stage of the works will be completed in coming weeks, and future stages will be scheduled once the new Manager of Works has commenced duties.

During 2017 Council was successful in its application to the Department of Water to install a water harvesting and vehicle washdown system at the Tambellup Depot. This system will involve the installation of two 250kL tanks to catch water off the new machinery shed, which will feed to a new purpose built wash down bay with a filtration system to filter contaminants from the dirty water. The filtered water will then be recycled to a third tank for reuse through the system. The system is able to recycle up to 80% of the water used in washing down vehicles and contaminants are captured in a separate container for appropriate disposal. All components have been ordered and local contractors will soon commence the construction of the wash down bay ready for installation on the system.

During December and January the maintenance graders were working in the western part of the Shire, heading north. Roads graded included: Broomehill-Kojonup Rd, Old Broomehill-Kojonup Rd, Flat Rocks Rd, West Peringillup Rd, Brassey Rd, Greenhills South Rd, Nookanellup Rd, North Nookanellup Rd, O'Neill Rd, Pindellup Rd, Palomar Rd, Ngopitchup Rd, Birt Rd, Stock Route Rd, Poonawariup Rd, Warrenup Rd, Des Wray Rd, Sorrento Rd, Grahams Well Rd, Komani Rd, Crosby Rd, Hilder Rd and Northwest Rd.

During December the construction crew was working on Pallinup South Rd where sealing of a 3 km section was completed. After the Christmas shut down the crew transferred to Toolbrunup Rd where a 6km section was prepared for resealing.

The flood damage reinstatement works are progressing well, with contract crews having completed most work north of the Tieline Rd before Christmas.

RAINFALL RECORDING

Following the withdrawal of the current record keeper, the Shire of Broomehill-Tambellup has agreed to keep rainfall records for Broomehill for the Bureau of Meteorology. The process requires recording and reporting of rainfall measurements on a daily basis whenever rain occurs. Measurements are taken at 9am.

The Shire's decision ensures that the record keeping will build on the existing 127 years of data. Bureau of Meteorology staff attended the Broomehill Depot recently to install the rain gauge.

Pictured: Parks and Gardens staff member Lara Hugill with Bureau of Meteorology staff and the new rain gauge.

CUSTOMER FEEDBACK

The Shire of Broomehill-Tambellup welcomes feedback from its residents and customers. If you would like to provide feedback on Shire related matters, there are a number of ways you can do this:

- Attend in person at either of our administration offices;
- Write to us at 46 – 48 Norrish St, Tambellup 6320;
- Phone us on 08 9825 3555
- Fax us on 08 9825 1152; or
- Email us at mail@shirebt.wa.gov.au

For all methods, please include your name and contact details so we are able to respond to you.

COUNCIL AGENDAS AND MINUTES

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with disability.

Council Agendas and Minutes can be accessed online by browsing to www.shirebt.wa.gov.au and clicking on the "Our Shire" tab.

Keith Williams **CHIEF EXECUTIVE OFFICER**

ABORIGINAL SKILLS FOR LIFE INTENSIVE PROGRAM

Through regional collaboration with the Shires of Gnowangerup and Katanning, the Shire of Broomehill-Tambellup is pleased to be able to support a free two-day life skills workshop for aboriginal residents of the Shire. The workshop, which will be facilitated by Sass Vlasich of 'Skilled4Life' on **Monday 12th February and Wednesday 14th February 8.45am - 3.30pm**, will include sessions on

- Legal documents and signatures - how and when to use them
- How to get the most out of government departments - MYGOV, Centrelink etc.
- Basic budgeting
- Getting and keeping a job
- Keeping yourself mentally and spiritually healthy

We invite anyone interested, and particularly school leavers and young adults, to register at the Shire. Morning tea and lunch will be provided on both days. The workshops are presented with the support of the Wirrpanda Foundation and Palmerston. For more information please contact Pam at the Shire on 9825 3555, or alternatively, call in.

PROHIBITED BURNING PERIOD

All residents of the Broomehill-Tambellup Shire are reminded that the **PROHIBITED** burning period commenced on **1 NOVEMBER 2017** and continues until **14 FEBRUARY 2018**. During this period the lighting of fires is **PROHIBITED**.

