Tambellup and always enjoy the hands on approach to learning that is available at the College and were very eager to participate in the shearing program which will see the students shear over 2000 sheep.

SHIRE OF BROOMEHILL-TAMBELLUP

Phone: 98253555 Fax: 98251152 Email: mail@shirebt.wa.gov.au

The next meeting of Council will be held on Thursday 17 October 2013 commencing at 4.00pm in the Tambellup Council Chambers. Members of the public are welcome to attend all Council meetings.

TIME FOR A RANT!

It is again disappointing to report the vandalism which has been experienced in both towns is ongoing. Recent incidents include significant damage to the disabled toilets in Tambellup, damage to standpipes in both towns, damage to gardens, the ongoing saga with the chain gate at the Broomehill Tip, upending of rubbish bins at the Tambellup Sportsground and vehicle damage to the Tambellup Oval.

Council has invested in security cameras, which are installed in various public areas in both Broomehill and Tambellup townsites. The images are of a high quality and enable perpetrators to be identified.

A recent occurrence of damage to the gardens in Diprose Park, and at the disabled toilets in Tambellup provided clear identification of those involved.

Copies of the images have been forwarded to the Police, who will be following up with parents of these children. We ask again, parents and other caregivers, do you know where your children are, who they are with, and what they are doing???

The individuals responsible for damage to the Tambellup West Rd and Broomehill Town Dam standpipes should be aware that these are also an emergency source of water which is used in case of fire. The recent damage meant both standpipes were out of action. House fires during winter are a reality, with the use of heaters and wood fires inside.

Thankfully there has not been a need recently for the fire trucks to access these water sources in an emergency; however one cannot say it will never happen. If **you** are responsible for the damage to the standpipes, we sincerely hope you never need to call the fire brigade to your house!

The camera at the Broomehill Rubbish Tip has also provided some interesting images. It is surprising to note the amount of traffic at the tip at all hours of the night. Due to the amount of waste which is deposited at the Broomehill Tip, seemingly from outside the Shire, Council is considering restricting the opening hours. The cost to manage the issue of excess waste at the tip from people living outside the Shire is borne by every ratepayer in the Broomehill-Tambellup Shire, which is not acceptable. More information on the proposal to restrict opening hours will be provided to residents in the near future.

And finally, if you are the person who cut up the Tambellup Oval, you should be ashamed. Yes, your efforts were noticed. A great deal of time, effort and money has been invested over many years to ensure our community has access to one of the best grassed surfaces in our region. Your behaviour is moronic to say the least. Again, the police have been informed.

People of Broomehill and Tambellup, we urge you to be aware of what is going on in our towns. The people involved in this senseless behaviour are affecting every one of us each time they have their 'fun'. We encourage you to report any antisocial behaviour, either to the Police, or if it involves Shire property, to either of the Shire offices.

Council Agendas and Minutes

Agendas and Minutes from every Council and Council Committee meeting are available at the Shire Administration Offices and Tambellup Community Resource Centre, for perusal. These documents are available in alternative formats, on request, for people with a disability.

Agendas and Minutes can be accessed online by browsing to www.shirebt.wa.gov.au and clicking on the "Our Shire" tab.

Joanne Trezona

CHIEF EXECUTIVE OFFICER

COUNCIL ELECTIONS

Council elections will be held on Saturday 19th October, with four positions becoming vacant. Nominations for the election open on Thursday 5th September 2013, and close on Thursday 12th September 2013. Anyone who has ever considered standing for Council is encouraged to nominate. More information is available by contacting the Shire on 98253555.