From **15 FEBRUARY 2018** until **15 APRIL 2018** the **RESTRICTED** burning period will be in force. During this period you are required to obtain a permit before lighting any fires, and all conditions on the permit must be complied with. The lighting of fires is **prohibited** over the Easter weekend.

For more information or to apply for a permit please contact:

BROOMEHILL SHIRE OFFICE HOURS

Residents are advised that due to recent staff movements, from 22 January 2018 the Broomehill Shire office hours will be as follows:

Tuesday – Friday 8.30am – 4.30pm

Closed for lunch 12 noon – 1.00pm.

These hours will be in effect until further notice.

The CEO is undertaking a workforce review at present, which is a requirement of the Department of Local Government's integrated planning program, and this process will assist to determine the best combination of administrative roles to provide an effective service to ratepayers. If any job vacancies or other changes result from the review, these will be advertised in due course.

THUMBS UP

To all those involved with the organisation of Australia Day events in Broomehill and Tambellup - it's events like these that give our towns personality and vibrancy. Well done!

**HARVEST AND VEHICLE MOVEMENT BANS**

For up to date information on Harvest and Vehicle Movement Bans:

Harvest Ban Hotline: Residents can phone **98251042** 24/7 to hear pre-recorded information about the status of harvest and vehicle movement bans. This is the most up to date and reliable source of information available.

Harvest Ban SMS: Residents can register their mobile phone number with the Shire, to receive notification of imposing and lifting of harvest and vehicle movement bans, road closures and other emergency information. To register your number for these notifications, please contact Marni at the Shire on 9825 3555. Please be aware that not all areas of the shire experience full mobile signal, and this may result in notifications being delayed. For this reason the SMS system should not be relied on as a sole source of information.

Local Radio: Harvest and vehicle movement ban information is broadcast on ABC radio at 10.05am, 11.05am, 12.35pm and 2.05pm, and on RadioWest at various times during the day. While every effort is made to ensure local information is provided to the radio stations for broadcast at these times, weather conditions can change quickly, and bans may need to be imposed at relatively short notice. Again, please do not rely on this as a sole source of information.

Residents are directed to the Harvest Ban Hotline – 98251042 – as the most up to date and reliable source of information.

If you think the weather conditions have deteriorated to the point where you feel it is unsafe to move vehicles around paddocks – make a judgement call and STOP – whether a ban has been imposed or not.

Wanted:

The Tambellup Cropping Group is seeking a farmer who would be interested in leasing some land to the community group to put a crop in for up-coming season. Ideally 100-200 hectares would be suitable but very interested to look at any size or location that may be offered. A long term arrangement would be beneficial to the cropping group so long term plans can be put in place heading forward.

Have you ever wanted to drive or ride in a *MERCEDES???*

Well here's your chance

Contact **Bronny Bradshaw 98253046** or **Trevor Prout 98251182** to find out how. Like most things it comes at a price.....It will take some of your time, some training, wearing a uniform and a sense of doing something positive but what the heck.....

I would sincerely like to thank everyone who attended the Landmark Client Appreciation night last Friday. A great night was had by all from what I've heard!

A massive 'THANK YOU' goes out to my wonderful clients, for your support and friendship over the 9 years I've been at Landmark. You made it a joy to come to work every day.

Also to everyone who contributed to the little beauty I have around my neck - you are all very generous and kind. I'm certainly going to miss everyone! You know where I'll be working (I'm keeping the same number) so if you're ever in Broome please give me a shout!

Love and best wishes, Holly

MEDIA RELEASE

ALBANY AND ESPERANCE

TITLE: Small Grant Available for Landcare

Community groups and the environment can both win with money up for grabs in the latest round of the Regional Landcare Facilitators' Community Small Grant Program.

Local community groups are encouraged to become involved in Landcare activities by applying for funds of up to \$500 (ex GST). Funds can go towards the cost of running an event or project that benefits the community and the environment.

'I am proud of the high quality of projects this program has supported since 2010, with \$10,000 directly used to support 20 local community groups annually. These small projects make a real difference to our environment and build capacity of our communities' said Mr Justin Bellanger, Chief Executive Officer at South Coast Natural Resource Management.

'As a community-focused not-for-profit organisation, we are always seeking opportunities to help create resilient communities in the South Coast NRM region. The RLF Community Small Grant Program provides financial support for on-ground initiatives driven directly by the local community.'