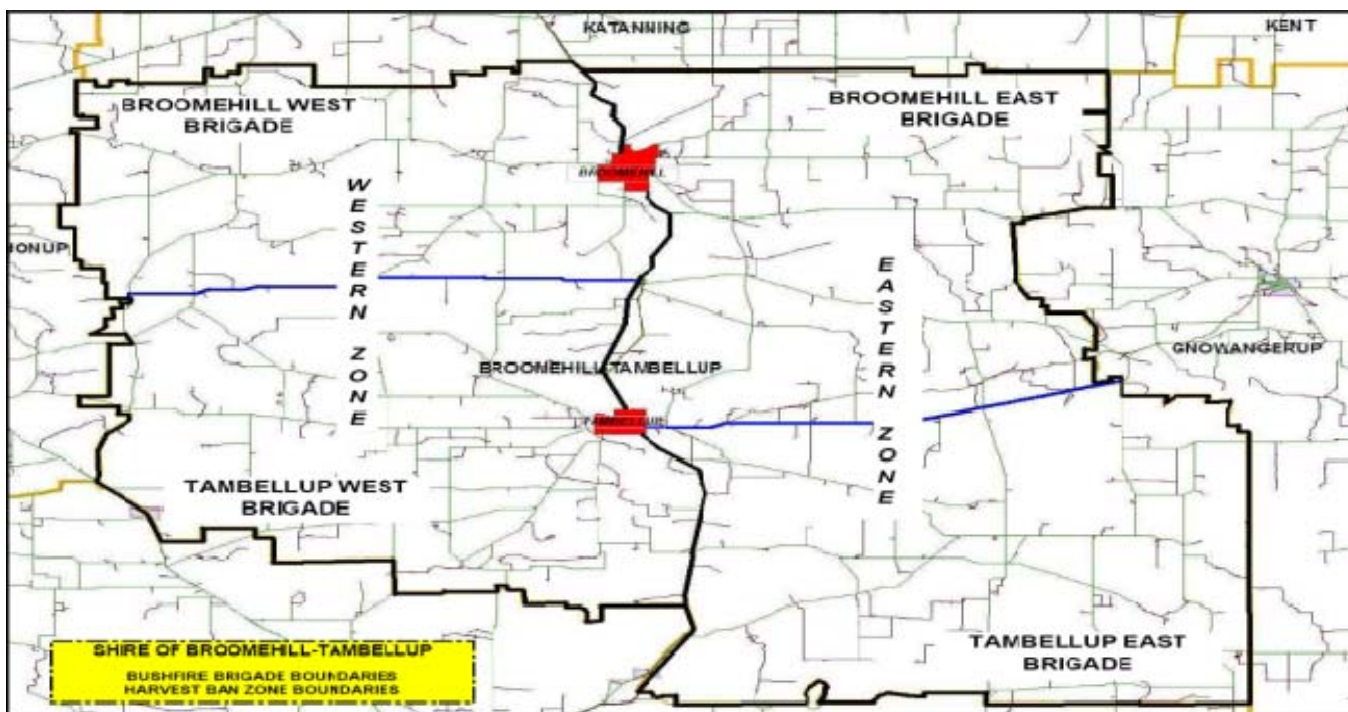

FIRE SEASON IS UPON US AGAIN, SO HERE'S SOME IMPORTANT INFORMATION YOU NEED TO KNOW.....

HARVEST BAN ZONES

Following a request from the Broomehill-Tambellup Fire Advisory Committee, Council has established Harvest Ban Zones in the Shire, to allow for occasions where weather conditions requiring a harvest ban may not affect the entire Shire, or where assistance is required for mopping up after a fire. The Shire has been divided into two zones - the Eastern Zone and the Western Zone - with the Great Southern Highway being the dividing line. Notification of bans only affecting part of the shire will be in accordance with our established procedures - that is, broadcast over ABC radio and Radiowest, SMS to registered contacts, and recorded message on the Harvest Ban Hotline (98251042).

All residents please note: If a ban is imposed which only applies to one zone, both townsites are included in the ban.

Any fires resulting from vehicle movement in paddocks, open fires or hot works during periods where a Harvest and Vehicle Movement Ban is in force, either in a single zone or across the entire Shire, may result in court action and significant fines.

BUSHFIRE BRIGADES PROTECTIVE CLOTHING ORDERS

A flyer containing information relating to this year's protective clothing order was circulated to all residents recently. Members of volunteer fire brigades are reminded the orders should be submitted to the Shire by **Friday 20 September 2013.**

As in previous years, please carefully consider your requirements, as the amount of funding we receive from the Emergency Services Levy for this activity is limited. We would like to fill as many requests as possible.

Additionally, please be sure to refer to the sizing charts included on the flyer to ensure correct sizes are chosen. This will eliminate the need for clothing to be returned to the manufacturer for exchange.

If you did not receive an order form in the mail, or require further information please contact Coral at the Shire on 9825 3555.

RESTRICTED AND PROHIBITED BURNING PERIOD

All residents of the Broomehill-Tambellup Shire are reminded that the **RESTRICTED** burning period commences on **19 SEPTEMBER 2013** and continues until **15 APRIL 2014** inclusive. During this time you are required to obtain a permit to burn before lighting any fires.

The **PROHIBITED** burning period commences on **1 NOVEMBER 2013** and continues through until **14 FEBRUARY 2014** inclusive. The lighting of fires during this period is prohibited, however if residents need to do **PROTECTIVE BURNING** during the Prohibited Burning Period they must first obtain a permit from a Fire Control Officer and then observe all the conditions of the permit. **PROTECTIVE BURNING** is to be carried out between the hours of 6.00pm and midnight on the same day. No Protective burning is to be carried out after December 20 2013.

Permits can be obtained from Fire Control Officers as follows:

Chief Fire Control Officer	Craig Bignell	0408 341253
Deputy Chief Fire Control Officers	Ray Squibb	0407 984250
	Ben Hewson	0417 969975
Broomehill East	Nathan Heron	0427 212272
Broomehill West	Jerome Hardie	0427 181341
Broomehill Central	Andy Webster	0439 629209
Tambellup East	Kim Oliver	0427 258157
Tambellup West	John Cristinelli	0428 916833
Tambellup Town	Laurie Hull	0428 251177

For further information contact the Shire Office or your nearest Fire Control Officer.

FIRE BREAK ORDERS

The 2013-2014 Fire Break order has been distributed with rates notices to all rate payers. If you have not received a copy, they are available at both Shire offices and the Tambellup Post Office. Please take the time to have a look and check your responsibilities as a land owner or occupier with regard to the removal of fire hazards from your property.

The Fire Brigades will be undertaking inspections of townsite properties during September to check for fire hazards. Owners of properties deemed to present an unacceptable fire risk will be requested to undertake works to remove the hazard, and additional inspections will be undertaken to ensure compliance. This activity is aimed at reducing the risk of fire, not only for you, but your neighbours and the community in general.

WORKS

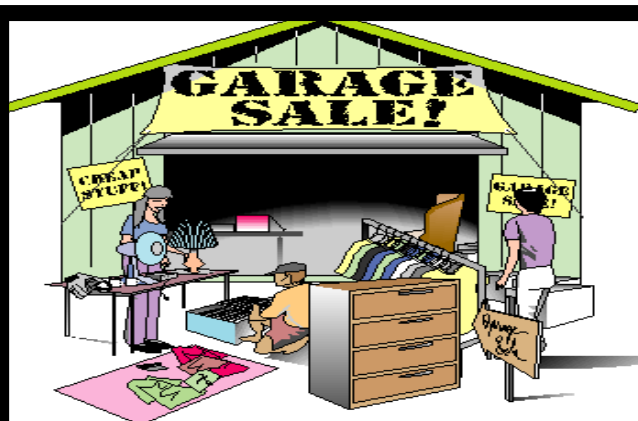

Following the recent rains which resulted in the closure of gravel roads across the Shire during August, a number of complaints have been received about the condition of roads. The maintenance graders are currently working in the mid western area of the Shire. As every road in the Shire was affected, we ask for your patience as they progress.

We also appreciate the consideration shown by residents and those travelling through the Shire in not taking heavy vehicles on the gravel road network during those days following rain. We are aware the road closures inconvenienced many, however it was necessary to not only protect the road surfaces, but also road users. It should be noted that if a closure has been put in place and a heavy vehicle is involved in an accident on a gravel road during a road closure, there may be implications for the vehicle owners insurance if making a claim for damage. All residents are asked to exercise common sense following periods of heavy rain. If in doubt, please contact the Shire to check on road conditions.

Following the issuing of the works approval by the Department of Environment and Conservation, works have commenced on the construction of the Tambellup Waste Transfer station, located at the Tambellup Rubbish Tip. Sand has been stockpiled for backfilling behind the concrete walls, and the site of the transfer station has been cleared and levelled.

The construction crew has finished gravel carting on the Gnowangerup Road widening. This project will be final trimmed and sealed when weather warms for bitumen. The crew is now working on Nookanellup Rd, towards Warrenup Rd.

Roadside and town spraying will be completed in the next month, and the contractors engaged to clear debris from the roadsides from the June 2012 storm will be recommencing as soon as weather conditions allow. Council's Jetpatcher truck will also be out and about carrying out bitumen repairs across the Shire. Motorists are asked to take care when travelling in the vicinity of these works.

- ◆ Dry Stick or clean Mallee root.
- ◆ flowers & some leaves that are in proportion to your wood
- ◆ 2 containers and a tray
- ◆ secateurs

Remember to think of your colour scheme and when choosing materials!

European Design

Stick it up!

Interpret this how you like.