Sally Forbes, Regional Landcare Facilitator for South Coast NRM, would like to encourage not-for-profit groups, sports clubs, recreation groups, associations or schools within the South Coast region (Walpole to Esperance) to apply.

'We would love to see our local communities taking advantage of this opportunity to fund a wide range of Landcare initiatives' said Ms Forbes. Projects and events could include a weeding day at your local reserve, a beach litter clean-up, tree-planting at your local sports ground, a feral animal control event, or even a fauna or flora survey.

Application forms are available on the South Coast NRM website. Applications close on Friday 2 March 2018 and projects must be completed by Friday 11 May 2018.

This project is supported by South Coast NRM, through funding from the Australian Government's National Landcare Program.

For further information, contact Sally Forbes on 9845 8540, or visit www.southcoastnrm.com.au.

ROADWISE

As you hopefully know, the minimum passing distance laws for cyclists have been in effect since 30 November 2017. The Road Safety Commission are looking to have road users complete a survey which begins a two-year process to gauge public awareness and acceptance of the new law.

The company Cardno has been appointed to conduct research on the new regulation and would like input from a range of road users, including motorists, motorcyclists, truck operators and cyclists.

Please complete the survey yourself and circulate through your networks as appropriate. If you have the ability to share this through your organisations website or social media channels that would be appreciated. You can access the survey through the following links;

Cycling Survey <https://www.surveymonkey.com/r/XZ9H2J5>

Road Safety Commission (RSC) Facebook page <https://www.facebook.com/roadsafetycommission/>

RSC LinkedIn page <https://www.linkedin.com/company/4813575/>

For further information on the legislation please visit the RSC website information page, <https://www.rsc.wa.gov.au/Rules-Penalties/Browse/Cyclists>

CENTRELINK CUSTOMERS—PLACE IN QUEUE PHONE SYSTEM

The use of phone service has changed.

Centrelink has a CALL BACK service. This gives you the choice to keep your place in the queue without waiting on the phone. How it works:

If your expected call wait time is greater than 5 minutes, you will be asked to leave your details. When the call gets close to the front of the queue, Centrelink will call you back.

How do I get my place in the queue?

If you are receiving Centrelink payments you must:

- be registered for phone self-service

- call Centrelink's main phone services

Registering for Centrelink's phone self service:

You can register for [Centrelink's phone self-service](#)

- over the phone on **136 240**, or
- at a Centrelink Service Centre.

New Biographies at the Tambellup Library

Eighteen months after retiring from a twelve year Formula One career, Mark Webber finally tells the story of his journey from Queanbeyan kid to Grand Prix winner – and in typical 'Aussie Grit' style, it's a no holds barred, searingly honest account of life inside and out of the cockpit.

Mike Willesee has been Australia's most famous TV journalist for over 50 years. Son of a high-ranking politician in the Whitlam government, he was one of the first Australian correspondents to cover the Vietnam war.

No tragedy, no challenge, has proved too hard for Susan Alberti. The woman from the working-class suburbs has battled boardrooms, courts, lymphoma and adult diabetes; and was one of the driving forces behind the AFL's move into women's football.

Cumberbatch attended Brambletye School and Harrow School. Whilst at Harrow, he had an arts scholarship and painted large oil canvases. It's also where he began acting. After he finished school, he took a year off to volunteer as an English teacher in a Tibetan monastery in Darjeeling, India. On his return, he studied drama at Manchester University. He continued his training as an actor at the London Academy of Music and Dramatic Art graduating with an M.A. in Classical Acting. By the time he had completed his studies, he already had an agent.

Broomehill Historical Notes

West Australian Friday 12 February 1886

NEWS AND NOTES

Our Eticup correspondent, under date February 2nd writes:-**"I regret having to record the death of two very old settlers of this neighbourhood, where they were well respected by all who knew them. One is Mr Edward Treasure, landlord of the "Semblance of Old England Hotel", Kojonup, who died at his residence on Wednesday, the 7th January, at a good old age. He leaves a large family and circle of friends to mourn his loss. The other is Mr Richard Norrish, who died at his brother's residence, Albany, yesterday morning from the effects of a chill he caught at a bushfire. He also leaves a wife and large family to mourn his loss. He was a brother-in-law to the late Mr Edward Treasure.**

A man named Butcher was lately lost in the bush for four days without any food. It appears he had been drink rather freely for some time **past at Gillian's "Round Swamp Hotel" and about a fortnight ago he went home to his hut at Pootenup. On Monday night week last he came to shepherd's hut at the Gordon, and sometime during the night strayed away, taking with him a horse, saddle and bridle. The horse he subsequently let go after taking the saddle and bridle off, and rambled about the bush for two or three days. On the morning of the fifth day he made his way here, looking rather the worse for his experience. On the same evening the trackers who had been sent after him, came in, close upon his tracks.**

Harvesting is not quite completed yet. Mr G Whitton has got two or three days stripping yet to do and that will about wind it up for this year.