2013 TAMBELLUP DAFFODIL DAY FUNDRAISING EVENING

On Friday 23rd of August 2013, Tambellup came alive with 98 fantastic women celebrating life and helping to raise \$2731.00 for the Cancer Council in their 50 shades of Pink. A beautiful meal was consumed, a few prizes handed out and laughter floated through the decorated hall to ensure the nights success. Daffodil Day raises money for continued work in Cancer research, providing patient support programs and prevention programs to all Australians.

This year we had 9 stall holders showcasing: Dookidz Gifts, Lorraine Lee Linen, Addison Rose Designs, Phoenix Trading, Oasis Home wares, Sand n Salt (Lake Grace), Tupperware, Avon and Jewelpani. We were also lucky enough to have the lovely Shaz come and massage all the tired bodies to bring them alive for the evening's festivities. New to this year was an afternoon trading session which came with free afternoon tea!

The dinner was once again prepared by the amazing Beacham and Mars and we weren't disappointed after he had told us last year he wasn't going to make Sticky Date Pudding for dessert, he did and it was YUMMO! The beautifully presented pink cupcakes and vanilla slice with pink icing all added to our fun theme. One of the true wonders of the world happened at 9pm when I walked into the kitchen and found 8 young lads all with their sleeves rolled up doing the dishes and it didn't stop there they stayed behind and packed up all of the tables and the chairs, well done guys! Same time and place next year ;-)

Our guest speaker for the evening was Julie Dupe, from Mount Barker, who at 46 last year was diagnosed with Breast Cancer. Her story was a roller coaster of emotions for the listeners but she herself was so calm and positive. We all learnt many facts about cancer, what support was available and how it is really important to have an early diagnosis. We thank Julie for coming up and speaking to us and wish her good luck for the future.

The infamous dinner auction from last year was given the nod by Beacham again this year and with a few rules it was sold for \$800 – thank you to the wonderful 8 people who are going to be served a divine meal and raising all that money. Maybe next year if it gets to \$1000 the host can come fully dressed up again and waitress.... The take away Sticky Date Pudding headed off to Mount Barker, the Valarie's vouchers will be enjoyed by the two lucky ladies and the 2kg of Marron is being primed for Christmas lunch I believe.

This year's theme of 50 shades of Pink was a huge success as you can see by the photos. The winner of the 'Best Dressed' prize was Jenny BurrIDGE who not only dressed in all pink including under garments, also accessorised in all pink and brought a pink water bottle and pink cover for her water bottle – we love your enthusiasm Jenny! It is to also be noted she has won this category 3 years out of 5. Spot prizes were won by ladies who had their elbows up and running shoes on and this year the 21 raffle prizes were all won by different ladies.

We would like to thank: Beacham and Mars for catering for the evening, the stall holders, the setup crew: Rhonda, Kristy, Evelyn, Belinda, Emily and Bec, Holly for donating the punch, Amelia for organising the Daffodil Day Merchandise, Jenni and Bec for doing the door and then Jenni for later being our auctioneer, the Tambellup Primary School for loaning us their PA system and the Tambellup CRC for taking names and printing our posters. THANK YOU ALL!

As we start the organisation for next year we would love to hear your thoughts, please let Kristy, Rhonda or Evelyn know any ideas you may have. If you would like to be an organiser of the event please let us know as after 5 years we would like to hand the torch on. Next year's Daffodil Day will be on Friday 22 August 2014, so tell your family and friends to save the date and come to a fun night out for ladies, see you all then.

Tambellup Junior Football Club 2013

On Sunday the 18th of August members of the Tambellup Junior Football Club gathered with their brothers, sisters, Mums, Dads and even some grandparents to celebrate the end of another season of junior football.

The sun shone as the kids v's parents game got underway. The kids team ran away with a victory while the parents were left looking puffed & defeated!!

A sausage sizzle followed then certificates & medallions where awarded to all players.

It takes a lot of people to make a club special but thanks go to "The President" & his Wife (Mario & Debbie) for their great club management, Justin & Scotty the encouraging coaches & Monica the delicious canteen lady!

See you at Junior Football next year!

TAMBELLUP WW1 HONOUR BOARD RESTORATION

If you have been in the Tambellup Town Hall recently you may have noticed that the WW1 Honour Board is missing. Late last year Council sought advice on the possible restoration of this Board due to severe warping of the central boards containing the name plaques and other issues within the framework. Council subsequently applied for funding to replace the header panel and central section (whilst retaining and restoring the name plaques and main frame).

Council has recently received advice from the Minister of Veterans' Affairs that it has been successful in obtaining a *Saluting Their Service* Commemorations Grant to assist with the cost of restoring and preserving this significant local history for current and future generations and in respect of those who have served our country. Council looks forward to the Honour Board's restoration and re-erection in the Tambellup Town Hall and is appreciative of the Department of Veterans' Affairs for its contribution to this worthy project.

Broomehill Hockey

Well here we are near the end of the season with only 1 fixture before the finals begin. We have had some cracker games and both teams should be very proud of themselves for the way they have played this year.

Broomehill actually gets to host a final for the first time ever and we are very excited and geared up to produce a wonderful day. We are hosting the Preliminary Final on Saturday 14th September so please come down and support the teams who are playing. The First Semi is at Woodanilling on 7th September and the Grand Final is being held at Tambellup On Saturday 21st September. Come along and watch some wonderful hockey.

Once again we are looking for people to join us in our new mens and ladies teams for next year. We are not just looking for players – we need coaches, managers, umpires and general helpers to get us through the games.

Please contact Anne Guazzelli 98 241 309, Chris Taylor 98 241 552, Jo Taylor 98 241 552, or Raelene Gilchrist 98 241 491.

Welcome to this month's edition of the *Talk Sporting Clubs* E-Newsletter.

Everyone is welcome to subscribe to the newsletter, so please forward it on to all your club members. Also, by clicking on the following links you will be taken to the Shire of Broomehill-Tambellup [website](#) or Shire of Kojonup [website](#) where you can find more information on what's happening in your sporting community along with forms and other relevant documents.

In recent weeks, I have had clubs contact me about expanding their memberships. This is fabulous news as it means we have more people wanting to be involved in organised sport! Also on this note, if there are any clubs requiring assistance with setting up committees, governance or incorporation give me a call as I am always happy to assist.

I have been approached by some members of the Broomehill community to help transform the current tennis courts to multi-purpose courts. Discussions are being held with the Broomehill Complex Committee on a proposal to add some basketball and netball lines to the current surface. This will provide an opportunity to play mixed netball in summer, training for netball and basketball.

The proposed replacement of the Kojonup netball courts is ongoing. We are currently finishing a grant application which we hope will help get this project off the ground. A recent inspection of the new multipurpose surface installed at Frederick Square, Cranbrook has provided a number of very good options for consideration. It looks fresh, bright and very modern! Exciting times for the Kojonup Netball Club, as a new surface maybe closer than you think!

With winter sports coming to a close, summer sports are RAPIDLY approaching. I anticipate that I will be working solidly with the summer sporting clubs to help promote Kidsport and provide assistance to ensure the best start to summer sporting season.

Amelia Simpson
Club Development Officer

Tambellup Hockey Club

Well, its finals time again, and for the club, another eventful year. Tambellup nominated six teams this season - Men's 1's and 2's, women's - Tambellup Black (under 30's) and Tambellup Gold (Golden Oldies), C grade and D Grade.

With thanks to Amelia Simpson, another very successful Minkey program was conducted this season, with around 25 kids aged from Pre Primary to Year 3 participating. This is the most important stage of a player's hockey development, where they learn basic skills, team work and most importantly, good sportsmanship. If the noise we heard across the oval each week was any indication, I am sure everyone had a great time this season!

The D grade and C Grade teams were coached by a dedicated Andy 'AB' Bradshaw, with some assistance from Pam Hull. Our D graders are a resilient bunch who have improved their skills and knowledge over the season, and along the way, had a lot of fun. While goals were in short supply and wins even scarcer, all credit goes to the kids who turned up each week to have another crack at it, meet new people, and practice their new found skills. A number of players were new to the game this year - we hope they enjoyed their season and look forward to seeing them again next year!

Our C grade team, consisting of a number of 'of age' players, a band of transients from Denmark Ag College, and topped up by some older D Grade players, have had a fantastic season. Playing in a four team competition where two teams were clearly dominant, Tambellup was competitive throughout the season, and ended up in third place on the ladder. Hockey is a funny game, where the score at the end of the game does not necessarily reflect the standard of play, and this was the case in the majority of our games. Our kids have developed into a tightly knit team who have played good 'passing hockey' all season, and it's been a pleasure to watch the fast paced, mainly 9-a-side games unfold.