The averages - wheat 25 bushels, barley 20 bushels, and hay about 1 ton or a little more in some places.

Bush fires are still raging in and about here and if not soon put out there will be very little feed for stock, the fires having been very destructive.

The weather is very changeable, one day threatening rain and the next so hot as to be almost unbearable.

Sporting there is none at present. I hear a cricket match is to be played at Martinup about the latter end of this month or the beginning of **next with an eleven from here."**

West Australian Friday 27 August 1886

ETICUP NOTES

Having been very busy for some time past I could not send you what little news there has been during the last two months. But now, as I have the time to do so, I will give you the details of the past as shortly as possible.

First the weather which affects everything most. It has hitherto been very dry indeed for this time of the year there having been no rains yet to speak of - only just sufficient to keep on the grass. There is no water in any of the pools yet, and should the weather continue so, and no rains come, I do not know how stock will get on next summer. All we can do is hope for the best.

Lambing is finished by this time, and I can say that it is one of the worst on record for many years, the old sheep dying off in many places in large numbers. Owing to the lateness of the season, with the continual dry weather after the rains set in, and mostly all being burnt and the heavy frosts every morning, there was not a blade of grass to be seen, and one wondered how the stock lived at all. As I said before, the lambing has been the worst in my recollection, the average is on some stations, nil, on some 25 and on others 50, and on one or two about 70 per cent, but those are few and far between, and the greater part of lambs will never make sheep.

Ploughing and sowing are completed by this, but there has been a good deal of delay as the ground was too hard to get on with ploughing very fast. On the 1st instant, the dust was flying like cones of smoke when a certain farmer was rolling his land, which has never been known in this neighbourhood before. There is a good acreage in this year, and if it turns out anything like it ought to be no scarcity of corn and hay next summer which is to be hoped, will be the case, for at present hay and corn are very scarce. In fact it cannot be obtained for love or money. The frosts have not affected the early sown crops much as they look very well, but the later sown ones look rather backward; they will come on if we have late rains.

We had the absconder Thompson in this part for some time, and no less than five P.C.'s after him and he gave them no little trouble, for having been well acquainted with this part while shepherding here, he could evade capture by the police with ease. He had a narrow escape **on one occasion. While he was knocking about here one night, P.C.'s Bovell and Gee were crawling on to where he was sleeping;** they broke a twig, it being so very dark, and he cleared, leaving behind him his rug, pannican boots, hat and a leather bag. Thinking it was becoming too hot for him he made off towards Jerrymongrup where he was captured on one of the back tracks by P.C. Pridmore.

Some time ago I wrote of the wants of the place, but up to this time have not seen anything done. No one seems to bother about the requirements of the place. The track from here to Gordon Bridge is in a dreadful state. That track is the main one from here to Albany and it seems to be overlooked by the Roads Board. It is a great pity someone from here does not go in as a member of it to bring our wants before the Board. There are also roads here which are being fenced off and want clearing of the dead timber and young saplings. If this were done it would something towards making our little village look more ship-shape.

Messers J Garrity & Son opened a store here last week, in their new building, and not before it was wanted, for if a man required anything he could not obtain it for love or money, the settlers only keeping sufficient for their own requirements. Mr John J Garrity is the managing

Protect your best friend in an emergency situation

An estimated 63% of households in Australia have at least one pet, one of the highest rates of pet ownership in the world!

It is **vital** that you include your pets in your emergency plans.

PLAN TO LEAVE EARLY

- Stay Informed! Evacuating with animals can take time, especially if you need to make multiple journeys with different animals.
- Have your pet's emergency kit and carrier ready to go. Make sure it includes a lead, medications and important documents.