As finals commence, the D grade season is over for Tambellup, and we look forward to these kids, and the Minkey players, coming back next season for another go. Our C Grade heads into the second semi final against Katanning Cougars, to be played on Saturday 7th September, and we wish them well.

With one fixture to go, the men's 1's and women's Tambellup Black are both sitting at the top of the table, with the men's 2's and women's Tambellup Gold both in fifth position. We wish the 1's and the Blacks well in their finals run.

Tambellup will be hosting the Grand Finals this year, to be held on Saturday 21st September. Games will commence mid morning, with the D Grade final, followed by the C grade final, the women's at around 1.30 and finally the men's at around 3.00pm. Food and drinks will be available, (all players not involved in games are asked to help out on the day) and we look forward to seeing a great crowd in attendance, hopefully to cheer on some local talent.

A full report of final results will be included in the October BT Times.

GOOD LUCK TO ALL TEAMS IN THE FINALS

Australian
ROAD SAFETY
Awards

On behalf of the Australian Road Safety Foundation, I invite you to be apart of the 2013 Australian Road Safety Awards.

The Australian Road Safety Awards at a glance, is a prestigious award program offered models and tools for implementing quality strategies, benchmarking best practices, performing self assessments and ultimately, achieving improvements in outcomes and culture.

The awards are designed to acknowledge the achievements of leading road safety stakeholders and provide an opportunity to formally recognize their commitment to improving road safety outcomes.

The awards are now in their third year. In 2013 in the following categories are open to companies, organisations, community groups, schools and government bodies to enter.

* Community Programs

Open to all local and community groups, this award recognises original and praiseworthy initiatives, tackling significant local issues in the area of road safety.

* School Programs

Open to primary and secondary schools, this award is presented to schools that have demonstrated a strong commitment to road safety. It recognizes the work of students and teachers in creating new educational programs that improve young driver behaviour and establishing the next generation in road safety awareness and practices.

* Local Government Initiatives

The category acknowledges local initiatives that demonstrate best practice and showcase local government innovation in promoting road safety to their communities.

* Corporate Fleet Safety

This category recognises larger organisations that have developed a pro-active approach to fleet safety. The winner must demonstrate a holistic safety management approach backed by professional development systems and a strong safety management culture.

* Indigenous Road Safety

Recognises road injury prevention projects and programs that minimise the impact of road injuries in the Indigenous community, effective prevention and management programs are essential. These programs need to demonstrate strong leadership and collaboration with the Indigenous community.

* State Government Initiatives

Open to all state and territory governments and their associated agencies. This award will recognise the most effective road safety initiatives and programs undertaken by governments around the country.

* Innovation

This open category recognizes outstanding innovation in road safety. This could include community, corporate or technology.

It would be great to see you as a part of our awards celebrations; nominations for the 2013 Australian Road Safety Awards closes 27 September 2013.

If you have any questions or would like to nominate, please do not hesitate to contact me or feel free to visit our website for more information: <http://www.australianroadsafetyawards.com.au> <<http://www.australianroadsafetyawards.com.au/>>

ALDRIDGE WELCOMES MAJOR INVESTMENT IN FIRE AND EMERGENCY SERVICES

15 August 2013

Regional Western Australians are set to benefit from a \$27.6million boost to emergency services after the State Government announced today that it would secure a second rescue helicopter and improve protection for the State's career and volunteer firefighters.

WA Nationals Member for the Agricultural Region, Hon Martin Aldridge MLC has welcomed the State Government's decision, saying that *Royalties for Regions* was continuing to support vitally important regional emergency services.

"The new rescue helicopter will operate predominantly out of the South West, servicing the South West and southern part of the Agricultural Region," Mr Aldridge said.

"This helicopter will provide essential assistance to people living in the South West and Great Southern, as well as those who visit these busy tourist destinations."

Mr Aldridge also welcomed the decision to provide extra protective equipment in 667 firefighting vehicles that operate in high risk bushfire areas.

"New fire appliances will be fitted with this technology, followed by a retrofit of existing vehicles in high risk areas," Mr Aldridge said.

"By providing more assistance to regional firefighters, we are effectively helping to protect the people who protect our lives and our livelihoods."

The protection package for tanker appliances will include:

- in-cab breathing systems providing fresh air during such incidents where air can become toxic;
- under body and external water spray protection systems to wet the surrounding areas and vehicle;
- advanced Global Positioning System tracking devices which send a distress signal and allow the vehicle to be tracked live on a web-based mapping system; and
- critical component heat lagging and shielding to protect the fire appliance.

The funding package means that victims of serious accident or illness can expect medical help to arrive much faster and be delivered more effectively, whilst protecting our firefighters who put themselves in harm's way to protect us.

For more information please contact Martin on (08) 9324 3155 or email martin.aldridge@mp.wa.gov.au.

SCHOOL FEES FOR 457 VISA HOLDERS TO HIT REGIONS THE HARDEST

22 August 2013

Member for the Agricultural Region, Hon Martin Aldridge MLC has today written to the Minister for Education expressing his concerns about the State Government's decision to implement a \$4000 fee for school students living in Australia on sub-class 457 visas.

The decision seems to be a result of a 2009 Education and Health Standing Committee report that detailed deficiencies in the provision of education services to sub-class 457 Visa students, in particular English as a Second Language courses.

Mr Aldridge noted that whilst he appreciates the challenges of the State Budget, imposing this fee in the manner suggested is unfair and will create a metropolitan bias.

"The concerns that I have are around fairness for all Western Australians, and this decision places a heavy and unequal burden on people in regional WA," Mr Aldridge said.

"The financial capacity for a sub-class 457 family working in the agricultural sector in regional WA is vastly different to an engineer working for an oil and gas company in Perth."

Mr Aldridge continued, saying that communities with concentrations of sub-class 457 families like Gingin, Katanning, Kalannie and Dalwallinu would come under pressure as a result.

"It is my concern that people who have come to Australia on a sub-class 457 visa and have decided to reside in regional areas may now have little choice but to withdraw their children from local schools and return them to their home country," Mr Aldridge said.

"This could have a devastating effect on small towns where these people have become contributing and respected members of the community."

Mr Aldridge agrees that some cost recovery may be necessary to improve the services offered to students, particularly English as a Second Language, however he has recommended some amendments to the process to improve fairness.

"I hope that the worst case scenario is that the fee be means tested, leading to a situation where those unable to pay the full fee don't have that burden placed on them," Mr Aldridge said.

"I hope that by working with the Minister on this issue we can achieve a fair outcome for all."

For more information please contact Martin on (08) 9324 3155 or email martin.aldridge@mp.wa.gov.au.

FREE ENTRY TO AG SHOWS SET TO CONTINUE – ALDRIDGE, BROWN

26 August 2013

Members for The Agricultural Region, Hon Martin Aldridge MLC and Hon Paul Brown MLC have congratulated the State Government and the Royal Agricultural Society for continuing to support agricultural shows throughout the state by providing free entry to children.

The announcement comes as part of the State Government's \$2 million commitment towards promoting attendance at the Perth Royal Show and agricultural shows throughout regional WA.

"Allowing children who are 12 years and under free entry to regional agricultural shows is an initiative that encourages them to understand and support the efforts of the local communities," Mr Aldridge said.

"With the cropping season now looking above average throughout most areas of the agricultural region, we are hoping that the many shows across the state will be well attended."

"We hope that this initiative will boost the numbers."

Mr Brown said that agricultural shows are not only important to local communities, but are also an important tool for people to learn how their food gets from the paddock to the plate.

"The Perth Royal Show and agricultural shows throughout WA allow city and country people to interact with each other and to appreciate the hard work and endeavour that form the back bone of the agricultural and horticultural industries," Mr Brown said.

"It also enables locals to exhibit their handiwork and crafts, along with livestock and fresh produce."

The Nationals WA Members of Parliament will be attending agricultural shows across the state to ensure that the citizens of regional WA are able to have access to their MP's and can express any concerns and issues that they may have for their area.

The \$800,000 that has been allocated for free entry to regional agricultural shows is being funded through *Royalties for Regions*.

For more information call Paul Brown on 0413 779 969 or Martin Aldridge on 08 9324 3155.

KATANNING & DISTRICTS GARDEN CLUB.

The Club's August meeting was held at the Arts & Crafts Centre, a friendly group of ladies attended sharing their love of gardening & Floral art.

A workshop to help exhibitors know how to present and stage exhibits ready for judging will be Held in the Katanning Community Resource Centre on October 5 that 1.30pm, there will be a charge of \$2 to help cover costs. For any further information about the workshop, please contact Gerry(98211,648) or Ailsa (9821,1828). We look forward to seeing you there.

A Fun With Flowers Day is to be held at Gnowangerup on 3rd October, Helen Bignell from our club will be demonstrating, if you would like to attend you must make a booking by ringing 98271635 by September 16th.