PLAN WHERE YOU'LL GO

- Emergency services can't help evacuate your pets or larger animals in emergency situations, and not all evacuation centres will accept them.
- Your animals may need to go to different places - this could be with friends, family, boarding kennels or cattery's.
- Animals will require a constant source of water and food, shade and safe place to shelter.

HAVE A PLAN B

- Plan for what will happen if it's unsafe to return home.
- Speak to neighbours or nearby friends about what you would like them to do if you're not home (and offer them your support if they're away)
- Include the following phone numbers in your emergency plan
 - Your veterinarian
 - RSPCA WA or other local animal welfare agencies
 - Help number for injured and trapped wildlife, ranger and animal rescue services
 - Neighbours, family or friends who may be of assistance

FOR MORE INFORMATION

Visit the [DFES Pets and Animal Emergency Kit and Planning page](http://www.dfes.wa.gov.au/the-issues/animals-in-emergencies/)
<http://www.rspcasa.org.au/the-issues/animals-in-emergencies/>

Do you have Smoke Alarms and an Escape Plan in case of a House Fire

You used to have approx 17 minutes to run after the smoke alarm went off. This time is now down to 3-4 minutes, because of more synthetic items like pillows, furniture and building materials that are now in most homes. These materials now make fires burn faster and hotter.

Fire fighters need to get to you asap and you need to have Smoke Alarms in your home and have an Escape Plan!

For further information on Smoke Alarms and Home Escape Plans visit on www.dfes.wa.gov.au or contact the Community Emergency Services Manager – Cindy Pearce on 98219999.

Stay Informed During a Bushfire

Take these 4 easy steps to stay informed during bushfires and emergencies near you:

Step 1. Get connected: connected communities are safer communities.

Step 2. Stay alert: if you can see or smell a bushfire that's your warning.

Step 3. Monitor Official Warnings: sign up now to get notified of bushfire warnings on social media and via apps through:

- www.emergency.wa.gov.au
- www.twitter.com/dfes_wa
- www.facebook.com/dfeswa
- ABC local radio or 6PR emergency bulletins
- Third party apps: Emergency AUS, WALGA'S LocalEye, Parks and Wildlife Service Alerts and National Bushfires

Step 4. Keep your phone details up to date: a telephone warning can be sent to your mobile phone or landline in extreme circumstances.

2018 Act-Belong-Commit Gnowangerup Summer Fair

The Baking Competition

THIS EVENT WILL BE JUDGED BY THREE JUDGES LOOKING FOR THE BEST TASTING CAKE.

ENTER YOUR BEST SPONGE CAKE, MUD CAKE AND SCONES BY 11AM.

Sandalwood Villas, Tambellup

Independent Living Seniors Accommodation

Located in Taylor Street, Tambellup, Sandalwood Villas offers contemporary accommodation for people aged 55 and over; entry is via remote controlled, electronic gates. Each of the six villas has two bedrooms plus an office/study/craft room and an open kitchen/dining/lounge area with reverse cycle air conditioning. Two villas have a fully accessible bathroom and the remaining four have an ensuite to the main bedroom (with an additional access door) and a second, separate toilet and hand basin. Construction is of brick/fibro cladding and tin and a communal gazebo and garden is centrally located behind the entrance area.

Rental is now \$180 per week for couples and \$160 per week for single people; consideration will be given to allowing tenants a small, quiet pet on a case by case basis and within twelve month lease terms (an extra \$10 per week is applicable for people with a pet).

The Shire of Broomehill-Tambellup currently has one vacancy at Sandalwood Villas; if you would like further information or to view the Villas, please contact Judy at our Tambellup office - 46-48 Norrish Street, Tambellup; telephone 0898 253555; or email mcs@shirebt.wa.gov.au

DATA FROM BOM

The Petticoat Lane Op-Shop

42 India Street, Broomehill.

Open Thursday 12pm - 3:30pm and the
2nd Saturday
9:30am – 11:30am.

4.5kg bag of large or small cut rags \$5.00, great for the workshop, garage and household use. Come in and take a look at our newly renovated interior, while you are there, pick up some cheap school uniforms, back packs, files etc for your child.

Watch for our 'Op-Shop open' signs as you drive through Broomehill. After hours inquiries contact Carole 0488944416.

'More than just fertilizers'

I run on-farm trials to get local data to calibrate and validate recommendations.

It is all a part of the experience that make Summit a supplier of "more than just fertilizers."