Competition results for August were: FLORAL ART:1 . Helen Bignell,2 . Pam Garlick,3 . Maxine Potter. FLOWERS:1. Pam Garlick, 2 . Leonie Daw. TREE or SHRUB 1: .Ailsa Thomas, 2. Irene Matthews, 3.Ailsa Thomas. MY BEST FLOWER1:.. Ailsa Thomas, 2 . Ailsa Thomas, 3. Leonie Daw. FRUIT or VEGE:1 . Margaret Wise,2 .Pam Garlick,3.Ann Rees. POT PLANT or HANGER1:.. Pam Garlick,2 . Ailsa Thomas,3 .Ailsa Thomas. The raffle was won by Norma White.

Our September meeting will be at Maxine Potter's home (15 Marmion Ave, Katanning) on September 10th at 1.30pm, members and visitors always welcome.

Things to do in the garden this month; liquid feed ferns fortnightly, spread a little blood and bone on everlastings, make fresh chrysanthemum cuttings, plant out tomatoes once danger of frosts has passed, fertilise passionfruit with NKP and sow seeds of summer flowers and vegetables.

Until next month, cheers Ailsa.

Societies Show Schedule and start
creating your masterpieces for
Show Day.*

*If you didn't receive your schedule in
the mail, they are available from
Tambellup Post Office.*

Broomehill Historical Notes

Quite a few years ago Shirley MacDonald began to work through the diaries of her Grandfather, Thomas Norrish (TN) which he wrote when he first came to Eticup to take up farming and the diaries of William Henry Graham (WHG) who was also one of the first pioneers of the Eticup district. Shirley collated all the information both in alphabetical and chronological order. There are many wonderful pieces of information and anecdotes in these diaries and we are proud to share them with the community each month.

Smith, John (One Arm Jack) – In 1886 One Arm Jack had apparently been working for TN's nephew as, on 30th July, TN wrote that Jack had come to the Sheep Wash and helped with the sheep and that he had left Tambellup. On 6th August One Arm Jack came to Sunnyside with Ben Robins (who was digging a pond in TN's Chillicup paddock) to get their picks sharpened. On 1st September Robins and Smith came in from Chillicup – they had finished the pond and TN settled with Robbins next day - £6.13.6. On 6th September Ben Robins and Jack Smith began putting up a fence over by Nelson's blacksmith shop. One Arm Jack is not mentioned again until 25th November 1892 when he came with the Martinup team to pick up Cox's box.

Smith, J – Known as "Two Rags" was at Goblup on 1st July 1881 with James Drury.

Smith, Patrick (Paddy) – On 3rd May 1881 TN referred to Paddy Swift, a shepherd, who is recorded as having worked in Albany, this entry is believed to mean Paddy Smith as on June 10th Deveral took rations to William Peters and Paddy Smith. The next few entries about him indicate that he was gathering sandalwood for TN who settled with him on 3rd September. On 11th September 1881 Paddy Smith went to Garrity's to work and on 5th December TN sent Paddy Smith and young James Deveral with two horses and cart to Peters' hut for the sandalwood roots that Smith had got in. On 7th January 1882 Paddy started for Deep Creek to sink a tank – apparently not very successfully as, on 20th, TN selected a fresh place for the tank. On 4th February he came in for dynamite as there was rock in the tank. The job was finished on 29th April and TN settled with the tank-sinkers on 10th May.

However on 8th May Paddy started again as general servant and the next day helped Johnny gather rushes for the lambing yards. On 15th December 1882 he went with John Griffen and Johnny to cut rushes to thatch the haystack, and on 30th started for Pingelup with Griffen. During April 1883 he called at Goblup several times in the company of Henry Townsend on their way to Fairfield for seed corn and chaff. He called again on 16th July for some dynamite and on 17th August went to where he was sinking a tank near Churchill's camp (Pootenup area), but Smith was at Townsend's. The tank was not finished according to agreement. The next day TN returned to the tank with Henry Townsend and Smith to dig a drain to the tank. Smith returned to Goblup on 21st August and on 23rd carted bricks for the new house (Sunnyside). On 28th September he was put to cutting chaff and filled 8 bales, 24 bags, and on 15th October he carted timber. In January 1884, TN went to Boylup to bring in some sandalwood that Paddy had got for him. He apparently ceased working for TN about this time as the next mention of him is not until 1st August 1884 when he came looking for work, and brought an order from William Peters for rations to be sent by natives.
